CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. ROLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, JANUARY 5, 1987

NO. 1

PARTNERSHIP DEVELOPS AFFORDABLE HOUSING ON MISSION HILL

City, state, hospital, labor and neighborhood leaders mark agreement on Lahey Clinic/Mission Hill land.

Mayor Raymond L. Flynn was joined by state officials and representatives from the Lahey Clinic, construction unions, and residents of the Mission Hill neighborhood to announce agreement on a proposal to develop 166 units of affordable housing on Mission Hill.

The ceremony took place on the ten-acre parcel of vacant land at the intersection of South Huntington Avenue and Heath Street, property that was bought by the Clinic some twenty years ago as a prospective site for a new health care facility.

Mayor Flynn thanked the trustees of Lahey Clinic for agreeing to sell the property for what he called "a fair price — but one that will enable the construction of badly needed affordable housing."

The Mayor went on to call the partnership between the city, the Bricklayers and Laborers Union, and the Back of the Hill Community Development Corporation "a national model," saying that the project "would not only provide affordable housing — but would be financed and built by labor unions, ensuring jobs for their members and for Boston residents."

Tom McIntyre, president of the Bricklayers and Laborers, expressed his satisfaction at being able to provide union-built homes in the Mission Hill neighborhood where he grew up. Kay Gallagher, president of the Back of the Hill Community Development Corporation called the agreement "the fulfillment of our hopes and hard work to rebuild our neighborhood."

The proposed development will consist of 36 one-bedroom units, 100, two-bedroom townhouses, and 30, three-bedroom townhouses. The units will sell for between \$69,000 and \$106,000. Limited equity provisions will be attached to any eventual resale. In addition to the housing, a two-acre site with spectacular views of the Olmstead Park system will be set aside for open space conservation land. Total development cost for the project will be \$17 million.

City, state and federal funds will be used to assist the Bricklayers and the Back of the Hill CDC in the development of the project. Mayor Flynn praised the strong support of Governor Dukakis and members of his Cabinet, Senate President William Bulger, and State Representative Kevin Fitzgerald.

"It has taken a long time, and a lot of hard work by a lot of people," the Mayor said, "but I think today we can all be proud and sure of the fact that the Back of the Hill area rebuilding will finally be complete."

MAYOR FLYNN NEGOTIATES FOR DONATION OF 12-METER YACHT

Mayor Raymond Flynn confirmed that representatives of the City of Boston met with representatives of Leonard Greene, chairman of the Courageous Syndicate, in an effort to encourage Mr. Greene to donate the twelve-meter yacht Courageous to the children of Boston. City representatives made a presentation of a plan by which the vessel, which successfully defended the America's Cup in 1974 and 1977, would be donated to a public sailing center to be created at the Charlestown Navy Yard.

The Courageous, the world's most famous 12-meter yacht, which was skippered by Ted Turner in 1974 and by Ted Hood of Marblehead in 1977, is valued at over one million dollars and would be used, if the city's plan is accepted, as

both a symbol and training mechanism for the sail training program.

As currently planned, Harry McDonough of South Boston, who has operated a sailing program for many years at Castle Island, would operate a similar program at the Navy Yard which would involve the youth of Boston in sail training, sailboat operation and maintenance, and harbor related educational courses.

City representatives, who have been lobbying the Courageous Syndicate for some time on behalf of the sailing center, outlined a plan by which the vessel would be berthed at Pier 4, Shipyard Park in the Navy Yard. The Boston Redevelopment Authority has to date spent over \$2.5 million on the restoration of the pier and the adjacent park and is about to begin a two-million-dollar project which will transform the former Navy Dry Dock next to Pier 4 into an active waterfront recreational facility.

City representatives outlined to the Courageous Syndicate the goals of the sailing center, the facilities available at the Navy Yard and the benefits to berthing the vessel in Boston.

Both sides in the negotiations expressed optimism that an agreement can be reached in time to bring the vessel to Boston in time for the start up of the sailing program in the summer of 1987. The vessel is currently in Australia and Greene is arranging for it to be returned to the United States in the near future.

The Old Corner Bookstore

Here met the authors who made Boston "the Athens of America." Built in 1712, in the nineteenth century it was the publishing house of Ticknor and Fields; later, it became the Old Corner Bookstore and a meeting place for the literary greats: Emerson, Hawthorne, Holmes, Stowe, and others. CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

SCHOOL DEPARTMENT

Instructional Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Historic Neighborhoods Foundation, 92 South Street. The contract shall be in effect during the period of October 1, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$12,603, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. Historic Neighborhoods Foundation's portion as is related to that amount is \$12,603.

The contractor will provide instructional services at the Barnes Middle School, paired with the Umana School, for sixty students of various racial/ethnic backgrounds with classroom activities and a total of fourteen field trips that emphasize the positive features of their schools and their home neighborhoods by matching photographs of actual buildings and details of buildings with real buildings in their neighborhoods. Students will videotape newscasts on location in various Boston neighborhoods. The contract covers bus fees, admission fees, materials and personnel.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 86-8MEP-0156.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Neighborhood Arts Center, 551 Tremont Street. The contract shall be in effect during the period of October 11, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$26,611, which I have deemed to be reasonable. On June 25, 1985,

the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. The Neighborhood Arts Center's portion as is related to that amount is \$26,611.

The contractor will provide the following instructional services as follows:

The Basic Arts program will be presented by three Neighborhood Arts Center visual arts specialists to first graders at the Garfield, Winship, Gardner, Hamilton, Baldwin, Farragut and Tobin Schools in District One. For twenty-five weeks, 390 children will receive introductory art experiences that will improve their visual communication skills while providing partnership experiences for integration goals. The cognitive learning concepts that will be presented with the use of art materials are relationships, organization of ideas and organization of materials. At the end of the program, permanent art projects will be mounted in each school.

Art and Reading Together (ART) has been specifically designed for first graders from the Bradley School in District Eight and remedial second graders from the Hernandez School in District Five to increase their reading, writing and visual communication skills, as well as increasing their understanding about their own and other's backgrounds. This program will be presented by two language arts specialists (one bilingual), one visual arts specialist and one storyteller from the Neighborhood Arts Center. Art and Reading Together will take place at the Neighborhood Arts Center workshop in weekly, two-hour sessions for twenty-five weeks. Students will hear stories, discuss stories, and then read, write and illustrate stories. The stories utilized will focus on curriculum themes and the participating children's ethnic heritages. A program beginning with letter recognition and sound, and enriched by visual activities, will sequence through words and then into phrases; towards the end of the program, sentences will also be introduced. Parent involvement will include beginning orientation sessions, three oral history presentations and a final cultural celebration at the end of the program.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Bos-

ton School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 86-9D.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Massachusetts Institute of Technology, Cambridge. The contract shall be in effect during the period of October 11, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$81,469, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. Massachusetts Institute of Technology's portion as is related to that amount is \$81,469.

The contractor will provide the instructional services to the Mario Umana High School of Science and Technology as follows:

Direct services to the Mario Umana students; Students Tutoring Students — Mario Umana seniors will tutor limited English, proficient Hispanic and Chinese students. MIT will assist in the training of the students and the development of the activities; MIT will recruit and train a teacher to assist students who are below grade level to increase their basic skills scores through the use of computer assisted instructors; organize and implement a writing/arts program for the talented and gifted; plan and implement a technology insight program; employ a science aide to assist seventh and eighth grade teachers to teach their students lab techniques; prepare and give SAT prep classes and financial aid assistance; — Planning Assistance: assist the headmaster and the Science Department evaluate and upgrade the aviation technology offerings; recruit and hire a parent liaison to assist the Umana Parent Council carry out its functions.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Boston College, 140 Commonwealth Avenue, Chestnut Hill. The contract shall be in effect during the period of October 11, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$153,546, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. Boston College's portion as is related to that amount is \$153,546.

The contractor will provide the instructional services for District III Elementary, Middle and High Schools:

Implement: a study skills program at West Roxbury High School for fifteen subject area teachers through a late summer workshop and ongoing assistance throughout the school year; a public speaking program for seventh grade English and bilingual students at the Irving Middle School; and a forum for concerned parents consisting of six forums for district elementary school parents.

Prepare, print, and disseminate five issues of the Parent Outreach Newsletter district-wide.

Hire six parent outreach liaisons to assist the Lee Elementary and the Shaw and Lewenberg Middle Schools in all activities relating to student recruitment and attracting nonminority students.

Conduct two computer literacy workshops for parents at the Lewenberg Middle; a monthly series of guest speaker/career awareness mini-lectures at the Irving, Lewenberg, and Shaw Middle Schools for sixth, seventh and eighth grade students; a writing program of all fifth to eighth grade District III students; a mathematics program and inservice training for teachers and parents at the Irving, Lewenberg, and Shaw Middle Schools.

Provide technical assistance and ongoing support to the fourth to sixth grade classes at the Lee Elementary and Irving Middle Schools; peer tutoring/enrichment program at the Irving Middle School; TAG programs at the Bates, Beethoven, Lee, and Sumner Elementary Schools; AIP programs at the Irving, Lewenberg, and Shaw Middle Schools; and the reading language arts program at the Lewenberg Middle School.

For District IV at the Channing, Chittick, E. Greenwood, P. A. Shaw, and Taylor Elementary, Rogers and Thompson Middle, and Hyde Park High Schools:

Provide onsite inservice, technical assistance, and consultant services to the skill monitoring program district-wide; conduct a series of ten staff development workshops in math and reading remediation and provide follow-up technical assistance onsite; serve as a resource and consultant to school personnel in the academic parity program, in the parent training sessions, and in the basic skills clinic at Hyde Park High School.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial

Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 86-4D0004.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the New England Conservatory of Music, 290 Huntington Avenue. The contract shall be in effect during the period of October 28, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$11,507, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. The New England Conservatory of Music's portion as is related to that amount is \$11,507.

New England Conservatory will provide instruction on brass instruments to approximately thirty students at the Philbrick School. These students will receive group and private instruction, general music theory and special coaching in the marching band. This program will run for a period of twenty-seven weeks.

The New England Conservatory of Music will provide instrumental lessons to an integrated group of approximately thirty students at Hyde Park High School. These lessons will take place twice a week in small group classes. This group will be trained to perform in our jazz band and our gospel choir. Various concerts will be scheduled throughout the city to provide a positive image for our students. Performances will also take place at the elementary and middle school level to provide a comprehensive music program for District IV. New England Conservatory will also provide basic music theory, reading techniques, improvisational techniques and general history about some of the music indigenous to American culture.

Chittick Elementary and Rogers Middle School — a general music appreciation program will be provided for the student body in singing, eurhythmics and movement, recorder, listening appreciation and activities utilizing hand percussion instruments. Selected students in grades 4 through 8 will receive instruction in brass instruments on an individual basis. An in-house performing organization will be developed and a feeder program will be implemented for the middle school's performing organizations. Special needs students will receive individual hands-on instruction to reinforce efforts to mainstream them into a general student activity. Special musical concerts will be conducted and performed by the New England Conservatory staff for the student body to increase their music appreciation, to provide enrichment and to demonstrate role models.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 Project No. 86-3D and 4D.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Roxbury Multi-Service Center, 317 Blue Hill Avenue, Roxbury. The contract shall be in effect during the period of October 30, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$80,821, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. Roxbury Multi-Service Center's portion as is related to that amount is \$80,821.

The contractor will provide the instructional services as follows:

For Boston Latin Collaborative:

Direct services to up to 125 minority seventh grade students at Boston Latin High School; individual, group and family counseling to high risk students referred by the Summer Enrichment Program and to others whose poor school adjustment and repetitive academic failure indicate a need for the program's services; provide individual counseling to thirty to thirty-five minority students per week, five days a week, seven hours a day; a series of six, two-hour, in-service workshops for all faculty focused on current issues related to students from a multi-cultural perspective; family intervention to increase parental involvement in educational programs and to deal with family conflicts that interfere with student's adjustment in school.

For reading skills:

Initial and ongoing recruitment of students; a total of ninety-eight hours of reading and math tutoring weekly to 100 students grades K-12 who are reading below grade level; testing of students upon entry into the program and subsequent testing at three-month intervals; ongoing contact with students/teachers to establish continuity between reading skills lab staff and appropriate Boston Public School teachers; monthly parent-tutor conferences; six multicultural events for parents and students.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under

chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Community Music Center of Boston, Inc., 48 Warren Avenue. The contract shall be in effect during the period of October 28, 1985, to May 15, 1986, and shall occur at a cost not to exceed \$77,390, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. The Community Music Center of Boston's portion as is related to that amount is \$77,390.

The contractor will provide the instructional services as follows:

District I: A twenty-five week program of services in student enrichment and staff development for bilingual and monolingual classes in music at the second grade level; continuation of developing methods of integrating music in a multicultural approach into the curriculum; multicultural performances in December through June by the students involved in the program as part of Community Music Center of Boston's Inter-District Festivals and National Music Week in Boston. Parents will participate as chaperones and audience.

District II: A twenty-five week program of services in student enrichment and staff development for bilingual and monolingual classes in music, grade 1-5. Instruction will include eurhythmics, recorder, percussion instruments, and ensemble and choral groups; multicultural performance as under District I.

District III: A twenty-two week program of student enrichment in the performing arts (music, drama, dance), grades 6-8; integration of the performing arts in a multicultural approach; multicultural performances as under District I.

District IV: Same program description as District II.

District VII: A twenty-two week program of services in students' enrichment and staff development for bilingual and monolingual students at the Quincy School in music; program as in District II.

District IX: A twenty-two week program of services in student enrichment and staff development for bilingual and monolingual classes in music and movement, grades K-5; same program description as District II.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under

chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, Project No. 86-9D.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Institute for Self Active Education, Boston. The contract shall be in effect during the period of October 28, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$29,000, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. The Institute for Self Active Education's portion as is related to that amount is \$29,000.

The contractor will provide the following instructional services:

A recycling center will be established at the Kenny School. A project facilitator will supervise the center, conduct workshops for teachers, provide direct in-classroom instruction to students and gather recyclable materials from various manufacturing sites and businesses. The program supplements poorly equipped classrooms with a ready supply of free materials which will be used for creating art projects and other hands-on manipulative learning tools.

Approximately 2,000 students and eighty teachers will participate in the program. One of the main objectives of the program is for students from different races and ethnic groups to work together to solve problems. Using these interesting and available byproducts and materials, teachers and parents provide students with activities designed to develop basic skills in number concepts, mathematical relationships, language arts and problem solving.

The same number of students will, through program activities, learn to work cooperatively and will develop a more positive self-concept. It is important to note that students of all categories (regular education, special education, bilingual, gifted and talented) will participate in the program.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 86-5D-0005.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Kodaly Center of America, a corporation located at Newton.

The contract shall be in effect during the period November 15, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$3,000, which I have deemed to be reasonable.

Under the terms of the contract the contractor will provide the following instructional services at the Sarah Greenwood School: a Kodaly model program of thorough sequential instruction in reading, writing, and sight singing music will be conducted for all children in the school including Spanish bilingual classes. A student chorus will perform for the general public once during the school year at a downtown location.

The contractor is specially qualified to provide the above services because Kodaly is a unique and specialized method of music training. The Kodaly Center of America is the only independent teacher training center in the country which specializes in the training of Kodaly music teachers and the supervising of Kodaly music programs in schools and colleges.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Special Educational Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to The Pike School, Inc., NH, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$56,029, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially is \$18,676.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Refunds will be made to those returning the documents in satisfactory condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth of Massachusetts and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for Site Preparation Contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws c. 30, sect. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 304 of the General Conditions of the contract.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, non-discrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, on January 14, 1987, at 10:30 a.m. in Room 901.

The Authority reserves the right to reject any or

all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass.

The City of Boston, acting by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass."

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment necessary to repair stone wall entranceway. Estimate cost of construction \$100,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, January 20, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 5, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 13, 1987, at 10 a.m., Boston time.

PUBLIC FACILITIES DEPARTMENT

The Joseph M. Smith Community Health Center, hereinafter referred to as the Awarding Authority, through funding from the Public Facilities Department, under support from the Community Development Block Grant, invites contractors to bid the following project:

Site: The Joseph M. Smith Community Health Center, 51 Stadium Way, Allston, MA 02134.

Scope of Work: Vinyl and carpet flooring and plumbing.

Time and Place for Filing Bids: ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on January 21, 1987, at which time and place respective bids will be opened forthwith and read aloud. Contractors planning to submit bids should plan to attend a prebid meeting specifying the extent of the renovations. The prebid meeting is scheduled as follows: 51 Stadium Way, Allston, MA 02134, January 14, 1987, noon.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about January 7, 1987, at the Joseph M. Smith Community Health Center, 51 Stadium Way, Allston, MA 02134, through Marie McCarthy, or through the Dodge Bulletin. All interested parties must present a \$25 certified check, payable to the Joseph M. Smith Community Health Center, for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check made payable to the Joseph M. Smith Community Health Center.

The attention of all bidders is specifically directed to the fact that this is a federally assisted project and, therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. T4CN06, SUBWAY VENTILATION IMPROVEMENTS — SHAFTS G-12, G-14, G-15, and G-16, BOSTON, MASSACHUSETTS (Class 1 — General Transit Construction or Class 7, Buildings, Project Value \$8.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on January 22, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of the repair and rehabilitation of existing subway tunnel ventilation and escape facilities and the construction of additional new facilities at four locations on the Green Line in the City of Boston, Massachusetts, as shown on the drawings.

This contract is subject to a financial assistance contract between the MBTA and the U.S. Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification of this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after December 25, 1986, Monday through Friday, at a charge of \$100 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 11 percent and WBE 2 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and

will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Contractors must perform this work under the Fair Labor Standards Act (Federal Wage-Hour Law) as well as all other applicable labor laws.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Donald J. Burns, 275 Dorchester Avenue, Trailer 2, South Boston, MA 02127, Telephone: (617) 722-5593. A prebid conference will be held on January 8, 1987, at 10 a.m., at the above office. Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement, or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at 45 Nashua Street and 36 Accolon Way, for the term of one (1) year beginning February 1, 1987, and ending January 31, 1988, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Nashua Street/Accolon Way Parking Facility may be obtained daily (except Saturdays, Sundays, and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston, for a non-refundable fee of twenty-five dollars (\$25), for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at 45 Nashua Street and 36 Accolon Way, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m., on Thursday, January 22, 1987, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000), made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

MAYOR FLYNN ANNOUNCES PILOT LOADING ZONE POLICY

Mayor Raymond L. Flynn has announced a new loading zone policy for a pilot area in the downtown business district bordered by Tremont, Congress, Court, and Franklin Streets. The new regulations went into effect on Monday, January 5th, for a sixty-day trial period.

The pilot program, the result of a three-month study, is designed to increase the amount of curb space used for loading purposes and to consolidate loading zone areas, according to Transportation Department officials.

"Centrally located zones will make it easier for commercial vehicles to make deliveries and for merchants and businesses to receive goods. Having loading zones consolidated on each block will also make it easier for the Police and Transportation Departments to enforce regulations," said Mayor Flynn.

The study conducted for the Transportation Department found the city's loading zone supply adequate but improperly utilized. The study found that loading zone areas are most effective when they are not situated near curb space zoned for general parking which often leads to abuse by non-commercial vehicles.

Transportation Commissioner Richard Dimino said, "The primary objective of changing the loading zone policy is to make the most rational and effective use of curb space in the downtown area where commercial activities are intense. The existing procedure of individual merchants paying an annual fee for loading space in front of their businesses does not meet the needs of all businesses, nor is it an effective use of curb space."

The following is the fact sheet on the Loading Zone Pilot Program.

Introduction

Effective Monday, January 5, for a sixty-day trial period, the Boston Transportation Department has instituted a new loading zone policy in a pilot area in Boston's downtown business district bordered by Tremont, Congress, Court, and Franklin Streets.

Rationale

This pilot program is the result of a study, recently conducted for the Transportation Department, which analyzed the city's existing loading policy and the

actual utilization of curb space on streets within a portion of Downtown Boston. The three-month study concluded that although the city's loading zone supply is adequate (demand never exceeded 75 percent of supply at any hour of the day on any of the streets surveyed), the existing policy encourages both the placement of loading zones in areas that are less than optimal, as well as reducing the improper use of loading zones by non-commercial vehicles. The study also concluded that loading zones are most effective when they are not situated near curb space zoned for general parking.

Key elements of the program include:

- Consolidated and strategically placed loading zone locations;
- 2,250 additional feet of loading zone space;
- A decreased time limit for loading activities;
- New loading zone signs;
- The elimination of loading zone fees;
- Increased enforcement of loading zone regulations;
- Daytime and peak-hour restrictions for loading activities.

Objectives

The primary objectives of the pilot program are:

- To develop a comprehensive loading zone policy which represents the delivery needs of the targeted business community;

- To increase the availability of short-term curb space for commercial vehicles; and
- To reduce congestion and improve traffic flow by adding and enforcing peak-hour restrictions and by eliminating double parking violations in the downtown area.

Implementation Strategy

For a sixty-day trial period, which began January 5, the department will implement revised loading zone regulations. All old loading zone signs will be replaced with new signs within the pilot area. This newly designed sign displays a loading zone graphic, states the hours that the loading regulation is in effect, indicates a thirty-minute time restriction for loading zone use and clearly defines that the area is to be used solely by commercial vehicles. By clearly defining loading zone use on the sign, a decrease is expected in the improper use of loading zones by private passenger vehicles. The reduced time restriction from the existing one-hour limit to the proposed thirty minutes is intended to:

1. Increase turnover at loading zones, thereby increasing supply and the availability of curb space; and
2. Decrease traffic congestion by eliminating double parking and the need for drivers to search for available delivery space.

The Transportation Department plans to utilize larger, consolidated areas for loading needs to accommodate the activity of all businesses on a block rather than existing practices whereby individual merchants request many small loading zones. Most loading zones in the program's pilot area, with the exception of those designated for specific use such as hospitals, hotels, etc., will be

installed and maintained free of charge by the Boston Transportation Department.

An additional 2,250 feet of loading zone space will be added to the existing 6,350 linear feet. The additional footage will be located at:

Court Square, at rear of One Boston Place, 200 ft.

Province Street, from School to Bromfield, 280 ft.

Beacon Street, Bowdoin to Somerset, 300 ft.

Washington Street, from Avery to West, 350 ft.

Franklin Street, from Arch to Hawley, 160 ft.

Hawley Street, from Franklin to the Dead End, 100 ft.

Hawley Street, from Milk to the Dead End, 200 ft.

Arch Street, from Hawley Place to Milk Street, 200 ft.

Devonshire Street, midblock between Milk and Franklin, 200 ft.

Devonshire Street, from State to Water, 200 ft.

Milk Street, from Arch to Devonshire, 60 ft.

Enforcement Strategy

The pilot program's enforcement strategy is twofold. A concentration of Parking Enforcement Officers will be assigned to the pilot area to ticket all unauthorized, non-commercial vehicles parking in loading zones, those vehicles which are double parked, and those vehicles exceeding the thirty-minute time restriction. A fleet of seventeen Boston Transportation Department tow trucks will enforce the regulations of the Loading Zone Program while continuing to actively monitor the Traffic Relief Program on Congress, Tremont, and Arlington Streets.

Peak-Hour Restrictions Added

State/Court Sts., Congress to opp. Court Square, no stopping 4 to 6

MAYOR FLYNN NAMES JULY FOURTH ORATOR

Mayor Raymond L. Flynn has announced that historian Allen Weinstein will be the city's July Fourth Orator at Faneuil Hall. The annual event is part of the City of Boston's Independence Day Celebration.

The topic of the oration will be "American Liberties and the U.S. Constitution: A Boston View of the Bicentennial." Weinstein is a member of the city's Bicentennial Commission on the U.S. Constitution. He is a university professor and a professor of history at Boston University and is president of the Center for Democracy, a nonpartisan institute associated with BU. He received the United Nations Peace Medal last October which recognized his "efforts to promote peace, dialogue and free elections in several critical parts of the world."

In announcing his selection as July Fourth Orator, Mayor Flynn singled out Dr. Weinstein for his contribution to the city as chairman of the Academic Advisory Committee to Boston's Bicentennial of the Constitution Committee.

"I have known Allen Weinstein to be a patriotic and dedicated American who is committed to fostering our democratic way of life at home and abroad. He is an articulate advocate for the highest ideals of this republic and I am confident that people young and old will benefit from his oration at Faneuil Hall," said Mayor Flynn.

"I can think of no finer person to address the people of Boston on the topic of our Constitution. In 1987, we will celebrate the Bicentennial of this great document, this living legacy of what freedom and democracy are all about," continued the Mayor.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

PENAL INSTITUTIONS DEPARTMENT

November 17, 1986.

Mr. Robert Consalvo,
Supervisor of Personnel.

Dear Sir:

On August 20, 1986, Mr. George D. Romanos was provisionally appointed to the position of Deputy Penal Commissioner at the Penal Institutions Department.

Prior to this appointment, Mr. Romanos served as Superintendent of the Suffolk County House of Correction for more than one (1) year. Mr. Romanos did an outstanding job in this position; and during the period of time that he served as the superintendent of the Suffolk County House of Correction at Deer Island, the operation of the institution improved significantly.

Mr. Romanos is a graduate of Boston University with a Ph.D in Philosophy. Prior to his employment with the city, Mr. Romanos had more than nine (9) years' experience in law enforcement and management as an employee of the Massachusetts Department of Correction.

Because of his background and experience, it is respectfully requested that his fifth- and sixth-year increments in the position of Deputy Penal Institutions Commissioner be determined under Rule 15(F) of the Classification and Compensation Plan for officers and employees of Suffolk County, effective August 20, 1986.

Sincerely,
ROBERT G. WALSH, Jr.,
Commissioner.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

PENAL INSTITUTIONS DEPARTMENT

November 19, 1986.

Mr. Robert Consalvo,
Supervisor of Personnel.

Dear Sir:

On September 3, 1986, Mr. Chester Broderick was appointed Deputy Penal Institutions Commissioner of the Penal Institutions Department.

Mr. Broderick has been an employee of the City of Boston for over thirty (30) years, serving with the Boston Police Department and the Office of Labor

Relations; and during this period of time, Mr. Broderick has acquired exceptional skills and expertise in the field of law enforcement, labor relations and management. It should be noted that Mr. Broderick's salary as a Deputy Commissioner is \$533.74 per week; but as a Principal Administrative Assistant in the City of Boston's Office of Labor Relations his salary was \$716.68 per week. An individual should not receive a serious cut in salary when he receives a promotional increase in responsibility.

In view of Mr. Broderick's prior, qualified and creditable service, it is respectfully recommended that his second-, third-, fourth-, fifth-, and sixth-year increment be determined under Rule 15(F) of the Classification and Compensation Plan for officers and employees of Suffolk County, effective September 3, 1986.

Sincerely,
ROBERT G. WALSH, Jr.,
Commissioner.

FIRE DEPARTMENT ORDERS

December 24.

General Order No. 46

I. TRANSFERS

The following-named members will be transferred, effective 0800 hours, Saturday, December 27, 1986:

Fire Captain Joseph M. Gilmore, Jr., Ladder Co. 21, to Ladder Co. 11.

Fire Lieutenant Martin J. O'Brien, Jr., Engine Co. 4, to Engine Co. 8.

Fire Lieutenant Robert F. Buckley, Ladder Co. 11, to Engine Co. 29.

Fire Lieutenant John F. Kenney, Headquarters, to Engine Co. 33.

Fire Lieutenant Joseph T. McDonnell, Fire Prev., to Engine Co. 37.

Fire Lieutenant Walter Porter, III, Engine Co. 56, to Engine Co. 51.

Fire Lieutenant Paul T. Burke, Headquarters, to Ladder Co. 15.

II. HIGH COMMENDATIONS

On November 12, 1986, at 0345 hours, Engine Company 7 responded to a still alarm, AFA signal, for an alarm of fire at 78 Charles Street South, the Milner Hotel.

Upon arrival, heavy fire and smoke were reported from the fourth floor rear.

Engine Company 7 advanced a 2-1/2-inch line via the interior front stairwell to the fourth floor where the members encountered heavy fire.

Before the line was charged, Fire Fighter Robert M. Linnell of Engine Company 7 heard screams from an upper floor. He proceeded to the fifth floor which was heavily charged with smoke. Fire was extending up from the fourth floor via an outer court and a light shaft.

Fire Fighter Linnell made his way down the fifth floor hallway directly above the heavy fire and entered a room where he believed the cry originated. After crawling to a window, he observed a woman holding a year-old child in one arm and an infant in the other at the edge of a roof. This woman had jumped from the roof of the fire building to an adjacent roof at 74 Warrenton Street. The woman had walked the ridge pole and apparently slipped or panicked and slid down the roof which had a 50 degree pitch.

Fire Fighter Linnell immediately removed his air mask and leaped out of the window which was in line with the edge of the pitched roof. He landed on his stomach and crawled across the roof some 20

feet until he reached the distraught woman and children. The woman had stopped her fall when her feet hit the gutter. Fire Fighter Linnell managed to hold each of the children and calm the woman who, in the opinion of fire, police officers and bystanders, was intent in jumping until the arrival of Ladder Company 15 who removed them to safety.

Because Fire Fighter Robert M. Linnell of Engine Company 7, by his quick action and at extreme personal risk to his own life, saved the lives of the woman and two children, the Fire Commissioner is pleased to highly commend him and refers his case to the Board of Merit for further consideration.

On November 12, 1986, at 0345 hours, Ladder Company 17 responded to a still alarm, AFA signal, for an alarm of fire at 78 Charles Street South, the Milner Hotel.

Upon arrival, Ladder Company 17 noted heavy smoke showing from the upper floors. Box 1512 was transmitted. Three alarms were eventually struck to control the fire and life hazard.

While ladders were being raised, Fire Fighter Reynolds A. Shepherd, Ladder Company 17, was ordered to the fourth floor where heavy fire and smoke were encountered from rooms to the left of a long corridor. Fire Fighter Shepherd heard screaming from the end of this corridor. He made his way down this hallway, past the fire in rooms to his left. Near the end of this passageway, he found a woman and two infants. They were in a desperate state. He carried the two children and led the woman back down the corridor, past the fire, to safety via the stairway to the street.

Because Fire Fighter Reynolds A. Shepherd, Ladder Company 17, performed these rescues at great personal risk and under extremely difficult conditions, before effective ventilation had been performed and while lines of hose were being run, the Fire Commissioner is pleased to highly commend him and refers his case to the Board of Merit for further consideration.

III. COMMENDATION

Acting Deputy Fire Chief John A. Lockhead, all uniformed personnel and the fire alarm operating force, who participated in operations at Box 13-1283 (six alarms) on December 9, 1986, are commended for extraordinary performance of duty under extremely difficult conditions.

Special notice is made of Fire Lieutenant Francis L. McLaughlin, Engine Company 42, and Fire Fighter David C. Johnson, Engine Company 50, who voluntarily climbed up a blind elevator shaft approximately 50 feet above the basement and entered through the top of the elevator to reach two female occupants. They then hoisted up manual tools, opened the elevator doors, broke through the wall into the corridor and assisted the women to safety.

IV. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to circuit card 33:

12-7146 — U.S. Post Office, 420 E Street.

V. FIRE ALARM BOXES ESTABLISHED

The following-numbered fire alarm boxes will be installed in the near future and company commanders shall add them to UAAB assignment cards. The circuit numbers will be announced when the boxes are installed.

12-2977 — Highview Park, 4971 Washington St.

12-2722 — Office Building, 1010 Massachusetts Ave.

VI. CHANGES IN DESIGNATION OF FIRE ALARM BOXES

The designations of the following-numbered fire alarm boxes have been changed to read as follows:
12-4124 — City Square Housing, 42 Park Street.
12-518 — Allston-Brighton Aid and Health Group, Inc., 77 Warren Street.

Company commanders shall make the above-mentioned changes to UAAB assignment cards.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

SCHOOL DEPARTMENT Recruitment Efforts, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Stonehill College, North Easton. The contract shall be in effect during the period of October 28, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$34,522, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Stonehill College's portion as is related to that amount is \$34,522.

The contractor will provide the following services: seminars and workshops to develop leadership skills for middle school students; assist in the development of magnet program for P.A. Shaw Elementary School; serve as a resource for recruitment efforts in Area B schools, especially P.A. Shaw's recruitment effort; administrative coordination of all programs furnished by Stonehill College for Area B.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge, W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, Project No. 86-4D.

Very truly yours,
Laval S. Wilson,
Superintendent.

Evaluation Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Public Affairs Research Institute, a corporation located at 12 Frost Street, Arlington.

The contract shall be in effect during the period December 10, 1985, to September 30, 1986, and shall occur at a cost not to exceed \$4,495, which I have deemed to be reasonable.

Under the terms of the contract, the contractor will provide the Title VII project with evaluation services for Project I.D.E.A.L. These services will be provided according to the following schedule: Phase I, Planning; Phase II, Implementation Evaluation; Phase III, Progress Evaluation; Phase IV, Outcome Evaluation.

Implementation of this phased evaluation will require that the following tasks be provided by the contractor: planing/design, instrumentation development, on-site interviews and observations, training courses review, data analysis, and preparation of reports.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Miscellaneous Programs

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Cambridge College, Cambridge. The contract shall be in effect during the period of October 28, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$56,039, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Cambridge College's portion as is related to that amount is \$56,039.

The contractor will provide the following services:

Will work in conjunction with school administrators and faculty to implement discipline and safety procedures; alternative education instructor and 636 coordinator will expand the Progressive Educational Alternatives at the King School project for selected students at risk. The project will span seventh and eighth grade students and be racially balanced from Oct. to June; the contractor and Curriculum Center staff will work with advanced work class teachers to enhance the sixth grade gifted and talented student body from Oct. to June; Cambridge College personnel will be the primary liaison between parents, administration and faculty and will coordinate all services to parents and community with parents being encouraged to participate; daily curriculum center management by Curriculum Center coordinator, 7:30 to 3:30, Mon. to Fri., Oct. to June; team of three consultants/professional actors from Little Flagg Theatre will provide theatre arts programming to sixth to eighth graders, involving seventy students and ten faculty members during Dec. to Feb.; maintenance of racial imbalance regarding student enrollment by production and dissemination of a school brochure (in English and Spanish) for the parents of all graduating fifth graders within the BPS system in March/April; the contractor will work with King School administration and faculty to develop and implement a broad array of student leadership projects which will include at least 70 percent of the student body from Oct. to June; the contractor and Curriculum Center staff will work in conjunction with all teachers to provide multicultural education infusion, and resource materials development/procurement in their content areas. Curriculum Center services will be available daily to sixty teachers to meet the needs of 485 students in their respective content areas from Oct. to June; the contractor and Curriculum Center staff will work in conjunction with four bilingual teachers to meet the educational

needs of 108 bilingual students, through resource material procurement, and inclusion in all 636 projects; PEAKS instructor and 636 staff will work in collaboration with computer science teacher to pilot a computer resourced remediation program to twenty PEAKS students in order to promote student motivation to learn. This program will occur two times a week, double periods from Oct. to June; the contractor will work in conjunction with two outside consultants to provide multicultural/interpersonal skills workshops for faculty, students, and parents. These will be hands on sessions (three sessions per day) available to thirty-five participants each from Oct. to May; all 636 personnel will participate in school-wide and parent involved multicultural assemblies and events from Oct. to June.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636, 1974 Amendments to the 1965 Racial Imbalance Act, in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,
Laval S. Wilson,
Superintendent.

Copy System Lease and Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to A.B. Dick Company, Waltham, for the period November 1, 1985, to June 30, 1986, at a cost not to exceed \$4,251.84.

Under the terms of the contract, the contractor will furnish a lease for one A.B. Dick copy system, in addition to a one-year maintenance agreement. Costs of the lease and maintenance agreement will be paid from external funds under the Neighborhood Development Agency.

Under state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on the state awards. Since the above-named company was the lowest acceptable bidder on publicly advertised bids for copy machines for the Commonwealth of Massachusetts and existing contracts with the Department of Finance and Administration; they are a responsible firm and they are qualified to fulfill the requirement of their contract; and the price is reasonable, it is my opinion that public interest would not be served by publicly advertising for bids.

Very truly yours,
Leo J. Burke,
Business Manager.

Teacher Networking Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Boston Educational Development Foundation, Inc., 26 Court Street. The contract shall be in effect during the period of October 11, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$33,000, which I have deemed to be reasonable. On June 25, 1986, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Boston Educational Development Foundation, Inc.'s portion as is related to that amount is \$33,000.

The contractor will administer the IMPACT I Teacher Networking Program which awards grants to Boston Public School teachers to support them in the achievement of improved instruction, quality educational opportunity for children, and other goals of desegregation as stated in chapter 636 program guidelines. IMPACT II will award two types of grants: Documentation Grants (sixteen grants of \$500 each) which support the documentation and dissemination of classroom-based programs; Adaptation Grants (100 grants of \$250 each) which support teachers in the adoption and adaptation of successful programs in their classrooms. All IMPACT II grants will be monitored, evaluated and fully documented, programmatically and fiscally by the end of the contract period.

The Boston Educational Development Foundation is uniquely qualified to provide these services because it has been expressly established for the purpose of improving educational opportunities for the students of the Boston Public Schools by developing and providing for innovative educational and staff development programs and by assisting and facilitating management operations and program implementation. The foundation is in a singular position to facilitate and expedite the implementation of the chapter 636 IMPACT II grant as has been demonstrated previously by its ability to respond in an efficient and timely way to program needs.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, Project No. 86-BC-0104.

Very truly yours,
Laval S. Wilson,
Superintendent.

Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to St. Mary's School/Centaum, St. Margaret's Hospital for Women, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71 (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$70,000, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially \$20,100.

The facility will provide thereunder education services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to Nazareth, Jamaica Plain, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$8,000, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially is \$4,000. The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Bilingual Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Federated Dorchester Neighborhood Houses, a corporation located at 985 Dorchester Avenue, Dorchester.

The contract shall be in effect during the period October 1, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$10,000, which I have deemed to be reasonable.

Under the terms of the contract, the contractor will integrate bilingual students into the general program, promoting integrated student leadership, and reducing disparity in academic achievement. Counseling in career awareness is provided by a team of three, full-time teachers. This program consists of a five-day week, Monday-Friday, from 8:30 a.m. to 1:30 p.m. at a daily rate of \$55.55.

The contractor is specially qualified to provide the above services because it is the sole conduit identified by the state for all funds directly related to this program. The program has successfully operated at the above location for the past ten years.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools,

I request your authorization for the award of a contract to Young Audiences of Massachusetts, Inc., a corporation located at 74 Joy Street.

The contract shall be in effect during the period October 1, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$17,000, which I have deemed to be reasonable.

Under the terms of the contract, the contractor will provide the following services: 150 programs will be presented by the performing ensembles on the Young Audiences roster in the Boston Public Schools in grades 3, 4, and 5 and to the twelve middle schools without a music program. A program consists of a forty-minute presentation by an accredited performing ensemble ranging in size from a solo performer to a quintet. The cost of each performance shall be \$113.33.

The contractor is specially qualified to provide the above services because Young Audiences is a nationally recognized organization using only highly trained professional artists who must adhere to national standards. It is the only organization in the Boston area capable of presenting concerts and performances aimed at all grade levels in public schools and has over thirty years experience in this field.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Vocational Assessment, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Norman Hirsch, Sc.D. an individual residing at Bedford.

The contract shall be in effect during the period November 1, 1985, to August 31, 1986, and shall occur at a cost not to exceed \$5,400, which I have deemed to be reasonable.

Under the terms of the contract the contractor will design a procedure of assessing vocational development and work behavior patterns for deaf adolescents; develop a model for the Horace Mann School of vocational assessment, exploration, development and placement for students in grades six to twelve; coordinate the assessment and development of vocational skills for approximately fifteen targeted students in grades six to twelve at the Horace Mann School; design a method to increase work attitudes, appropriate vocational selection, and provide successful job development and placement for multihandicapped/deaf adolescents; consultant will provide bimonthly consultation, in-service training, and will coordinate the implementation of the above procedures to the Horace Mann School staff.

The contractor is specifically qualified to provide the above services because he has extensive experience with the education of deaf students in vocational programs, and has expertise in designing vocational assessment, development, and rehabilitation models. Dr. Hirsch has extensive experience in adapting vocational rehabilitation designs for deaf students and has familiarity with communications deficits and methods (sign language) with deaf students. Dr. Hirsch was the only consultant referred by the organization of rehabilitation counselors. He has had past involvement with students at the Horace Mann School and is a member of the Horace Mann Advisory Commission.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Language Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Robert C. Parker, an individual located at 89 Pembroke Street.

The contract shall be in effect during the period January 1, 1986, to December 31, 1986, and shall occur at a cost not to exceed \$25,000, which I have deemed to be reasonable. Mr. Parker will be compensated at the rate of \$100 per day.

Under the terms of the contract, the contractor will continue the development of the next stage of the K to 12 English as a second language curriculum program and provide training to staff and teachers.

The contractor will provide workshops for ESL teachers and visit the schools to assist the teachers in implementing the new ESL curriculum in the classroom. He will provide principals, department heads, directors of instruction, and chapter I personnel with workshops and technical assistance in implementing the ESL curriculum in the schools.

The contractor is specially qualified to provide the above services because he is a nationally known expert in the field of English as a second language who provides technical assistance to state departments and school districts, designs and evaluates ESL and bilingual programs, trains teachers and administrators, and develops and pilots ESL curricula for local school systems in the United States, Canada, and Europe.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

TREASURY DEPARTMENT

Bond Coverage

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Bernard R. Baldwin, an insurance agent, located at 274 Summer Street, for bond coverage for the Treasury Department.

Under the terms of the contract, the contractor will provide bond coverage for the Collector-Treasurer, four Assistant Collector-Treasurers, and all employees of the department. The contractor is specially qualified to do this work because they have been in the business for over thirty years.

Compensation under this contract shall not exceed \$10,150, which I have determined to be reasonable for the work to be performed. The term of the contract shall be from August 1, 1985, to June 30, 1986.

Because Bernard R. Baldwin is especially qualified in the area of municipal bonding and because the firm has serviced the Treasury Department for

over twenty years, I believe that public advertising would serve no useful purpose.

Respectfully,
George A. Russell, Jr.,
Collector-Treasurer.

SUFFOLK COUNTY REGISTRY OF DEEDS

Data Processing Programs, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Computer Assistant Inc., Wellesley, for services as a consultant and data processing programmer. The terms of this contract will be October 1, 1985, through June 30, 1986, at \$60 per hour by appointment; \$250 minimum for four hours for emergency calls; with a cost not to exceed \$4,000.

This firm has been recommended by IBM and has done some preliminary emergency work on our computer programs. They have demonstrated their availability and their specialized knowledge necessary to keep our programs running and to make needed improvements and modifications.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

We hope for your approval on this matter.

Very truly yours,

Paul R. Tierney,
Register of Deeds.

Invitation for Bids for Furnishing and Installing New Carpeting at East Boston High School, 86 White Street, East Boston, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Furnishing and Installing New Carpeting at East Boston High School, 86 White Street, East Boston, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Tuesday, January 27, 1987, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Tuesday, January 13, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment necessary to repair stone wall entranceway. Estimate cost of construction \$100,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, January 20, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 5, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 13, 1987, at 10 a.m., Boston time.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Boarding and Securing, Project No. 25-CI-ABU (A-D), City Funds.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

33 Bradston Street, Ward 8
152 Quincy Street, Ward 11
62 Perrin Street, Ward 12
61-63 Clayton Street, Ward 15

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, January 22, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30,

and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 25-CI-ABU (A-D)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the equal opportunity clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

NOTE: See Procurement Standards Circular No. A-102.

NO. 3

MAYOR FLYNN PROPOSES YOUTH PARTNERSHIP

Excerpt from State of the City on Youth Partnership

I am proposing the \$5 million-dollar Boston Youth Partnership. This commitment, along with additional public and private funds, would increase our current \$16 million-dollar investment in youth programs and services to \$23 million dollars over the next two years.

In 1986, our programs and services benefited over 85,000 of the city's youth. Our goal this year will be to serve 100,000. A key ingredient of this effort will be expanding upon our highly successful youth outreach initiative.

It is my intention that the programs that will be expanded or developed through this initiative have two goals:

1. To increase the capacity of programs that have proven to be successful at accomplishing one or more of the following for youth:
 - to increase their employment opportunities
 - to successfully complete schooling
 - to increase their health status
 - to increase their partnership in community programs and public affairs
2. To provide outreach and access to these programs for high-risk youth.

Highlights of the Youth Partnership:

Through the Youth Partnership, program expansions will be built on the working relationships that we have established with neighborhood organizations, the private sector, human service agencies, parents and youth. Toward this end, I will host a series of meetings with representatives of parent organizations, human service associations and collaborators, child welfare specialists, coaches, health care professionals, and the city's youth leadership. I believe that such a dialogue will generate essential interaction between those most knowledgeable about the city's youth.

Objectives:

1. To increase funding and support of youth outreach initiatives that

link youth with programs and services. Through the efforts described below we intend to make contact with, and provide information and advocacy to 10,000 youths throughout Boston's neighborhoods:

- to expand the existing Community Schools outreach program which is currently in four neighborhoods to every neighborhood in the city. We will sponsor dozens of street-workers through local community schools, recreation facilities, and private, nonprofit agencies;
 - to establish a "court diversion" component of the youth outreach initiative which will station youth workers in five district courthouses to work with first-time juvenile offenders and their probation officers. The goal is to prevent the development of long-term patterns of delinquency or criminal behavior;
 - to double the number of calls received by the "Teen Line" operated by Health and Hospitals in partnership with private foundations. The Teen Line provides information and assistance to teens with problems ranging from drug abuse to home violence;
 - to develop a comprehensive youth leadership program for fifty to one hundred Hispanic and Asian youths;
2. To increase access to jobs, job training and education. Specifically we seek the establishment of the following:
 - the creation of seven, neighborhood-based "JobStops" which

would offer job preparation and counseling referrals to jobs, job training programs, education and literacy programs, and information regarding financial aid, day care, and transportation services. These sites will provide assistance to 3,000 youths;

- expansion of the number of summer jobs by 500 this year, making 6,100 jobs available through the city's collaborative summer employment programs;
 - that 1,000 unemployed youths be linked to downtown employment opportunities through education and job training programs over the next twelve months.
3. To decrease the number of high school dropouts through the expansion of dropout prevention and re-entry programs.
 - to create 140 new seats for out-of-school, middle- and high-school-aged youths through the Boston Community Schools Alternative Education Programs;
 - to create 250 new seats for out-of-school, high-school-aged youths through the Mayor's Office of Jobs and Community Services alternative education providers;
 - to serve a total of 2,200 out-of-school and at-risk youths in conjunction with the School Department by providing basic skill instruction, GED preparation, remediation, and support services.
 4. The creation of the following drug abuse prevention and education programs using funding from the city and private sector.
 - providing mandatory school-based drug education to every fourth and fifth grader enrolled in Boston's public and parochial schools through a cooperative (Continued on next page)

Youth Partnership . . .

(Continued from previous page)

- venture, including the Boston public and parochial school systems, the Police Department, and Mayor's Office beginning this month;
- develop a partnership between the Chamber of Commerce, the Mayor's Office, and Boston Community Schools to provide drug abuse prevention and educational activities throughout the city's fifteen neighborhoods. These activities will become a mandatory requirement of new and existing youth activities and programs.
5. To increase recreational and athletic programs offered through the Community Schools, Parks and Recreation Department and Police Athletic League. We intend to accomplish the following over the next twelve months:
- reopening all the city's pools and bringing seven, closed recreational facilities back on line through our capital improvement program;
 - in conjunction with the Massachusetts Special Olympics Committee, establish the first City of Boston Special Olympics Program which will serve over 700 handicapped youths this year;
 - double the number of summer youth olympic and neighborhood field days sponsored by the Parks Department over the last year;
 - establishing new summer recreation programs through the Parks Department, including increasing Mayor's cup events from two to eight, a summer running program, and baseball clinics. The Police Athletic League will be complementing these activities through the "PAL Sportsmobile," which will provide activities for youths this summer, including block parties and recreational activities in neighborhoods and housing developments;
 - linking the Parks Department, Police Athletic League, and other recreational activities to our youth outreach and peer leadership programs.

6. To increase the capacity of existing health programs for youth through the following initiatives:

- implementation of a Violence Prevention Program based in the South Boston and Roxbury neighborhoods. This program will provide education to youths and organizations working with youths on means to prevent violence. As part of this campaign and in conjunction with the Advertising Club we will be launching a violence-prevention media campaign;
- expanding the Healthy Baby Program operated by the Department of Health and Hospitals which currently provides health care to high-risk pregnant women to providing followup and health care to high-risk infants for at least several years after their birth;
- implementation or expansion of programs that will prevent and treat child abuse, children born with AIDS or addicted to drugs;
- support the establishment of pilot, school-based health programs by the beginning of the new school year. Similar programs in other cities have proven successful in increasing health care services to adolescents, and in decreasing dropout rates due to teen

pregnancies. In order for this important program to be successful, it needs broad community support and involvement. A revision of the proposal by the Boston Human Services Collaborative, pending before the School Department administration, to remove dispensing of contraceptives within public schools will insure that this program can be implemented in a timely fashion.

Clearly, a proposal of this type is very timely. This city is ready to reach out and embrace every child, to connect each with the opportunity for a new and brighter future.

VI. HIGH COMMENDATIONS

On December 9, 1986, at 1740 hours, the Tower Unit responded to a Still Alarm for One Post Office Square, Box 13-1283 (six alarms).

Upon arrival, it was reported that several explosions were heard in the basement and that persons working in the electrical room may be trapped.

Members of the Tower Unit, Engine 10 and Rescue 1 descended down the stairway through heavy, black smoke, while explosions were continuing, to the sub-basement.

Fire Lieutenant Richard L. Hartnett and Fire Fighter on Probation Gregory J. Mackin of the Tower Unit heard a victim calling for help in the electrical switching gear room. They entered the room and made an intensive search down passageways lined with burning and exploding electrical equipment and with no visibility to assist them.

They located a semiconscious, seriously burned worker. While Lieutenant Hartnett removed his face mask and placed it on the victim, Fire Fighter on Probation Mackin made his way back to the room entrance and directed Lieutenant Hartnett with the victim back to safety.

Both of these members performed these duties under very hazardous conditions and at great personal risk. The Fire Commissioner is pleased to highly commend them and refers their cases to the Board of Merit for further consideration.

EXTENSION OF BID DATE

Invitation for Bids for Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby extends the bid date to January 27, 1987, instead of the proposed date January 20, 1987, to invite sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to the Entranceway Stone Wall, Evergreen Cemetery, Brighton, Mass."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment necessary to repair stone wall entranceway. Estimate cost of construction \$100,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, January 27, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 5, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each

Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 13, 1987, at 10 a.m., Boston time.

NOTICE TO CONTRACTORS

Invitation for Bids for Pruning and Trimming Trees in Allston/Brighton, Back Bay, the Fenway, Mission Hill and Jamaica Plain.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and

provisions of the contract document entitled, "Pruning and Trimming Trees in Allston/Brighton, Back Bay, the Fenway, Mission Hill and Jamaica Plain."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to prune and trim trees at various locations within the City of Boston and to properly transport and legally dispose. Estimated Cost, \$100,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, February 3, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Tuesday, January 20, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 27, 1987, at 10 a.m., Boston time.

PUBLIC WORKS DEPARTMENT

**Proposal for Roadway, Resurfacing
of Washington Street, Brighton.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, January 19, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, February 5, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS
I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on January 28, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C9CN15, SAUGUS RIVER DRAW AND PINES RIVER REHABILITATION, Revere, Saugus, and Lynn, Massachusetts (Class 4 Bridges (a) Steel Superstructures or Class 4 Bridges (b) Substructures, Project Value 105.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on February 24, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of furnishing labor, materials as specified, tools and equipment for the replacement of the existing bridge operating machinery and underpinning and replacing and rehabilitating the superstructure of the Saugus River Bridge and replacing the entire Pines River Bridge as shown on the contract drawings.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the U.S. Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Each prospective bidder must also comply with the additional prequalification requirements referred to in Paragraph 1.12, Competency of Bidders, in the Instructions to Bidders.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after January 12, 1987, Monday through Friday, at a charge of \$100 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable

efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of Mr. James F. O'Leary, Project Manager, MBTA, 21 Arlington Avenue, Charlestown, MA 02129, Telephone Number (617) 722-5544. A pre-bid conference will be held on February 10, 1987, at 10 a.m. at the MBTA, 21 Arlington Avenue, Charlestown, MA 02129. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to the federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, JANUARY 26, 1987

NO. 4

MAYOR COMMENTS ON FEDERAL FY88 BUDGET

Statement of Mayor Raymond L. Flynn, Chairman, U.S. Conference of Mayors' Task Force on Hunger and Homelessness, on the Reagan Administration's Proposed FY88 Budget.

The Reagan Administration's proposed Fiscal Year 1988 federal budget proposes to add hopelessness to the worsening problem of homelessness in the American city. Congress would do well to give this budget a one-day hearing, then vote it down by the end of the month so that the remainder of the year might be spent on serious approaches to reduce the federal deficit and address our domestic priorities.

This year, we see an administration which has been criticized for its lack of responsiveness to the needs of the increasing homeless population in America, inserting rhetoric, instead of real action on this issue.

The administration proposes to increase funding for the Federal Emergency Management Agency's Emergency Food and Shelter program by \$10 million — while reducing the Emergency Shelter Grants program of the Department of Housing and Urban Development by the same \$10 million.

The administration proposes to "direct that more efforts be made to ensure that the homeless have access to entitlement programs" without mentioning that this priority was mandated by Congress in 1986 legislation.

The administration proposes to be "encouraging states and local governments to use federal grant funds such as the Community Development Block Grant (CDBG) . . . to assist the homeless." At the same time, the administration is proposing a \$375 million rescission of Fiscal Year 1987 CDBG funds and a cut of \$500 million for FY 88 — loss of \$3.2 million for Boston.

The only way that homeless families can gain shelter through the Reagan budget is to join the military. While the Department of Housing and Urban Development proposes to eliminate all new funds for family housing as part of \$3.4 billion in housing cuts, the Defense Department is requesting a \$362 million increase in funds for military family housing.

Some agencies of the federal government fare better than the homeless in gaining increased federal dollars. The White House operating budget, for example, rises from \$4.7 million to \$7.4 million, a 54 percent increase. The Agriculture Department's administrative budget rises

from \$22.2 million to \$40 million, despite proposed cuts in farm subsidies. The Small Business Administration's salaries go up by 20 percent, while program authority is cut in half.

The Reagan Administration's FY 88 budget proposal is a budget that is increasingly boxed in by its own constraints. Domestic programs such as revenue sharing or low-income housing have already been eliminated or cut to the bone. The only recourse for an administration that won't raise taxes or cut defense spending is to cut a few more threads in the already tattered social safety net.

This year, Congress should rapidly dispose of the administration's budget and instead, develop a budget that invests in our future, instead of divesting us of our responsibilities.

We need a federal government that protects our senior citizens from the ravages of expensive medical care.

We need a federal government that works in partnership with state

and local government to assure a decent home for all Americans — particularly our increasing number of homeless families.

We need a federal government to assure that our young people can aspire to a better life with a decent education and a good job.

Let's dispense with these timeworn proposals and get on with the important business of developing effective initiatives to solve critical problems such as homelessness.

NOTICE

On Monday, January 26, 1987, the Retirement Board will be moving to a temporary location on the eighth floor, Room 806. The office will be closed January 26th and 27th and will reopen for business on Wednesday, January 28, 1987.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Services to Washington Staff

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising and to renew the city's existing contract with the National Center for Municipal Development, Inc., of Washington, D.C., in an amount not to exceed \$45,000, for the period July 1, 1985, to June 30, 1986.

Under the terms of this contract, N.C.M.D. will continue to provide all office services to the city's Washington staff, including xerox, postage, telephones, supplies, etc., travel planning, advances, accounting services and fiscal administration; and to lease office space not to exceed the amount of \$8,400 to the City of Boston at Washington, D.C. The contractor is uniquely qualified to perform this service and has been providing this service to the city for the last eight years in a professional and timely manner.

In view of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This letter of award is being submitted late due to budgetary delays and administration oversight.

Sincerely,

Raymond C. Dooley,
Director.

Collective Bargaining Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to James B. Cox, Esquire, of One Walnut Street.

Under the terms of the contract, James Cox will assist the city in negotiating various collective bargaining agreements for Fiscal Year 1986 with the City of Boston employee unions.

Compensation under this contract shall not exceed \$25,000, an amount I have determined to be reasonable for the work performed. Payment for services associated with this contract shall be charged to appropriation 1-01-47-290. The hourly rate shall be \$100 per hour.

The term of this contract shall be from September 30, 1985, through June 30, 1986.

Mr. Cox is uniquely qualified to perform this service because of his past experience in all aspects of the labor relations function as a member and, ultimately, supervisor of the city's Labor Relations Office.

Sincerely,

Raymond C. Dooley,
Director.

Mailing Services, etc.

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising in the award of a contract to Coleman Bookbindery Corporation, of 363 Albany Street, in an amount not to exceed \$4,500, for the period of July 1, 1985, through June 30, 1986.

Under the terms of this contract, Coleman Bookbindery Corporation will continue to provide the services necessary for the timely distribution of the *City Record* to over 800 subscribers. This ongoing service includes designing address stamps for each new subscriber; addressing each individual publication and delivering them to the Post Office; and updating and maintaining the *City Record* mailing list and the address plates.

In view of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

The responsibility for the essential service provided by the *City Record* has recently been assumed by the Administrative Services Department and is the reason this award letter is being submitted for approval after the July 1st deadline.

Very truly yours,

Raymond C. Dooley,
Director.

Purchasing Division

Communications Equipment

Dear Mr. Mayor:

The ASD/Purchasing Division has received a requisition from the ASD/Management Information Systems Division for the lease/purchase of twelve multiple switch selected DSV/CSY service units. These units would upgrade the current digital dataphone service lines located within the Administrative Services Department, Data Processing Center, Room 103, in City Hall.

The term of this contract shall be a four-year period from March 15, 1985, through March 14, 1989. The total cost of this contract over the forty-eight months term of this agreement shall not exceed \$12,416.64, and shall be charged to appropriation code 1-01-49-490.

The estimated savings projected, using the current costs of maintaining this system, is \$31,359.33 over a period of forty-eight months. At the end of the term of this contract, the City of Boston will own this equipment and will be required to pay only maintenance costs of the equipment.

Due to the technical problems inherent in identifying the responsibilities of multiple vendors when data circuits malfunction, MIS operational experience dictates maintaining a single vendor circuit integrity for critical equipment.

As A.T. & T. Information Systems is a reliable manufacturer of communications equipment, has a history of providing continuous reliable service to the City of Boston, and has offered the city a cost savings that can not be matched at this time, I feel no useful purpose would be gained from public advertising.

Therefore, your Honor's permission is respectfully requested to award a contract, without public advertising, to A.T. & T. Information Systems, Inc., 100 Summer Street, in the amount of \$12,416.64, net, a cost I consider reasonable.

This request is being submitted at this late date due to administrative delays incurred while lease/purchase negotiations were being conducted.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

**ASSESSING DEPARTMENT
Revaluation Process Analysis**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mark Kiley, Lawrence, for financial analysis of the current revaluation process.

Under the terms of the contract, the contractor will assist the Assessing Department in the calculation, analysis and impact of trends and shifts of the current revaluation. The contractor also will review projections and analyze possible abatement impact. Also the contractor will assist in establishing guidelines for Clause 18 exemptions.

The contractor is recognized as an expert in local municipal fiscal affairs and is a former treasurer of the Mass. Bay Transit Authority.

The contract is for the period December 1, 1985, through June 30, 1986, at a cost not to exceed \$10,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$65 per hour.

Because of the professional and technical nature of the services to be performed, no useful purpose would be served by public advertising.

Sincerely,
William B. Coughlin,
Commissioner.

Boston Massacre Site

At this site, on March 5, 1770, a British guard of nine soldiers clashed with an unruly mob, resulting in the death of five colonists—including Crispus Attucks, an early black patriot.

Old North Church, Christ Church

Built in 1723, "Old North," or Christ Church, in Boston is the city's oldest standing church. On April 18, 1775, two lanterns hung from the steeple signalled to patriots across the river that the British were on their way to Concord "by sea."

**Invitation for Bids for Steel Mesh Enclosure at
the Mary E. Curley School, 493 Centre
Street, Jamaica Plain, Mass.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Steel Mesh Enclosure at the Mary E. Curley School, 493 Centre Street, Jamaica Plain, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Tuesday, February 10, 1987, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Tuesday, January 27, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C1CN15, NORTH PARKING LOT, FORGE PARK/495 STATION, Franklin, Massachusetts (Class 1 General Transit Construction, Project Value 10.00) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on January 8, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

This project consists of a new commuter rail station including a low bituminous concrete platform, lighting, signing, earthwork, bituminous concrete pavement, and guard rail.

This contract is subject to a financial assistance contract between the MBTA and the Executive Office of Transportation and Construction.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification or this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after January 8, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provisions, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Kevin McRea, 500 Arborway, Boston, MA 02130, Telephone Number (617) 722-3465. A prebid conference will be held on January 20, 1987, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Furnishing and Laying Sod at Boston Common and at the Public Garden."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment to provide a crew to restore lawn areas. Estimated Cost, \$50,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, February 10, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, January 26, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, FEBRUARY 2, 1987

NO. 5

MAYOR FLYNN CAMPAIGNS AGAINST DRUGS

A partnership of Boston-area businesses, community groups and the City of Boston — called Boston Against Drugs (BAD) — has launched a sweeping educational campaign aimed at educating residents about drugs and combating drug use in the city.

The effort represents the first step in Boston's new Youth Partnership Program, recently announced by Mayor Raymond Flynn.

New England Telephone President Gerry Freche, Mayor Flynn, School Superintendent Laval Wilson, Police Commissioner Mickey Roache, Parochial Schools Superintendent Fr. Eugene Sullivan, and community leaders have announced that the major focus of the campaign will be to create a negative image of drug use while reinforcing alternatives to substance abuse.

Statement of Mayor Raymond L. Flynn Announcing the Boston Against Drugs Initiative.

With the announcement of our new Boston Against Drugs (BAD) campaign, we have kicked off a key part of the Boston Youth Partnership.

Boston Against Drugs is a five-way partnership, resulting from months of planning involving the business community, Boston public and parochial schools, the Police Department, and my administration, to come up with new ways to confront drug abuse.

But we don't want to do all the talking. We plan to listen to what the kids themselves have to say about drug problems in their neighborhoods, and to use this information to enhance our programs.

Special thanks must go to the Boston business community for their essential support of this project, and especially to Gerhard Freche for answering the call this summer to marshal city resources in the battle against crack, and for developing BAD's umbrella campaign to bring all Boston's players together in the fight against drugs.

BAD's three-pronged attack against drug abuse starts in the schools. For the first time, a mandatory substance abuse curriculum to grades five and six is in the Boston public schools. The same curriculum will also be introduced to fifth graders at the city's parochial schools.

Boston police officers have been assigned to run these education programs, which are based on anti-crack education programs in the New York school system.

These in-school programs will be reinforced outside the schools in the neighborhoods where these kids live. In a fifty-fifty partnership with the city, Boston businesses have agreed to lend an executive who will work full time in neighborhood community schools and recreation centers developing programs to discourage drug use.

Through a number of city-business community partnerships we have already recruited many young people from Boston's neighborhoods to share in employment opportunities created by Boston's booming downtown. Now we have come full circle in those efforts as businesses move out to the neighborhoods to bring drug education to these kids' home turf.

Thirdly, we will link the in-school and out-of-school programs through public service announcements in the local media to create awareness of BAD and to reach those not reached by the other programs.

Together with other ongoing city initiatives, we hope to present a formidable front against drug abuse in Boston. With the help of New England Telephone we have made and distributed an anti-crack video to

every school in Boston. We are now distributing the video and an accompanying poster to every public library, video store, and social service agency in Boston.

The partnership will also participate in a series of neighborhood seminars on crack, in city-wide parents workshops, and in employee substance abuse programs in Boston-area businesses, and will serve to coordinate other drug education activities.

BOSTON CAN SHARE

The last financial donations to Mayor Flynn's Boston Can Share Food Drive was presented last week at City Hall to the Boston Food Bank by a group of developers and unions including Structure Tone, Inc., the International Brotherhood of Electrical Workers, and Cone and Company. Their \$1,250 donation brought the total Boston Can Share donations to over 22,000 cans and over \$7,000 in cash — sufficient to provide over 15 tons of food to hungry Boston families this winter.

The checks were presented to Li Williams of the Boston Food Bank by Jack Powers, Mayor's Office of Business and Cultural Development; Frank Nigro, IBEW Local 103; Don Sabourin, Structure Tone, Inc.; Bart Mitchell, Mayor's Office; and Peter Miller, Cone and Company.

MAYOR URGES USE OF 24-HOUR HOTLINES

The recent inclement and cold weather has prompted Mayor Raymond L. Flynn to remind city residents of the no-heat hotline and the Department of Public Works hotline which will be open 24 hours a day all weekends, to respond to complaints of unplowed or unsanded streets and to respond to residents who have insufficient or no heat or hot water.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ASSESSING DEPARTMENT

Public Affairs Strategies

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dovetail Consulting, a strategic management firm located at Boston, for professional consulting services to the Assessing Department.

Under the terms of the contract, the contractor will assist the Assessing Department in identifying and developing public affairs strategies and options for better explaining to the public the assessing practices of the City of Boston.

Strategies will be reviewed with the staff and tailored to fit the particular needs of a number of different areas of responsibility of the assessor, including, as needed, levels of assessment exemptions and cases under litigation. Inclusive in the contractor's scope of responsibilities will be the implementation of these strategies.

The contractor is specifically qualified to do this work because of its expertise in the field of public affairs and strategic management.

Compensation under the contract shall not exceed \$20,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$70 per hour and reimbursed for other reasonable expenses approved by the official. The terms of the contract shall be from November 15, 1985, through June 30, 1986.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

William B. Coughlin,
Commissioner.

COMMUNITY SCHOOLS

Auditing Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission, I hereby request your Honor's permission to dispense with public advertising and to award a contract to Bertram S. Jacobs, CPA, Needham.

The services to be provided are an audit of the fiscal year 1985 Community Counseling Child Care Programs according to the DSS Audit Guide. The term for this contract shall be December 2, 1985, to June 30, 1986, at a cost not to exceed \$9,400, a cost which I have determined to be reasonable.

Over the past several years, Mr. Jacobs has provided excellent and successful audit services for a number of Community Schools Programs including the USDA Summer Lunch Programs for the years 1978, 79, 82, 83, 84, and 85, and annual audits for various Community Schools. In view of the efficiency and expertise which Mr. Jacobs has exhibited in the past, I believe he is qualified to complete the services required by the above contract.

For these reasons and the special nature of the services to be performed, it is my judgment that public advertising would serve no useful purpose.

Respectfully yours,

Lawrence Dwyer,
Director.

**FIRE DEPARTMENT
Heating Repairs**

Dear Sir:

I respectfully request your Honor's permission to award to P. J. Kennedy & Sons, Inc., 486 Albany Street, the task of performing certain emergency heating repairs to Engine 10.

P. J. Kennedy & Sons, performed the following work at Engine 10: furnished and installed one Hoffman, 100-gallon VBF duplex receiver with necessary piping and electrical connections; furnished and installed one McDonald Miller 51-2 automatic boiler water feeder and low water cut-off with necessary piping and electrical connections; furnished and installed one McDonald Miller 150 pump controller with necessary piping and electrical connections; replaced three Hoffman float and thermostatic trap, steam radiator valves, section of steam baseboard; repaired leaks in steam lines and leaking shower valves.

The cost of the work described above is \$5,075, which will be paid pursuant to the city's existing contract with this firm, Contract 2012-86 for repetitive services for the fiscal year 1986. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after the work has been completed because the parts needed for repairs were not immediately available and had to be sent for, therefore causing a delay. The bill for the work done was not received for at least a month after completion of the work and a firm estimate was not immediately established.

In my opinion the contractor is qualified to do the work herein described, inasmuch as P. J. Kennedy & Sons is thoroughly familiar with all types of work of the equipment. This price quoted for the work is reasonable and it does not appear that any lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,
Leo D. Stapleton,
Fire Commissioner.

NOTICE TO CONTRACTORS

Invitation for Bids for Furnishing and Laying Sod at Boston Common and at the Public Garden.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids or this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Furnishing and Laying Sod at Boston Common and at the Public Garden."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment to provide a crew to restore lawn areas. Estimated Cost, \$50,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, February 10, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, January 26, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of his bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, February 3, 1987, at 10 a.m., Boston time.

NO. 6

MAYOR OPENS PEDIATRIC AIDS PROGRAM

Statement of Mayor Raymond L. Flynn opening of Comprehensive Pediatric Aids Program, Boston City Hospital, February 2, 1987.

Last year, the city's Department of Health and Hospitals brought to my attention a serious problem facing some of our youngest and most vulnerable residents: infants and toddlers with AIDS or AIDS-related complex in need of care. Many of these infants were orphans or came from single-parent families that could not properly care for them at home.

We identified the problem and under the leadership of Dr. Sandy Lamb put together a program that would provide the services that these infants so desperately need. With funding from the state under the leadership of Governor Michael Dukakis and the cooperation of Secretary of Human Services Philip Johnston and Public Health Commissioner Bailus Walker, Boston City Hospital is now fully equipped to provide care for the infants who are ravaged by this deadly disease.

The Comprehensive Pediatric Aids Program, the first of its kind in the nation, will provide compassionate care in a homelike atmosphere, twenty-four-hours-a-day. In addition, parents will be given the support they need by the clinic's trained staff.

To be afflicted with AIDS is a potentially isolating and tragic experience. But, the families that are dealing with the effects of this disease must know that they are not alone. Along with the city and state, businesses and community organizations have responded. On behalf of the children and families, I want to thank Filene's Basement, St. Jean's Parish, the School House of Quilters and all other donors for their generosity.

The tragedy of AIDS is one that will not disappear on its own. It is a public health problem that is infecting increasing numbers of people. The opening of this respite care center is one of a number of steps that the city has taken to fight AIDS. We have supported the work of the AIDS Action Committee with a \$300,000 grant and in recent months we opened a half-day AIDS Clinic at Boston City Hospital. In the past year, the city has spent nearly \$1 million on AIDS. We intend to substantially increase that amount this year.

The city has reaffirmed its commitment to fighting the devastating disease of AIDS. With the opening of the Comprehensive Pediatric Aids Program, the city is reaching a helping hand to this most vulnerable segment of our society. This type of facility will ensure that children who have been dealt a terribly cruel blow by this disease are given a caring, compassionate hand to see them through.

FACT SHEET

Background — Comprehensive Pediatric Aids Program

- The residential program at Boston City Hospital's Dowling Building will provide twenty-four-hour care for infants and toddlers with AIDS and AIDS-Related Complex.

The program is set up as a homelike atmosphere for the children until their parents are able to care for them or until other parenting arrangements can be made. Additionally, the program's staff will provide support to the parents in learning about the HIV infection and about care for infected infants.

- Infants and toddlers in need of placement will be eligible for the program during non-acute phases of their illness and will be accepted through referrals from providers throughout the state.

- Parents or guardians when able, will also care for the infants at the center.

Background — AIDS

- AIDS is the major public health problem not only in Boston, but in Massachusetts, the United States, and around the world. There are 30,000 reported cases of AIDS in the United States, with as many as 3,000,000 people infected with the HIV virus.

- In Massachusetts, there are 700 cases of AIDS reported. Approximately half of those cases are in the City of Boston. In Boston, there are as many as one in twenty people already infected with the HIV virus.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

HEALTH AND HOSPITALS DEPARTMENT
Therapists Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Center for Creative Art Therapies, 731 Harrison Avenue, for the period January 1, 1986, through December 31, 1986, at a cost not to exceed \$3,120.

Under this contract, Center Art Therapies will provide a music therapist and an art therapist for the Geriatric Neuro-psychology patients at Boston City Hospital. Services will be provided two hours each week. One hour will be dedicated to music therapy and one hour will be dedicated to art therapy. The cost for this service will be \$30 per hour.

Geriatric Neuro-psychology patient care is very complex. The patients require individuals specially trained to deal with their needs. Center for Creative Arts Therapies has employees that have specialized skills in working with the elderly in the areas of music and art therapy. There has been one prior unadvertised contract with the Center for Creative Art Therapies, for FY 1985 in the amount of \$2,340.

Therefore, because Center for Creative Art Therapies has therapists specially trained to provide these services, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirements of City of Boston Code, St. 4, ss. 4 and 8.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Sterilizer/Compactor Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract,
(Continued on next page)

(Continued from previous page)

without advertising, to Total Mechanical Service Corp., Plymouth, for the period November 1, 1985, through June 30, 1986, at a cost not to exceed \$20,000.

Under this contract, Total Mechanical Services, Corp. will provide maintenance and repair service excluding parts to the San-I-Pak, Mark 2002 sterilizer/compactor located at Boston City Hospital from 9 a.m. to 5 p.m., Monday through Friday, at a cost of \$5,000. Additional funds in the amount of \$15,000 will be added to cover the cost of parts and emergency repairs done after normal business hours.

Inasmuch as Total Mechanical Services Corp., employs the only factory authorized personnel to repair the above equipment no benefit would inure to the city by publicly advertising for bids.

There was no prior contract for servicing the above equipment since the cost for repairs in fiscal 1985, after expiration of the warranty, did not amount to \$2,000.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Respiratory Supplies, etc.

Dear Sir:

An invitation for bids, Proposal No. 442, to furnish respiratory therapy supplies and medical gases to the Department of Health and Hospitals was advertised in the *City Record* on August 10, 1985. Bids were opened and publicly read on September 3, 1985. Fifty-five companies were solicited and thirty-four companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest bids meeting specification at prices I consider reasonable:

Liquid Air Corporation, Pennsylvania, \$61,000, net thirty days; and Inhalation Plastics, Inc., Illinois, \$18,103, 2 percent 20, net thirty days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids for items to be supplied by the above vendors and award contracts, without further advertising, to these vendors. The contract amounts are approximate figures based on estimated volumes. The contract period is from October 1, 1985, through September 30, 1986.

Due to a change in policy, all letters of award for defective bids must be approved by the hospital's legal counsel. The hospital's attorney requested that changes in wording be made, thus this letter of award is being submitted late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Enteral Feeding System

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to PRC Medical Specialties, Inc., Randolph, for the period December 1, 1985, through June 30, 1987, at a cost not to exceed \$83,000.

Under this contract, PRC Medical Specialties, Inc., will furnish an enteral feeding system to the Department of Health and Hospitals.

As the result of a public bid, proposal 431, a contract was awarded to medical Electronics Group, a distributor for Cheesebrough-Pond's Inc., and the lowest acceptable bidder, to provide an enteral feeding system to the Department of Health and Hospitals for the period July 1, 1985, through June 30, 1987. The letter of awards was approved on July 10, 1985, and the contract was executed on July 31, 1985.

The contract with Medical Electronics Group only covered the patients at Mattapan Hospital, but as the result of a lengthy evaluation, patients at Boston City Hospital will now be put on the same system.

On November 21, 1985, the department was notified that Medical Electronics Group would no longer be the distributor for Cheesebrough-Pond's, Inc. and that PRC Medical Specialties, Inc. would now provide this service and would honor all the existing prices, terms and conditions of the original contract.

Therefore, in view of the above and because the cost, in my opinion, is reasonable no benefit would inure to the city by readvertising.

The above contract amount is an approximate figure based on estimated volumes. The contract period is for nineteen months beginning December 1, 1985, and ending June 30, 1987.

This letter of award is being submitted late because the department had only six working days between notification of the change in vendors and the start of the new contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

Legal Cases Preparation, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Ms. Betsy Shumaker, Brookline.

Under the terms of the contract, Ms. Shumaker will assist the principal legal assistant in the research and preparation of cases being prosecuted

before the court. She will meet with other attorneys and property owners to answer any questions that pertain to violations.

Compensation under this contract will not exceed \$5,000. Ms. Shumaker will work five days per week and her total hours will not exceed twenty hours of any given week. Ms. Shumaker will be compensated at a rate of \$6 per hour. Ms. Shumaker is a student intern from Suffolk University.

The terms of the contract shall be from December 15, 1985, to June 30, 1986.

Because of the professional nature of this legal work and the nature of the services rendered, I believe that public advertising would serve no useful purpose.

Very truly yours,
William Sommers,
Commissioner.

Review of Building Plans

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Mr. Paul Donga, 69 Roseclair Street, Dorchester.

Under the terms of the contract, Paul Donga will review and assist in the examination of building construction plans that require electrical installation, approvals, and meets with architects, engineers and contractors. Paul Donga is uniquely qualified having a degree in electrical engineering and now studying for his master degree.

Mr. Donga will be serving the city as a student intern, being a graduate student in electrical engineering at Boston University.

Compensation under this contract shall not exceed \$5,000. Mr. Donga will be employed five days per week and his work hours will not exceed twenty hours per week. He will be compensated at \$9.25 per hour.

The term of the contract shall be December 15, 1985, to June 30, 1986.

Because of the professional nature of this service and the unique Student Intern Program I believe that public advertising would serve no useful purpose.

Very truly yours,
William Sommers,
Commissioner.

Applications Screening, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with the public advertising and to award a contract to Henry R. Malbranche, 694 Massachusetts Avenue.

This is a personal service contract in which Mr. Malbranche will assist in the process of receiving, correcting and screening permit applications.

Mr. Malbranche has been chosen for this contract after careful interviews with a number of applicants for the contract. He was selected because he has previous experience with the operation of the permit process and previous experience working the housing and building process within the City of Boston. In addition, he has specialized training business administration that make him particularly well-qualified for this contract, due to Mr. Malbranche's expertise in this area and the need of this department for these reviews to be performed as soon as possible. Public advertising at this point would serve no useful purpose.

Compensation under this contract shall not exceed \$11,000, which I have determined to be reasonable for the work performed. Mr. Malbranche will be working full time at a salary of \$325 per week.

Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must, except in emergencies, be in hand at the *City Record* office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue.

of \$6.25 per hour and the terms of the contract will be from November 15, 1985, through June 30, 1986.

Because of the professional nature of the services rendered and his previous experience and skills, I believe that public advertising would serve no useful purpose.

Very truly yours,
William Sommers,
Commissioner.

Building Plans Review

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Schoenfeld Associates, engineers, architects, landscape architect, planners, 12 Farnsworth Street, for engineering and architectural services for the Inspectional Services Department.

Under the terms of the contract, the Schoenfeld Associates will furnish a structural engineer and an architect for a six-month period to examine and review all plans filed with Inspectional Services that require architectural or structural review for compliance with the State Building Code.

Schoenfeld Associates are most familiar with the operation of building plan review in the city and the application of the State Building Code. The two candidates proposed positions by Schoenfeld Associates for these two, six-month contracts were interviewed by officers of the department and found to have both extensive experience in construction supervision, and plan review. The services to be performed are specialized and unique in that no other contract review for plans is in existence in the city. In addition, these services are professional and will be carried out by two individuals with specific assignments, not by an interchange within a contract. Moreover, specifications for such a contract are not feasible in that the effective delivery of the services requested will depend on the background, experience and qualifications of the individuals assigned by the contractor.

Compensation under this contract shall not exceed \$75,000, which I have determined to be a reasonable fee for the work being performed. The two employees will work for a six-month period January 1, 1986, to June 30, 1986.

Because of the professional nature of the work involved and the experience of the individuals, I believe that public advertising will serve no useful purpose.

Very truly yours,
William Commers,
Commissioner.

LAW DEPARTMENT

Legal Services

Dear Mayor Flynn,

I respectfully request your permission to dispense with public advertising and to award a contract to the law firm of Morrison, Mahoney & Miller, with offices located at 55 Court Street.

Under the terms of the contract, Morrison, Mahoney and Miller will provide legal representation to Joseph F. O'Keefe, M.D. in the case of *Kelley vs. O'Keefe, et al*, Suffolk Superior Court, Civil Action No. 38883. Such arrangement is necessary in order to address a conflict which has arisen in the simultaneous representation of Dr. O'Keefe and a co-defendant in this case. Morrison, Mahoney and Miller is uniquely qualified to provide these services because of their expertise and experience in the field of Medical Malpractice defense.

The terms of the contract will be November 22, 1985, through June 30, 1986. Compensation shall

not exceed \$10,000 to be billed at the rate of \$125 per hour for the time of Edward T. Crossen, Esquire. I have determined this rate to be reasonable. This award letter is being submitted late due to the recent decision to retain outside counsel.

In view of the professional services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Albert W. Wallis,
Acting Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Palmer and Dodge, One Beacon Street, for services as outside counsel.

Under the terms of the contract, Palmer and Dodge will represent the city in the case of *Conservation Law Foundation of New England, Inc., et al. vs. City of Boston, et al.*, Civil Action No. 85-3961-MA. Since this case involves complicated environmental issues in federal and state law, it is in the city's best interests to have outside counsel represent the city. Mr. Ralph Child and Mr. Scott Lewis of Palmer and Dodge have extensive experience in litigating the issues involved in the above case. Mr. Child's hourly rate is \$95 per hour and Mr. Lewis' is \$135 per hour, and their total compensation shall not exceed \$15,000, an amount I have determined to be reasonable for the work to be performed.

The term of this contract will be November 18, 1985, through June 30, 1986. This award letter is being submitted late because it was necessary to retain counsel to meet court deadlines.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Albert W. Wallis,
Acting Corporation Counsel.

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and award a contract to Earle C. Cooley and Patrick T. Jones, of Cooley, Manion, Moore and Jones, P.C., attorneys with offices located at 530 Atlantic Avenue.

Under the terms of the contract, Attorneys Moore and Jones will represent the City of Boston in securing the recovery costs incurred in identifying, removing and/or encapsulating asbestos or other materials in any and all buildings owned by the City of Boston. In consideration of the services rendered and to be rendered by Attorneys Moore and Jones, the city hereby agrees to pay them in accordance with the Contingent Fee Agreement annexed hereto. I have determined this fee agreement to be reasonable.

Attorneys Cooley and Jones are uniquely qualified to perform these services. They have both the experience and expertise necessary to properly handle this matter.

Because of the professional nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and award a contract

to Stanley J. Levy, an attorney with Levy, Phillip and Konisberg, with its offices located at New York.

Under the terms of the contract, Mr. Levy will represent the City of Boston in securing the recovery costs incurred in identifying, removing and/or encapsulating asbestos or other materials in any and all buildings owned by the City of Boston. In consideration of the services rendered and to be rendered by Mr. Levy, the city hereby agrees to pay him in accordance with the Contingent Fee Agreement annexed hereto. I have determined this fee agreement to be reasonable.

Mr. Levy is uniquely qualified to perform these services. He has both the experience and expertise necessary to properly handle this matter.

Because of the professional nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the law firm of Glass and Brand, located at 114 State Street.

Under the terms of the contract, the law firm will provide legal services to the City of Boston and Joseph M. Jordan in the case of *Eloise N. Pate vs. John Crowley, et al.*, Civil Action No. 67186 (Suffolk Superior Court), Robert DiGrazia and Charles L. Byrne in the consolidated cases of *Colonial Tavern, et al., vs. DiGrazia, et al.*, Civil Action No. 79-726-S and *Colonial Tavern vs. Byrne, et al.*, Civil Action No. 79-1000-S, and the City of Boston in the case of *Valentin vs. Richardson, et al.*, Civil Action No. 83-2753-W. Robert Glass has provided legal services in the *Pate* and *Colonial Tavern* cases in the past, and it is in the best interest of the city and city employees who are defendants in these cases that he continue his representation in these cases. It is also in the city's interest that Mr. Glass represent it in the *Valentin* case since the issues raised in the *Valentin* and *Pate* cases are similar.

Compensation under this contract shall not exceed \$50,000. It is understood that \$20,000 shall be allocated to the *Colonial Tavern* cases and \$30,000 to the *Pate* and *Valentin* cases. Payment will be made at the rate of \$100 per hour for partners and \$25 per hour for paralegals. I have determined this rate to be reasonable.

The period of this contract shall be September 1, 1985, through June 30, 1986. This award letter is being submitted late due to an administrative oversight.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

Claims Processing, etc.

Dear Mr. Mayor,

I respectfully request your permission to dispense with public advertising and to award a contract to Kathleen Bishop, 18 Winfield Road, Hingham, Massachusetts 02043.

Under the terms of the contract, Ms. Bishop will provide services to the Tax Title Division of the Laws Department, including but not limited to the processing of claims, filing notices of appearance, telephone relief and other miscellaneous duties. Ms.

Bishop is exceptionally well qualified to perform these services because of her prior experience and background in the Law Department.

The period of this contract shall be from December 2, 1985, through January 6, 1986. Compensation will not exceed \$3,000 and the payments will be made at the rate of \$5.37 per hour. This contract is necessary because Ms. Bishop will exceed the \$2,000 service order limit.

In view of the nature of the services to be performed and Ms. Bishop's special qualifications, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

MANAGEMENT INFORMATION SYSTEMS Computer Maintenance Services

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and award a contract to Digital Equipment Corporation, Waltham, to provide professional computer maintenance for computer systems located in both the Assessing and the Treasury Departments for the period of July 1, 1985, to June 30, 1986.

Under the terms of the contract, the contractor will provide unscheduled, on-call remedial maintenance as required for the City of Boston's two DEC VAX systems. This contract also includes: committed four-hour response time; emergency overnight coverage on the Assessing Department's system; emergency weekend coverage on the Assessing Department systems; services on five ABLE computers located in the Assessing Department; service on two additional CPUs of memory recently purchased by the Assessing Department; five-year agreement with price protection clause. Under this clause the contractor will not pass on any price increase for years one, two, and three. For years four and five the contractor would limit the yearly increases to a maximum of 5 percent.

This contract is based on a previously advertised contract (award letter dated June 29, 1984) in which Digital was awarded the contract. It is my opinion that due to the professional nature of these services that it would serve no useful purpose to the city to publicly advertise. Compensation under this contract shall not exceed \$124,120 and shall be charged to appropriation code 1-01-49-490. It is my opinion that this cost is reasonable.

This letter is being submitted late due to a delay in negotiations with the Digital Equipment Corporation. This delay, in turn was due to a change in contract personnel for the contractor.

Sincerely,
Allan K. Stern,
Director.

Air Conditioning Maintenance

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and award a contract to Comm Air, a company located at 377 West First Street, South Boston. This contract will provide maintenance services for the air conditioning units in both the Data Processing and the Treasury Departments. Under the terms of this contract, the contractor will provide all scheduled maintenance labor and maintenance material.

Comm Air is uniquely qualified to perform this work because this company is professionally recognized within this industry, has performed quality work for the city in previous years and due to the fact that the manufacturer of this equipment has

recommended them as the best maintenance firm for this equipment.

Compensation under this contract shall not exceed \$4,500 and shall be charged to appropriation code 1-01-49-490. I have determined this cost to be reasonable and believe that publicly advertising would serve no useful purpose.

The term of this contract shall be from September 1, 1985, through June 30, 1986.

This contract is being submitted late due to a delay in negotiations with the vendor.

Sincerely,
Allan K. Stern,
Director.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. T1CN08, TRACK IMPROVEMENTS, RED LINE — ANDREW TO CHARLES, BOSTON, MASSACHUSETTS, (Class 3 — Trackage, Project Value 195.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 5, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of furnishing labor, materials as specified, tools and equipment for the rehabilitation of tracks, special trackwork and contact rail and the repair and rehabilitation of existing subway tunnel construction.

This contract is subject to a financial assistance contract between the MBTA and the UMTA of the U.S. Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Each prospective bidder must also comply with additional prequalification requirements referred to in Paragraph 1.12, Competency of Bidders, in the Instructions to Bidders.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after January 28, 1987, Monday through Friday, at a charge of \$100. Half-size drawings may be requested for convenience purposes at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to

any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. John A. Carey, Regional Construction Office Trailer No. 1, Cabot Yard, 275 Dorchester Avenue, Boston, MA 02127, Telephone Number (617) 722-5450. A pre-bid conference will be held on February 17, 1987, at 10 a.m. at the above office. Any request for interpretation of specifications should be submitted in writing at the same time.

A walking inspection tour to view the existing conditions will be conducted on February 13, 1987, at 1 a.m. Prospective bidders wishing to accompany the tour should meet on the southbound Park Street Station platform.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30A, and sections 29 and 44A to 44I, inclusive, of

chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Furnishing and Installing New Complete Toilet Partitions at Hyde Park High School, 655 Metropolitan Avenue, Hyde Park, Mass.," at an estimated cost of \$16,000.

SCOPE OF WORK: In general includes furnishing and installing all labor, materials and equipment to complete the toilet partitions and all other related work.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, February 11, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, February 26, 1987, at which time and place respective bids will be opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

MAYOR'S "BOSTON FOR BOSTON" PROGRAM

*Statement of Mayor Raymond L. Flynn on the Establishment of the
"Boston for Boston" Program, February 10, 1987.*

While Boston is in the midst of an unprecedented economic surge, and you only have to walk outside to stand in the middle of one of the country's most vibrant financial centers. There's been a negative side, too.

This downside has been with us a long time — too long. In the midst of all this growth, many Boston neighbors — many families and individuals — have been left behind. When you examine job trends over the past three decades, a troubling picture emerges. Boston residents' share of jobs has fallen steadily. At last count, Boston residents held under 30 percent of jobs in Boston, as compared to over 50 percent in 1950. Those percentages are derived from about 282,000 of the 558,000 jobs of 1950, to about 181,000 of the 594,000 jobs of 1985. That's a lot of jobs for neighborhood residents to lose in such a short time in a surging Boston economy.

However, we have a lot of evidence in this city that creative leadership by government will, in turn, create change. For instance, Governor Dukakis' nationally acclaimed Employment and Training Program, "E.T.," is an excellent example of the results you can achieve when you connect AFDC recipients with the opportunity to be productive.

The "Boston for Boston" Program is constructed in the tradition of E.T.

What compels us to establish these initiatives is the fact that a lot of Boston people, especially the younger ones, always think we must be talking about someone else when we talk about "Economic Growth." Well, "Boston for Boston" is another in a series of initiatives to change that way of thinking. It springs from the same strategy that produced other significant partnerships and that saw us increase the Public Education Budget by more than \$56 million over the past three years, even while we were getting the city out of an inherited operating deficit of over \$40 million.

"Boston for Boston" will be a partnership for productivity, providing direction

for the jobless youth, the long-term unemployed adult, and for every Boston resident who is willing to be trained for a start on the future: a permanent, private sector job.

It is not some government "Gimmee" program.

It is a "Go-for-It" approach, showing people where the opportunity is and how to get it. It is especially important in an era when the federal commitment to job training has dropped dramatically, from \$7.9 billion in 1980, to \$3.4 billion in the current federal budget.

Here is how our approach works:

The developers of twenty Downtown projects have signed an agreement with my office, to encourage their commercial tenants to give Boston residents first crack at 50 percent of the 30,000 new jobs that these projects expect to generate.

The city will act as a Personnel Placement Service for these firms, training and referring Boston people to them. Everybody comes out ahead.

- Companies get skilled employees
- Neighbors get jobs and
- Job by job, Boston becomes a stronger community, economically and socially.

These are growth jobs, in areas such as financial management, information systems, and the law. They don't start at the top — but I didn't either. How many of you did? We worked our way up. "Boston for Boston" will help put people on the ladder to a brighter economic future.

Disadvantaged youths in this city have been discouraged for so long, with people telling them of the heights they can't reach, of the opportunities they will never get. It's no wonder that cynicism, suspicion, and despair set in.

But the program can work. We can reach these kids with the message that

there is a lot going on in this city for the person who has the will to participate.

Beyond all the talk there is the simple fact that this program can create a good shot at a decent job. Our message today is: Take advantage of it.

Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue.

Fire Fighters Edward T. Loder and James C. Feeney, Rescue Company 1, donned survival suits, entered the water and began a search. Fire Fighter Feeney located the adult male submerged below him and managed to get the person to the surface where he immediately performed mouth-to-mouth resuscitation. Fire Fighter Loder swam to the aid of Fire Fighter Feeney and the person and all three were pulled ashore.

Upon report of another possible female victim in the water, both members re-entered and searched for over an hour. The police reported the apparent victim was located at home.

Fire Fighters Feeney and Loder suffered hypothermia and were treated and released at St. Elizabeth's Hospital.

The Fire Commissioner is pleased to commend Fire Fighters James C. Feeney and Edward T. Loder of Rescue Company 1 for their dedication to duty and makes these commendations part of the personnel folder.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

MANAGEMENT INFORMATION SYSTEMS

Accounting System

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to American Management Systems, Inc., a corporation located at Virginia, for the purchase of an integrated financial management and accounting system known as LGFS Plus.

Under the terms of the contract, the contract will provide us with their proprietary integrated software package, including installation, user training, data processing training, systems documentation and flow charts, user manuals and over 5,000 hours of city-wide implementation assistance.

In the selection process a search committee composed of the City Auditor, the Budget Director, the City Treasurer, and myself was formed to search and evaluate integrated financial management packages.

The committee established rigorous standards for all vendors in order to determine the most usable product. While there are many financial management packages in the marketplace, very few can handle encumbrance accounting, government-related practices, a high volume of transaction state-of-the-art system software architecture, regularity towards complete expandability, state-of-the-art integrated accounting subsystem.

After preliminary discussions the committee decided upon the vendors that were capable of meeting the above criteria:

Systems and Computer Technology Corporation of Pennsylvania; Peat, Marwick and Mitchell Boston; AMS of Virginia.

Following a long series of demonstrations and meetings, for a period of six months, with these vendors, AMS was chosen for the following reasons:

AMS is the developer, owner and sole source of the LGFS Plus software packages; AMS has successfully installed their software in over 100 governmental entities including several cities comparable to the City of Boston; AMS is one of the acknowledged leaders in the field of government

integrated financial systems and has an off the shelf package that meets the requirements imposed by the Commonwealth; the LGFS package is specifically designed to be used in the same data processing environment presently installed in the city.

Compensation under this contract shall not exceed \$550,000, which I have determined to be reasonable for the work to be performed and shall be charged to appropriation code 1-01-49-290. The term of this contract shall be from October, 1985, to June 30, 1986.

The specialized requirements of the city directed the selection process since there are few major vendors that can deliver a guaranteed and tested product to a city our size. Because of the highly unique features of the AMS systems, the reasonable cost, and the comparability with our system they are the vendor of choice. I believe that broader public advertising would serve no useful purpose.

Very truly yours,
Allan K. Stern,
Director.

MAYOR'S OFFICE

Improving of Ethnic Relations

Dear Mr. Mayor:

On July 29, 1985, your Honor approved an award of a contract, without public advertising for bids, to the Civic Foundation for Boston, Inc., c/o Kenneth Rossano, for the period of July 1st 1985, to June 30th 1986, at a cost not to exceed \$70,000 for the purpose of carrying out programs in five areas (neighborhood development, corporate access, metropolitan forum, public awareness, and designated grants) with an overall goal of directly and significantly impacting and improving relations between different racial, ethnic, economic and cultural groups in the city of Boston.

Your approval is requested to amend this contract to increase funding for the same programs. The cost of this amendment which is effective July 1, 1985, and which is to run through June 30, 1986, shall not exceed \$118,100, an amount which I have determined to be reasonable. The contract, as amended, shall not exceed \$188,100, the appropriation approved by the City Council and your Honor for FY 1986.

In the original award letter it was stated that the above-named five programs would be carried out through the Boston Committee Inc. Subsequent to the awarding of this contract, the Boston Committee merged with the Corporation for Boston to form a new entity called the Partnership. It was in anticipation of this merger that the five programs listed above were planned, and no change will occur in the programs due to the merger and due to the fact that the programs will now be carried out through the Partnership.

Under the terms of this contract, it will be at the discretion of the City of Boston to make determination on compliance to this contract by examining the Partnership's programs in the areas listed above and determining if they have directly and significantly impacted and improved relations between different racial, ethnic, economic and cultural groups in the City of Boston.

In awarding this contract, the City of Boston assumes that the Civic Foundation for Boston, Inc. will receive funds from private sources for the same purpose in an approximately similar amount as in each of the previous two years. For this reason, it could not be efficient or economical to advertise publicly for this contract.

Sincerely,
Neil Sullivan,
Assistant to the Mayor.

POLICE DEPARTMENT

Magnetic Tape Files

Dear Mr. Mayor:

On October 28, 1985, this department, by an advertisement appearing in the *City Record*, invited interested competent persons to submit bids to create input files on magnetic tape from two different sources.

The work consists of data to be copied on magnetic tape. Each of the files are eighty-column records. Data to be copied to Time and Absence files are on 14 1/4 x 11 computer printout, estimated files are 95,000. Data to be copied to Paid Detail Files are on eighty-column standard data processing punch cards, estimated records to be 35,000.

Inasmuch as there was no response to this advertisement, I respectfully request your permission to award a contract, without further advertising, to Manassa Systems, Inc., 530 Warren Street, Roxbury, to furnish the magnetic tape keys entry conversion process — \$78 per thousand — 95,000 Time and Absence Files, \$7,410; \$70 per thousand — 35,000 Paid Detail Files, \$2,450.

Total cost of this service not to exceed the sum of \$9,860, which has been determined to be reasonable for the work to be performed. Service to be completed within thirty days from date of award.

Respectfully,
Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES COMMISSION

Libraries Improvement Designs

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 22, 1985, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Schoenfeld Associates, Inc., a Massachusetts corporation, located at 12 Farnsworth Street, providing professional architectural design services for improvements to Hyde Park and Fields Corner Branch Libraries. Services to be provided include preparation of design documents, plans and specifications for heating repairs, upgraded lighting, remodel toilet rooms, attic insulation, interior storm windows, roof repairs, fire escape repairs, masonry repairs, replacement of HVAC and handicapped toilet doors.

Compensation under this contract shall not exceed \$26,443 (including \$3,000 for Supplementary Services) which is a fixed fee of 13.79 percent based on an estimated cost of construction of \$150,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be ten weeks from the date of execution.

Following the advertisement of this project and receipt of proposals, the contract was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with M.G.L. c. 7, s. 30B, et seq. I believe this contractor is qualified to perform the services required due to the rating given this firm by the Designer Selection Committee.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose.

Respectfully,
Lisa G. Chapnick,
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 22, 1985, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Bennett Associates, Inc. a Massachusetts corporation, located at 711 Boylston Street, providing professional architectural design services for improvements to the East Boston, Jamaica Plain, and Codman Square Branch Libraries. Design services to be provided include preparation of schematic drawings, working drawings, plans and specifications for roof repairs, boiler replacements, handicapped ramps, security grilles, doors, doorways and restrooms.

Compensation under this contract shall not exceed \$24,075 (including \$3,300 for Supplementary Services) which is a fixed fee of 13.85 percent based on an estimated cost of construction of \$150,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be ten weeks from date of execution.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with M.G.L. c. 7, s. 30B, et seq. I believe this contractor is the most qualified applicant to perform the services required due to the rating given this firm by the Designer Selection Committee.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose.

Respectfully,
Lisa G. Chapnick,
Director.

Leasing Certain Premises

Dear Mr. Mayor:

Under a delegation of its power from the Public Facilities Commission to the director of Public Facilities, dated December 8, 1971, I hereby request your Honor's written authority to dispense with public advertising and to enter into a lease with 1010 Massachusetts Avenue Trust, c/o Boston Realty Advisors, Inc., 268 Sumner Street, for certain premises deemed necessary and convenient by the director to be used as office space by the Inspectional Services Department.

The demised premises consist of 25,560 square feet of net leasable floor space on the fifth floor at 1010 Massachusetts Avenue in the Roxbury District of the City of Boston.

The term of the lease will be sixty-two months beginning May 1, 1986, and ending June 30, 1991, subject to annual appropriation. For your Honor's further information, the initial two months tenancy (May and June, 1986) will be rent-free. The cost for the period July 1, 1986, through June 30, 1987, will not exceed \$319,500, based upon a per square foot rent of \$12.50 for this initial rental period. The per square foot rent will escalate annually thereafter at the rate of \$.25 per year to a maximum of \$13.50 per square foot in the fifth and final year of the lease. It is my opinion that this cost is reasonable. The rent includes eighty-five assigned parking spaces, maintenance, cleaning and security services, as well as certain leasehold improvements that have been agreed to by the lessor and the city to be completed prior to our taking occupancy of the premises.

Since these facilities are the most adequate and convenient which were located after investigating approximately eight other properties, and the proposed per square foot rent compares most favorably with other similar buildings especially in light of

the leasehold improvements to be made at no cost to the city, it is my judgment that public advertisement would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

SCHOOL DEPARTMENT Instructional Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Creative Educational Associates, 25 Huntington Avenue. The contract shall be in effect during the period of October 28, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$82,928, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Creative Educational Associates' portion as is related to that amount is \$82,928.

The contractor will provide the instructional services as follows:

Description of Services — Schedule 1.

Sixteen classrooms from eight schools, 318 students and sixteen teachers, participate in twenty-five weekly sessions led by two Creative Educational Associates staff; sixteen teachers, thirty-two parents, and eight principals participate in program meetings with four Creative Educational Associate staff members; participating teachers from each of the eight participating schools receive ten days of consultation time and curriculum materials; teachers and parents from each of the eight schools participate in training workshops held at each school; participating principals, teachers, parents, and students meet with the Creative Educational Associates project director to discuss the project's implementation and evaluation. The project director maintains communications between all schools, districts, and central office, files all reports and invoices, supervises Creative Educational Associates staff, purchase materials, develops all schedules, and monitors the entire project; the contract supplies all paper and art supplies used in project activities; the contractor supplies each student with a writing activity booklet, follow up activity sheets and written guidelines and curriculum outlines for all participating teachers.

Description of Services — Schedule 2

Twenty-four classrooms among three elementary schools (Russell, Perry, Tynan), 600 students and twenty-four teachers, participate in fifteen weekly, forty-five-minute sessions led by Creative Educational Associates staff; participating teachers from each of the three participating schools receive consultation time and curriculum materials; teachers and parents from each of the three schools participate in a training workshop held at each school; participating principals, teachers, parents, and students meet with the Creative Educational Associates project director to discuss the project's implementation and evaluation. The project director maintains communication between all schools, districts, and central office, files all reports and invoices, supervises Creative Educational Associates staff, purchases materials, develops all schedules, and monitors the entire project. The contractor supplies all paper and art supplies used in project activities. The contractor supplies each student with a writing activity booklet, follow-up activity sheets and written guidelines and curriculum outlines for all participating teachers.

Description of Services — Schedule 3

Twenty-seven classrooms among three elementary schools (Everett, Fifield, O'Hearn), 604 students and twenty-seven teachers participate in ten weekly, forty-five minute sessions led by Creative Educational Associates staff; participating teachers from each of the three participating schools receive consultation time and curriculum materials; teachers and parents from each of the three schools participate in a training workshop held at each school; participating principals, teachers, parents, and students meet with the Creative Educational Associates project director to discuss the project's implementation and evaluation. The project director maintains communications between all schools, districts, and central office, files all reports and invoices, supervises Creative Educational Associates staff, purchases materials, develops all schedules, and monitors the entire project; the contractor supplies all paper and art supplies used in project activities. The contractor supplies each student with a writing activity booklet, follow-up activity sheets and written guidelines and curriculum outlines for all participating teachers.

Description of Services — Schedule 4

Six classrooms at the Kilmer School, 125 students and six teachers, participate in fifteen weekly, forty-five minute sessions led by Creative Educational Associates staff; participating teachers receive consultation time and curriculum materials; teachers and twelve parents attend a training workshop at the end of the project; participating principals, teachers and parents meet with the project director frequently to discuss program implementation and to address any problems as they arise; the contractor supplies all paper and consumable materials used in the project; the contractor supplies special activity sheets for all students and curriculum materials for all participating teachers.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act), in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, *Memorandum and Orders Modifying Desegregation Plan (Morgan v. McDonough)*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 86-9D.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Wellesley College, Wellesley. The contract shall be in effect during the period of December 6, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Wellesley College's portion as is related to that amount is \$5,000.

The contractor will provide the following instructional services for the Boston Latin School: supervising and operating a tutoring and support program one morning a week for twenty weeks, for students in need of academic support and guidance at the Boston Latin School; offering presentations on college admissions, financial assistance, and women's career counseling to staff members and students at the Boston Latin School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act), in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, *Memorandum and Orders Modifying Desegregation Plan (Morgan v. McDonough)*, Civil Action No. 72-911-G; further, the service have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, Project No. 86-9D-0009, Area E.

Very truly yours,

Laval S. Wilson,
Superintendent.

Clinical Counseling Interns

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Judge Baker Guidance Center, 295 Longwood Avenue. The contract shall be in effect during the period of December 1, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$9,000, which have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Judge Baker Guidance Center's portion as is related to that amount is \$9,000.

The contractor will provide consultation and supervision for clinical counseling interns in the Human Services Collaboration Program. Services will include providing supervision for interns; meeting in group training sessions; overseeing case distribution and provision of ongoing evaluation of the program.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, *Memorandum and Orders Modifying Desegregation Plan (Morgan v. McDonough)*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,

Laval S. Wilson,
Superintendent.

Services to Accreditation Committee

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Children's Inn, a corporation located at 342 Longwood Avenue.

The contract was in effect during the period October 20, 1985, to October 22, 1985, and occurred at a cost not to exceed \$3,786.67, which I have deemed to be reasonable.

This letter replaces a previous letter originally submitted to the Corporation Counsel on October 8, 1985, in the amount of \$7,000. That request was returned to this department with the recommendation that a more detailed account of the expenses to be incurred be attached. After contacting Children's Inn, the Business Office found that the expenses of the accreditation team were substantially lower than had previously been projected, hence, the difference in amounts of the two submissions.

Under the terms of the contract, the contractor provided accommodations, meals, parking, and refreshments for the Accreditation Committee of the New England Association of Schools and Colleges. The accreditation was performed at Boston Latin School.

The contractor was selected to provide the above services because Children's Inn is in close proximity to Boston Latin School. In addition, the Planning Committee at Latin School solicited bids from seven area hotels and found the price quoted by Children's Inn to be the most reasonable.

Because of the professional nature of the service provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Lease or Purchase of Copiers, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Xerox Corporation, located at 155 Federal Street, for outright purchase, installment purchase, term lease or rental of new Xerox copiers, duplicators and memorywriters for the period November 15, 1985, through June 30, 1986, as needed by the School Department in an amount not to exceed \$75,000. In most cases, new copiers or duplicators will represent replacement of old Xerox copiers returned to the manufacturer for trade-in credit. Equipment acquired with federal monies will be placed on term lease or rental plans. The initial amount to be encumbered is \$25,000.

Xerox Corporation was awarded publicly advertised contracts by the Commonwealth of Massachusetts in October, 1985, for one calendar year for the purchase of copiers, duplicators and memorywriters. The purchasing agent of the City of Boston has conducted an extensive study of its reprographic equipment and requirements, and determined that the city needs to standardize its purchase of copiers and duplicators.

Prices charged to the School Committee will be the same as those charged to the Commonwealth of Massachusetts and the City of Boston and I consider these prices reasonable. In view of the above, it is my opinion that no useful purpose would be

served by further public advertisement for bids.

Very truly yours,

Leo J. Burke,
Business Manager.

Consortium Membership

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Education Collaborative for Greater Boston a corporation located at 20 Kent Street, Brookline.

This contract shall be in effect during the period from December 16, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$19,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the following services:

Through the Education Collaborative, the Boston Public Schools will become a member of the Minnesota Educational Computer Consortium. As a member of this consortium the School Department will have legal access to over 300 computer software programs. By enrolling in MECC through Education Collaborative, the School Department will have the license for unlimited copying and distribution of their documentation and software.

Through the EDCO School Services Program, the contractor will provide curriculum consultation, staff training, and technical assistance to the Archdiocese of Boston School Bureau.

The Education Collaborative sponsors all individuals from Massachusetts participating in the Institute for Educational Leadership, a Washington, D.C.-based organization which created and sponsors a national leadership development program. This contract contains encumbered funds for one such individual and an encumbered amount for four additional participants.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Athletic Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Boston Educational Development Foundation, a nonprofit corporation, located at 26 Court Street.

The contract shall be in effect during the period December 9, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$57,000, which I have determined to be reasonable.

Under the terms of this contract, the contractor will administer and document expenditures which will be made according to proposals submitted by Boston middle schools and approved by the advisory board for the John Hancock Company HEART Fund. The purpose of this program is to provide an interscholastic athletic program for the middle schools. The amount of this contract represents the School Department's obligation to match the amount granted by the John Hancock Company for this program.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

TREASURY DEPARTMENT Collection Assistance

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Maureen Flaherty, an individual, located at 100 Train Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Flaherty will assist in the collection activities for the unit. Ms. Flaherty is uniquely qualified to do this work through her past experience and her past excellent performance.

Compensation under this contract shall not exceed \$5,700, which I have determined to be reasonable for the work to be performed. Ms. Flaherty will be working part time at the rate of \$9 per hour.

The term of this contract shall be December 10, 1985, through June 30, 1986.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is being submitted late due to this department's need to reevaluate its current workload and the subsequent need for staffing.

Respectfully yours,

George A. Russell, Jr.,
Collector-Treasurer.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. T4CN11, SYSTEMWIDE SUPERVISORY CONTROL SYSTEM (SCADA-II), PHASE-I, Metropolitan Boston Area (Class 5 — Electrical, Project Value 15.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on April 2, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The existing SCADA-II is being expanded to provide monitor and control functions for subway vent fans, sump pumps and station ancillary equipment systemwide. This phase of the work includes furnishing, installing, wiring and testing, complete and ready for operation interface equipment consisting of Remote Monitor Control Stations (RMCUs), Interface Terminal Cabinets (ITCs), conduits, and cables to communicate with the Central Control Computer at the MBTA's High Street Operations Center. The work also includes central station programming to provide a fully functioning system.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification on this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 5, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

A prebid conference will be held on March 19, 1987, at 10 a.m., at the office of the Project Manager, Mr. Melvin L. Naseck, 21 Arlington Avenue, second floor Conference Room, Charlestown, MA 02129 (Telephone Number 722-5914). Any request for interpretation of the specifications should be submitted in writing at the same time. The Authority will conduct an inspection tour of the proposed work areas in the contract on March 12, 1987, a week prior to the day of the prebid conference. The tour will commence from the office of the Project Manager at 9 a.m. Bidders are advised that they should have a representative at this inspection tour as there will be no extra tours.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates, as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit of in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Planting at Various Locations, C 30 Projects.**

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for street tree planting at various locations.

Bids will be received up until twelve o'clock noon, Boston time, March 18, 1987, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about February 16, 1987, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any items of a bid, if it be in the public interest so to do.

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. ROLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, FEBRUARY 23, 1987

NO. 8

MAYOR ANNOUNCES IMPROVED CITY BOND RATING

At a press conference, Mayor Raymond L. Flynn, joined by members of the City Council and representatives of the investment community, announced that Standard and Poor's, the New York-based investment rating firm, has raised the City of Boston's bond rating from "Triple B Plus" to "A Minus." This marks the highest bond rating for the city since 1980 and will result in significant interest savings for the city and its taxpayers, both in short- and long-term borrowing.

Mayor Flynn termed Standard and Poor's decision "a direct reflection on the progress that this city has been making to get its financial house in order, through the ending of an inherited deficit and with the imposition of strong management controls. The increase in Boston's bond rating to the grade of A minus is a direct benefit to the people of Boston and their neighborhoods."

Standard and Poor's, in announcing the improved bond rating, stated that, "the upgrade reflects continued financial progress, an expanding economic base, a manageable debt level, and a strong management team. Boston's economic base continues to grow with income and employment gains exceeding the national average."

Mayor Flynn defined the benefits for Boston residents of the upgraded bond rating in two parts. "First," he said, "it means that we can continue our joint efforts to improve the quality of life in every neighborhood through capital improvements in areas such as schools, libraries, parks, roads, and public safety."

"Secondly, it means that we can do this more cost-effectively, making significant savings on the interest we otherwise would have to pay on our bonds. This is good news for taxpayers."

The Mayor then expressed his gratitude toward those whose cooperation helped make this progress possible, including the City Council, Sam Tyler of the Municipal Research Bureau, and the Administration's financial team; Ray Dooley, George Russell, Bob Bielek, and Leon Stamps.

ABCD HEAD START RECRUITS BOSTON PRESCHOOLERS

Parents can give preschoolers a "head start" in life by enrolling them in Action for Boston Community Development's (ABCD) Head Start program. According to an HHS (Health and Human Services) study, early educational programs significantly affect a child's achievement in school. Low-income children enrolled in preschool programs score higher on achievement tests and are less likely to be held back a grade or require special education classes.

Head Start, a federally funded child development program offered free of charge, provides children between the ages of two years and nine months and four years of age, and their parents, with opportunities for educational and social development. ABCD operates thirty-seven Head Start centers throughout Boston's neighborhoods where children of diverse ethnic and cultural backgrounds discover the excitement of learning and friendship through supervised play. Head Start classes are staffed by trained teachers and their assistants. Special needs children are mainstreamed into the program and receive special attention. Children also profit from the nutritious lunches and comprehensive medical and dental screening provided.

But Head Start is not just for children. The staff assists parents in finding jobs while encouraging them to enroll in training or educational programs. Other services provided by the Head Start

staff include helping parents improve parenting skills, acting as the family's advocate, and providing assistance in crisis situations. Parents are also encouraged to take an active role in the Head Start program by volunteering and serving on their local Head Start parent committees or Head Start City-wide Parent Council.

ABCD Executive Director Robert M. Coard says, "Head Start has always been a large, important, and highly successful ABCD program. In a system like ABCD, with programs spanning the life cycle, we see first-hand what sociological studies have documented: Head Start, with its positive influence during the all-important preschool years, has a lasting influence on the lives of low-income children and their families."

ABCD has administered Head Start in Boston since its inception in 1965. Today the program serves over 2,000 children and their families. Audrey Melick, director of ABCD's Head Start program says, "Boston's Head Start is a wonderful program! Due to current economic pressures, low-income residents of Boston need Head Start services now more than ever before. Children love the program; they enjoy themselves while developing educational and social skills instrumental for their future. Head Start graduates assume positions of leadership in school and have more realistic aspirations related to their career plans."

ABCD's Head Start program, funded at approximately \$7 million, serves Boston children and their families in thirty-seven centers throughout the city offering a wide range of education, nutrition, health and social services. For more information, call ABCD Head Start at 357-6000, ext. 388.

in New England, with funding from a variety of sources totaling over \$30 million annually. The agency is a private, non-profit corporation established in 1962, with the majority of board members elected from Boston's neighborhoods through the decentralized ABCD neighborhood network. ABCD programs include Fuel Assistance, Foster Grandparents, Head Start, Day Care, Center for Jobs, Education, and Career Training, the Summer Youth Employment Program, a tuition-free, accredited Urban College Program administered in conjunction with area colleges and universities, Health Services, Community Services, and others.

MAYOR URGES NEIGHBORHOOD PARTICIPATION

Boston Mayor Raymond L. Flynn was joined by South End housing advocates, neighborhood leaders, and concerned residents to announce that after ten months of give-and-take community meetings a compromise emerged that addresses the deep concerns held by South End residents, particularly regarding the need for affordable housing. The compromise plan also calls for preserving open space, maintaining the residential character of the neighborhood, and prompting neighborhood stability.

After careful review of both the neighborhood's comments and the BRA's thorough financial analysis, the compromise position called for one-third of the units to be made affordable to families with incomes at or below 50 percent of the SMSA median income; one-third at or below 80 percent of the SMSA median; and one-third at market levels. The plan not only has the overwhelming support of the neighborhood, it is also in keeping the Flynn administration's goal of maximizing affordability whenever the city sells vacant land or buildings for housing development.

Freida Garcia, Executive Director of United South End Settlements and a South End resident, said, "Mayor Flynn has made it clear that the city administration not only believes strongly in neighborhood participation and access, but also in using city leverage, such as the use of vacant city land and

buildings, to expand the supply of affordable housing for low- and moderate-income people in Boston's neighborhoods."

Pat Cusick, Executive Director of the South End Neighborhood Action Program (SNAP) and longtime South End resident, said, "I want to commend the South End community for its unique, all-inclusive ten-month process that yielded the neighborhood's recommendations — and a special commendation to Mayor Flynn for his leadership on two critical points: the issues of affordability and being totally responsive to the community's recommendations. This is an important and significant decision by the Mayor and it's clear to folks like me who may not have been political supporters in the past that we can and will work together for important change and progress in Boston."

Jeanette Boone, President of the Four Corner's Neighborhood Association, praised the Mayor's decision as "a major breakthrough in giving longtime South End residents an opportunity to have a meaningful role in establishing community consensus around valuable city-owned property."

Ms. Boone went on to say, "This important partnership is critical to the long-term interests of the South End."

Mayor Flynn stated, "I want to thank the people in my administration for working so hard to come up with a proposal that not only meets the goal of af-

fordable housing but respects the overall residential character and quality of this very diverse neighborhood." He particularly thanked BRA Director Stephen Coyle, John Riordan, of the Mayor's Office of Neighborhood Services, Michael Taylor, Elderly Affairs Commissioner, and Jim O'Donnell, Executive Director of the Boston Retirement Board and longtime South End resident.

T PASSES TO BE SOLD AT CITY HALL

Mayor Raymond L. Flynn and MBTA Director James O'Leary have announced that MBTA Monthly T Passes will be available for purchase at City Hall. Beginning Monday, February 23, 1987, MBTA transit and commuter rail passes will be available to all City Hall employees and to the general public.

Mayor Flynn said "The T Pass Program is vital to the city's effort to promote the use of public transportation as a way of reducing the number of vehicles coming into Boston on a daily basis. I strongly encourage commuters to take advantage of our public transit system and I am pleased to have City Hall participate in this invaluable program."

Monthly T Passes will be available at Window 12A on the Mezzanine at City Hall from 9 a.m. to 3 p.m., Monday, February 23, through Friday, February 27. This program will be implemented the last week of each month on a permanent basis. For more information, contact the MBTA's Sales and Marketing Office at 722-5219.

The March MBTA passes will be the first sold at City Hall. They will be available for sale on Monday, February 23, through Friday, February 27. They may be purchased from 9 a.m. to 3 p.m. at the Treasury Department, City Hall, Window 12A on the Mezzanine.

of ensuring pay equity for all city workers. I am confident that this Commission will assist in the major effort of reclassification of all positions, a task that has not been done since 1963," said Mayor Flynn.

"I believe an effort such as this will go a long way toward making Boston a model employer. I look forward to working with labor, women's groups and the City Council to ensure the continued progress of women and minorities in the workforce," continued the Mayor.

The seven-member Commission will be appointed by the Mayor and will include representatives from labor, the personnel profession, and women's organizations. Ex-officio members will include a member of the City Council, the Advisor to the Mayor on Women's Issues, and the city's Director of Personnel Management.

"The Comparable Worth Commission will complement the work of the Women's Commission and the Office of Personnel Management in expanding opportunities for women in the city's workforce," said Mayor Flynn.

WOMEN OF THE CALABASH PERFORMANCE AT CHILDREN'S MUSEUM

The Children's Museum, in collaboration with the Dance Umbrella, presented special performances during February vacation week by Women of the Calabash, on Saturday, February 21. This group's performance was part of the Museum's Black History Celebration.

The four-woman company revive a rich, rhythmic heritage stemming from the heart of African music. Combining traditional instruments and music forms with contemporary influences, the Women of the Calabash performed music from Africa, Latin America, the Caribbean and Black America.

At the Museum, older kids not only viewed a performance which was hailed by Jon Pareles as "a crossfire of rhythm, melody and motion that is . . . irresistible," but they also learned more about the calabash and other percussive instruments as well as discovering how contemporary music is often rooted in ancient traditions. Women of the Calabash also performed at the Strand on February 20 and 21.

The performances at the Museum were free with Museum admission. The Children's Museum is on Boston's waterfront at Museum Wharf, 300 Congress Street, a short walk to Faneuil Hall Marketplace and accessible by public transportation. The Museum was open daily, 10 a.m. to 5 p.m., during the school vacation week. For information about other scheduled events, call the What's Up Line: (617) 426-8855.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Improvements to Franklin
Park Entrance at Humboldt Avenue, West
Roxbury, Mass.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, Mass., hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Franklin Park Entrance at Humboldt Avenue, West Roxbury, Mass."

SCOPE OF WORK includes: Furnishing of all labor, materials, equipment for new sidewalks, edgestone, roadways and landscape work.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, March 10, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about February 23, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 3, 1987, at 10 a.m., Boston time.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 3, 1987, at 10 a.m., Boston time.

PUBLIC FACILITIES DEPARTMENT

The Quincy School Community Council, Inc., hereinafter referred to as the Awarding Authority, through funding from the Public Facilities Department, under support from the Community Development Block Grant, invites contractors to bid the following project:

Site: The Quincy School Community Council, Inc., 36 Oak Street, Boston, MA 02111.

Scope of Work: Electrical, heating, radiation, walls, ceilings, and floors.

Remarks: General Contractors.

Time and Place for Filing Bids: ALL BIDS shall be filed with the Awarding Authority at the above address before 10 a.m., on March 18, 1987, at which time and place respective bids will be opened forthwith and read aloud. Contractors planning to submit bids should plan to attend a prebid meeting specifying the extent of the renovations. The prebid meeting is scheduled as follows: the Quincy School Community Council, Inc., 885 Washington Street, Boston, MA 02111, March 4, 1987 — 10 a.m.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by

DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on February 25, 1987, at the Quincy School Community Council, Inc., 885 Washington Street, Boston, MA 02111, through Jim McDonald at 426-6660. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check, or cashier's check, made payable to the Quincy School Community Council, Inc.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements.

This is a federally assisted project, and, therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker in this project.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent (or 30 percent if in the impacted area; see contract documents) of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provisions of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, MARCH 2, 1987

NO. 9

MAYOR FLYNN UNVEILS STATE-OF-THE-ART FIRE-FIGHTING EQUIPMENT

Mayor Raymond L. Flynn joined Fire Commissioner Leo Stapleton in unveiling brand new fire-fighting equipment purchased for seven of the city's neighborhoods. Mayor Flynn said this is the largest addition to the city's ongoing effort to upgrade the city's fire-fighting arsenal.

Purchased under the City of Boston's Capital Plan, the new 1250 GPM pumpers and a new rescue unit were unveiled at a cost of \$839,923.

Since Mayor Flynn launched the city's Capital Investment Program to improve public safety in 1984, Boston's Fire Department has been able to replace more than 60 percent of its front-line fire fighting equipment. This includes the seven new trucks which will serve Roxbury, Beacon Hill, East Boston, North End, Dorchester, Roslindale, and Mattapan.

Mayor Flynn said: "The best fire department in the country deserves the best equipment. This state-of-the-art apparatus is part of our ongoing effort to provide the best public safety possible to neighborhood residents. The new equipment is more efficient and will reduce response time to fires."

Fire Commissioner Leo Stapleton noted that since 1984, the city has purchased a total of thirty-two new pumpers, two, heavy-duty units, a rescue vehicle, nine ladder units, one aerial unit and 10,000 feet of new hose. Commissioner Stapleton said, "The new equipment will enable us to better protect the public."

Commissioner Stapleton also noted that Boston is the first major city in the country to receive these newly acquired state-of-the-art pumping units. "This capital investment has not only improved public safety, but has also boosted fire fighters' morale," said Stapleton. The Fire Commissioner pointed out that before the city began its program of upgrading public safety, only 20 percent of the Boston Fire Department's equipment was rated in good condition.

The city has committed more than \$10 million for Fire Department equipment replacement and building renovations. Some \$6.3 million has been spent on upgrading equipment and \$4 million

is being used for restoring all of the fire stations in the city's neighborhoods.

Upgrading the Boston Fire Department equipment has reduced fire fighters' response time significantly. Computers help cut the time to respond to an emergency from an average one and a half minutes to between eight and ten seconds.

According to Commissioner Stapleton, the 1250 GPM pumpers unveiled can arrive at the scene of the fire much faster. With the improved design, fire vehicles have greater maneuverability for Boston's narrow streets.

The new pumpers' "CYCLONE" design allows each vehicle a carrying capacity of 250 gallons. Commissioner Stapleton said several technical features allow more efficient use of both equipment and manpower so that fire fighters can begin hosing down a fire several minutes faster.

Mayor Flynn said, "This administration is continuing its accelerated program of modernization for the Fire Department. Nearly everyone would agree that our chief weapon for fighting fires is a professional department which uses the most modern and efficient fire-fighting equipment possible."

Some of the fire-fighting equipment purchased under the city's Capital Plan includes:

- Hazardous Materials Truck
- Pumper-Foam Tower Unit
- Air Bottle Truck
- Triple Combination Pumper Truck
- 1250 GPM Pumper Trucks
- Aerial Ladder Truck
- Heavy Duty Rescue Vehicles

Before the city began replacing equipment, the Fire Department was burdened with the costs of trying to maintain and repair a stock of aging equipment. That problem was compounded with the budget-cutting effects of Proposition 2-1/2, which

diminished the number of fire companies and fire fighters, forcing greater burdens on the older equipment. An in-house Fire Department study showed that costs for spare parts and maintenance were reaching levels close to the cost of new vehicles.

Training on these new units began in February for use by mid-March.

of automotive supplies to submit applications for the bidding of same.

On August 22, 1985, your Honor approved the award of eight publicly advertised contracts, in the amount of \$90,000 each, for furnishing automotive supplies to the various city departments, for the eleven-month period August 1, 1985, to June 30, 1986.

Paul's Clutch and Machine Co., Inc., 865 Massachusetts Avenue, was not aware of the request to submit application in July 1985, and has now submitted application. Paul's Clutch and Co., Inc., has met all requirements and standards established by the purchasing agent to supply automotive supplies to the various city departments.

We respectfully request an amendment to our award letter addressed to your Honor dated July 31, 1985, by adding one additional supplier of automotive supplies, thereby increasing the number from eight to nine.

Therefore, your Honor's permission is respectfully requested to award a contract for the eleven-month period August 1, 1985, to June 30, 1986, to Paul's Clutch and Machine Co., Inc., 865 Massachusetts Avenue, in the amount of \$90,000, net, a cost consider reasonable.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

HEALTH AND HOSPITALS DEPARTMENT

Medical Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Dr. Ted Mayer for provision of consultation services in pathology and laboratory medicine at Mattapan Hospital, for the period July 1, 1985 through June 30, 1986, at a cost not to exceed \$5,200.

This amendment will increase the contract sum by \$2,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$7,200.

The original contract stipulated that the consultant services would not exceed eight hours per month. After reviewing the services provided, the medical director has determined that the service should be increased so as not to exceed two hours per month.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of the amendment.

Very truly yours,

Lewis W. Pollack,
Commissioner

Automotive Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the following contract for the amount shown:

Contract C0269-86; vendor, Pier Garage, Inc. d/b/a Pier Transmission, 221 Northern Avenue, amended amount, \$10,000; new contract amount, \$18,000.

The original amount requested for the above contract was estimated, for the period July 1, 1985 through June 30, 1986. It is difficult to estimate the amount of work that will be needed on ambulances, trucks and automobiles. This amendment is necessary to cover the costs of repairs that were either underestimated or not anticipated.

In view of the above, and because, in my opinion, the contract increase is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Testing Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the letter of award for a contract with Brigham and Women's Hospital, 10 Vining Street, for the period July 1, 1984, through June 30, 1985, at a cost not to exceed \$6,500.

Under this contract, the vendor will provide LS Ratio and DSPC testing for Boston City Hospital patients. Brigham and Women's Hospital is the only vendor in the area that performs this test on a stat basis.

An amended letter of award signed by the Mayor on March 5, 1985, increased the contract amount by an additional \$6,500, thereby increasing the city's total liability under this contract to an amount not to exceed \$13,000. Brigham and Women's Hospital has never signed this amendment.

Because the Ob-Gyn physicians are requesting this test more frequently on their high-risk patients, the volume of testing required continued to rise and now the department needs an additional \$8,569.97, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$21,569.97.

In view of the above, because of the special nature of these services, and because the cost is reasonable, I recommend approval of this amendment.

The Contract Office had been waiting for the first amendment to be executed before processing the second amendment. When the documents were not returned by the end of the fiscal year, priority was given to fiscal 1986 contracts.

It is now more advantageous to amend the letter of award and request one set of signed contract documents from the vendor rather than two sets. For these reasons this letter of award is being submitted late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Repairs of Wheelchairs, etc.

Dear Sir:

Pursuant to the authority, delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with First Medical, Inc., 1032 Commonwealth Avenue, for repair and/or refurbish litters and wheelchairs at Boston City Hospital for the period July 1, 1984, through June 30, 1985, at a cost not to exceed \$6,000.

This amendment will increase the contract sum by \$6,455.76, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$12,455.76.

This amendment is necessary because the department underestimated the volume of repairs that would be required when the original request was made.

In view of the above, and because the cost, in my opinion, is reasonable, I recommend approval of this amendment.

These expenses were incurred in the last quarter of the fiscal year and because the Contract Office

gave priority over amendments to 1986 contracts, this letter of award is being submitted late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Vocational Training

Dear Mayor Flynn:

On July 24, 1985, your Honor approved an award of a contract, without public advertising, for Dimock Community Health Center, a nonprofit organization, located at 55 Dimock Street, Boston, for the purpose of operating a vocational training program for forty-two Job Training Partnership Act-eligible City of Boston participants for positions in the allied health field. The participants are being trained in the areas of operating room technicians, nursing assistants and central supply technicians. In addition, the contractor provides counseling and job placement services to the participants.

Your approval is requested to amend this contract. This amendment will increase the contract amount to allow the contractor to operate an additional Third Party Biller Training Program to serve fifteen additional clients. The clients will be trained in the areas of operational procedures and codes involved in the processing of Medicare, Blue Cross, and other insurance bills. Training will include an internship in Boston area hospitals. Negotiations and funding levels had not been completed when the original award letter was written. This amendment will increase the contract amount from \$90,180 by \$44,033, to a total cost not to exceed \$134,213. The contract will continue to be effective for the period July 1, 1985, through June 30, 1986. Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. This request was delayed due to the time involved in negotiations and subsequent budget development.

As this amendment is for a program at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertisement. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

On July 24, 1985, your Honor approved an award of a contract, without public advertising, for Oficina Hispana, a nonprofit organization, located at 125 Amory Street, for the purpose of operating a training program for thirty JTPA-eligible participants. The participants are being trained in the areas of basic office skills, advanced office and management procedures, word and data processing, legal and medical office assistance and basic electronics. In addition, the contractor provides counseling and job placement services to the participants.

Your approval is requested to amend this contract. This amendment will allow the contractor to provide training and support services in the areas listed above for ten additional JTPA-eligible participants. Negotiations and funding levels for these participants had not been completed when the original award letter was written. This amendment will increase the contract amount from \$50,000 by \$24,329, to a total cost not to exceed \$74,329. The

contract will continue to be effective for the period July 1, 1985, through June 30, 1986. Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. This request was delayed due to the time involved in negotiations and subsequent budget development.

As this amendment is for a program at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT Legal Services

Dear Mayor Flynn:

On August 21, 1985, your Honor approved an award of a contract, without public advertising for bids, to William Smith, Esquire, of the law firm McCormack & Putziger, located at 265 Franklin Street, for legal services and representation to the City of Boston in the case of: *Freeman vs. The City of Boston*, No. 84-2995-N (U.S. District Court) during the period July 1, 1985, through October 31, 1985, at a cost not to exceed \$5,000.

Your approval is requested to amend this contract to provide for additional work required given the nature of the case which Mr. Smith was retained and an additional case which arose for which Mr. Smith's talents are uniquely suited: *Leo Stapleton vs. Wayne Budd*, No. 85-199 (Appeals Court). The cost of this amendment, which is effective on November 1, 1985, shall not exceed \$10,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$15,000. The period of performance shall be extended to December 31, 1985.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is being submitted late due to administrative inadvertence.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

TREASURY DEPARTMENT Tax Collection Services

Dear Mr. Mayor:

On July 29, 1985, your Honor approved award of a contract without public advertising to Thomas Sexton, an individual located at 755 Adams Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes during the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$10,500.

Your approval is requested to amend this contract to provide for an increase in hourly compensation which was not provided for in the terms of the original contract due to the need for a greater amount of work by Mr. Sexton than originally anticipated. Mr. Sexton will continue to work part time at the new rate of \$6.50 per hour, effective November 25, 1985. The total amount of this contract as amended will not change.

The period of performance shall remain July 1, 1985, through June 30, 1986.

Respectfully yours,
George A. Russell, Jr.,
Collector-Treasurer.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Improvements
to Park Benches on the Boston Common.**

The City of Boston, acting by the Parks Commissioner, Room 816, Boston City Hall, Boston, MA 02101, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project described below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and conditions of the contract document entitled: "Improvements to Park Benches on the Boston Common."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment for construction of new park benches and victorian style benches and restoration of lawn areas. Estimated cost, \$50,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, March 10, 1987, opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. A duplicate copy of the bid shall be filed with the Auditor, City Hall, Boston, Mass., previous to time named for opening of bid. The Awarding Authority reserves the right to waive any informality, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Friday, February 23, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must provide satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form." Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of bid proposal.

A completed Minority Business Identification Form (MBU-IS-A) shall be submitted for each minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bidding, that is not included in the Minority Business Directory published by the Office of Minority Affairs. Copies of the Minority Business Identification Statement are available at the City of Boston and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 3, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C9CN17, EAST ROUTE BRIDGE REPAIRS, NEWBURYPORT AND SALISBURY, MASSACHUSETTS, will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 23, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of furnishing labor, materials as specified, tools and equipment for repairs to the bridge pier and fender system consisting of: re-grouting of piers and abutments above and below mean sea level; realigning of granite blocks in piers; replacing and installing staples in granite blocks; remove debris and deteriorated concrete at drum pier; repair drum pier with steel formed reinforced grout; remove existing piles at fender system and install new piles; and replace

miscellaneous timber members of fender system.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 25, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 8 percent and WBE 1 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. James L. Eng, 21 Arlington Avenue, Charlestown, MA 02129, Telephone Number (617) 722-5806. A prebid conference will be held on March 11, 1987, at 10 a.m. at the above office. Any request for interpretation of specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The attention of all bidders is directed to the provisions of the contract documents and specifically

to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check on, or a treasurer's or cashier's check issued by responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on this contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provision of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements: Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form must be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of

Directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Improvements to Franklin
Park Entrance at Humboldt Avenue, West
Roxbury, Mass.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, Mass., hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Franklin Park Entrance at Humboldt Avenue, West Roxbury, Mass."

SCOPE OF WORK includes: Furnishing of all labor, materials, equipment for new sidewalks, flagstone, roadways and landscape work.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, March 10, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about February 23, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Parks and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 3, 1987, at 10 a.m., Boston time.

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at 45 Nashua Street and 36 Accolon Way, for the term of one (1) year beginning April 1, 1987, and ending March 31, 1988, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Nashua Street/Accolon Way Parking Facility may be obtained daily (except Saturdays, Sundays, and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston,

for a non-refundable fee of twenty-five dollars (\$25) for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at 45 Nashua Street and 36 Accolon Way, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m., on Wednesday, March 18, 1987, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000) made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

Proposal for Purchasing of General School and Office Supplies for FY 87/88 for Boston Public Schools.

The School Committee of the City of Boston invites bids for purchasing of general school and office supplies for FY 87/88 for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Purchasing of General School and Office Supplies for FY 87/88. Bid date: Wednesday, March 25, 1987." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Wednesday, March 25, 1987. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

MAYOR FLYNN'S ACCELERATED HOUSING PRODUCTION PROGRAM

Boston Mayor Raymond L. Flynn and Inspectional Services Commissioner William Sommers, have announced that individuals and developers can receive permits to start housing construction faster, under the "Fast Track Housing Permit Program." "This is a major new initiative to encourage the development of affordable housing in Boston," Mayor Flynn said.

The Accelerated Housing Production Program, announced earlier this year, supports Mayor Flynn's goal to increase the availability of affordable housing. The program is a cooperative effort of the Department of Inspectional Services, Public Facilities, the Mayor's Office of Neighborhood Services and the Boston Redevelopment Authority.

"This administration remains committed to creating new housing opportunities. We are continuing to unlock the doors for families locked out of the housing market," Mayor Flynn said.

The Fast Track Housing Permit program will process permit applications for developers and individuals faster. For the exception of zoning appeals, inaccurate application information or high rise developments, permits could be processed within 10 weeks of a complete filing.

This will be accomplished by a rapid review of zoning and building plans, quicker turn-around at the board of appeals, and, where feasible, an affidavit process to speed permit review for larger, more complicated structures. Priority attention will be given to projects approved as "Affordable Housing" by the Boston Redevelopment Authority and Public Facilities Department.

- Technical assistance on housing permits will help individuals speed up their applications so planned developments are in compliance with zoning regulations.
- Inspectional Services will conduct a weekly "Permit Assistance Session" to guide housing applicants through technical requirements.
- Permit Assistance Sessions will be brought to city neighborhoods and held periodically at hours convenient for working people.
- The program will be administered at no extra cost and with no additional manpower.
- Inspectional Services will also initiate a "Fast Track" system to process permit applications for the construction of new housing or the

rehabilitation of vacant and abandoned structures.

The Fast Track Housing Permit Program:

- Encourages construction of new housing;
- Processes permit applications within two weeks;
- Speeds up construction for new homes and rehabilitation of vacant and abandoned structures;
- Provides technical assistance and periodic sessions for homeowners and builders who cannot attend regular sessions during the work day.

Mayor Flynn's initiative to provide affordable housing for Boston families also includes a schedule for full occupancy of BRA housing developments, an ongoing search for state financial support and implementing new procedures for disposing of city-owned, abandoned housing through community development corporations and commercial developers.

Last year, the City of Boston saw the greatest number of new housing starts in years, with more than 3,700 units secured. Of the city-assisted housing initiatives, over 75 percent of that housing was affordable, reaching to moderate- and low-income people throughout the City of Boston.

Mayor Flynn concluded that: "The production and protection of affordable housing will continue to remain the highest priority of my administration."

MAYOR APPOINTED TO NATIONAL LEAGUE OF CITIES POSTS

Mayor Raymond L. Flynn has been appointed to the National League of Cities (NLC) "Election '88 Task Force." The panel, which is co-chaired by Cleveland Mayor George Voinovich and Mayor Charles Royer of Seattle, has been charged with the responsibility of carrying the message of cities and towns to presidential candidates, the media, and the public throughout the upcoming election year.

Mayor Flynn has also been named to the NLC's Energy, Environment and Natural Resources Steering Committee. In this capacity, Mayor Flynn will assist in developing NLC policy recommendations and reactions to Congressional and federal government initiatives.

According to NLC's Executive Director Alan Beals, steering committee members are selected on the basis of expertise and interest in the subject area. As an NLC member, Mayor Flynn has worked extensively on behalf of the Clean Water Act, which will provide funding for the cleanup of Boston Harbor.

"I am pleased to be appointed to these committees. I will work hard to pursue the concerns of Boston's neighborhoods at the federal level. The issues facing cities like Boston are now more crucial than ever, since the federal government has abandoned municipalities across the country," said Mayor Flynn.

VI. COMMENDATIONS

On February 1, 1987, at 0526 hours, Box 6116 (two alarms) was struck for 11 Seaver Street, East Boston, District One. Fire Fighter Thomas J. Carideo of Engine Company 56, while off duty and a resident of the third floor of a twelve-family apartment building, was awakened by the smoke detector alarm system and other occupants crying in distress. He immediately reported the fire to Fire Alarm and proceeded to alert other sleeping occupants by knocking on doors. While departing via the front stairs he found two children in a dazed condition and carried them to safety.

Fire Fighter Carideo reentered the building and assisted other occupants to the street. The above

actions were taken just before the main entrance was completely cut off by fire. He then proceeded to the rear of the building and assisted Engine Company 56 in running and advancing their line via the basement and over the stairs to the main body of fire on the first floor. Numerous occupants reported to the District Chief the actions performed by Fire Fighter Carideo.

The Fire Commissioner is pleased to commend Fire Fighter Thomas J. Carideo of Engine Company 56 for his quick action and dedication to duty and makes this commendation a part of his personnel folder.

On February 14, 1987, at 1548 hours, Box 313 (working fire) was struck for a fire at 343 Geneva Avenue, District 7. Fire Fighter Douglas E. Powell of Engine Company 14, while off duty and driving past the location, observed fire and smoke within the building. After stopping and directing a passerby to sound an alarm from the nearest fire box, he entered the building, alerted and assisted the occupants of all three floors to safety. Upon exiting, Fire Fighter Powell closed doors so as to prevent the spread of fire and smoke. He then proceeded to assist the pump operator of the first arriving engine company in connecting up to the hydrant.

The Fire Commissioner is pleased to commend Fire Fighter Douglas E. Powell of Engine Company 14 for his quick action and dedication to duty and makes this commendation a part of his personnel folder.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Budget Division

Revenue Monitoring Services, etc.

Dear Mr. Mayor:

I respectfully request your permission to award a contract, without advertising, to Miss Laura M. D'Aletto, 105 Cedar Street, Quincy, for the period December 15, 1985, through June 30, 1986, at an hourly rate of \$7.50, not to exceed \$8,500.

Under the terms of this contract, Miss D'Aletto will provide professional services in revenue monitoring and related statistical analysis to a budget team. She has been working in the Budget Office, under a service order, since October 16, 1985, and has participated in the research and development of a ten-year expenditure report as well as the revenue monitoring system. She has rapidly learned how to handle volumes of data entry into our computer system which will be invaluable to this office in rebuilding the historical database. She has proved to be a valuable asset to this department.

Miss D'Aletto has a BA from Sienna College, McDonoughville, New York. She served as a student

intern for the Rensselaer County Probation Department and coordinated and ran the Probation Employment Program.

In my opinion no benefit will inure to the city by publicly advertising for these services.

Very truly yours,

Stuart Vidockler,
Budget Director.

Health Benefit and Insurance Division

Research Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Catherine C. Cassidy of 13 Harvard Street, Charlestown, for professional services to be rendered to the Health Benefit and Insurance Division of the Administrative Services Department.

Under the terms of the contract, Ms. Cassidy will be responsible for research pertaining to health policy development for the City of Boston and other health-related tasks as designated by the insurance coordinator.

Ms. Cassidy holds a master's degree in health policy from Brandeis University and previously developed health policy for the office of Hon. State Senator Gerard D'Amico.

Compensation under this contract shall not exceed \$18,500, which I have determined reasonable for the work to be performed. The contractor shall be paid at the rate of \$16.36 per hour, with available funds from appropriation code 1-01-48-290. The period of this contract shall be from December 2, 1985, through June 30, 1986.

Due to an unforeseen administrative lag, this letter of award is being submitted late.

Because of the professional nature of the work to be performed I believe that public advertising would serve no useful purpose.

Sincerely,

Jeanne Strain,
Insurance Coordinator.

Purchasing Division
Police Cruisers

Dear Mr. Mayor:

Under General Laws, chapter 7, section 22 B, two or more political subdivisions may join together for the purpose of obtaining and accepting competitive bids on similar items of materials, supplies equipment or services which they intend to purchase.

Pursuant to this law, the City of Newton, on behalf of the Greater Boston Police Council (GBPC), publicly advertised for bids to provide automotive equipment to the Police Departments of the member cities and towns. The lowest bidder meeting specifications was Natick Ford, and contract was awarded to Natick Ford for a five-year period, from May 1982, to May 1987. The Boston Police Department is a member of the GBPC.

The Purchasing Division has received a requisition to purchase forty marked cruisers at \$13,885 each for a total cost of \$555,400.

The Boston Police Department has stated that the purchase of the above-mentioned automotive equipment under the GBPC contract will result in a substantial savings. The advantage of purchasing through the existing GBPC contract is that substantial sums of money can be saved because the contract prices were based on large quantities of uniform equipment extended over a period of five years with an explicit escalation clause based on 1982 pricing.

The equipment to be supplied is compatible with equipment already in daily use in the Police Department. The equipment will also satisfy the present

automotive requirements and those that will be instituted in the future.

It is my opinion, and that of the Police Department, that the cost of this item is reasonable and that the purchase of the equipment from Natick Ford under the GBPC contract would be in the best interest of the city.

Accordingly, your permission is requested to award a contract, without further advertising, to Natick Ford, having a principal place of business at Natick, in an amount not to exceed \$555,400, net.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

Hydrants Control System

Dear Mr. Mayor:

The Purchasing Division has received a requisition from the Fire Department to purchase one Intelligent Systems Co., Intecolor Model F 8053 terminal.

The terminal in question is used to control the high pressure hydrant system in the downtown area of the city. The control system is specifically designed to use this particular terminal; and the vendor of the original system, Q.E.I., says there is no viable alternative to the terminal. The award price will include ninety days repair and replacement of any defective material.

The proposed vendor, Northern Computer, Canton, has the terminal in stock.

There is no backup to the present terminal, the terminal now in place is the backup unit for the original terminal. The original terminal failed, and it is not possible to repair and return the unit to service.

Therefore, permission is respectfully requested to award a contract without public advertising to Intecolor Corporation, Intecolor Drive, Georgia, in an amount not to exceed \$4,250, net, a cost I consider reasonable.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

Fire Apparatus

Dear Mr. Mayor:

Your Honor's permission is requested by the Boston Fire Department to award a contract, without public advertising, for fire apparatus manufactured by Emergency One, Inc., of Florida, and distributed by Greenwood Fire Apparatus, Inc., of North Attleboro.

The fire apparatus requested is as follows: three, 110-foot Aerial Ladder Trucks; three, 1,250 GPM Pumper Trucks; one Heavy Duty Rescue Vehicle.

The Boston Fire Department has undertaken massive rebuilding programs to replace fire apparatus that has deteriorated badly from age and use.

Emergency One Apparatus was first chosen in July, 1984, through a public advertising process. From July, 1984, to July, 1985, twenty-six pieces of equipment have been purchased from Emergency One and all have met or exceeded the Fire Department's stringent requirements for operational performance. This measure of performance has been documented from over 30,000 response to fires and other emergencies.

This performance level parallels performance of Emergency One apparatus in several other major American cities such as, Chicago, Rochester, and in Fairfax County, VA, as well as in local communities of Newton, Waltham, and Quincy, MA.

The Fire Department decision to continue with Emergency One apparatus was based on the following factors: Documented quality performance levels; standardization of apparatus which permits

reduction of parts inventories from multiple manufacturers and less complications with, and faster training of, operational and maintenance personnel which lessens potential difficulties in operations and decreases maintenance down time.

Major maintenance can be performed at the local distributor located only thirty-three miles from Boston, Greenwood Fire Apparatus Company in North Attleboro. Greenwood has a complete repair and maintenance facility which has proven its capabilities in past instances.

Emergency One will meet, or exceed, the required delivery dates. Past experience with several other manufacturers has shown poor delivery performances, which has resulted in unplanned maintenance expenses of older units scheduled for replacement.

Emergency One will provide the specified units to the City of Boston with a firm price schedule per unit, that will not reflect a 4 percent price increase that took effect on December 1, 1985. In addition, if all seven units of apparatus are purchased from Emergency One, they will extend further pricing reductions that would amount to a total cost savings to the City of Boston of \$86,000.

Accordingly, your Honor's permission is respectfully requested to award a contract, without public advertising and for delivery as scheduled, to Greenwood Fire Apparatus, Inc., North Attleboro, for fire apparatus manufactured by Emergency One, Inc., in the amount of \$1,210,000, net, a cost I consider reasonable, and that public advertising would serve no useful purpose.

Respectfully,
John F. Scalcione,
Purchasing Agent.

**AFFAIRS OF THE ELDERLY
Project "Bright Eyes"**

Dear Mr. Mayor:

Your permission is hereby requested to award a contract, without advertising to the National Society to Prevent Blindness, Massachusetts Affiliate, Belmont, for the operation of Project "Bright Eyes" within the City of Boston in an amount not to exceed \$5,000 for the period October 9, 1985, through June 30, 1986.

Project "Bright Eyes," a free optical testing and follow-up program for the elderly, will be conducted twice monthly during the fall, winter and spring months with an approximate monthly caseload of forty persons and is a joint venture between the Commission on Affairs of the Elderly and the National Society to Prevent Blindness, Massachusetts Affiliate who have satisfactorily performed this service in the past.

The funds to be provided under this contract will be used to meet food, professional and other administrative costs incurred by the society in the amount of approximately \$500 per month which is reasonable for the service to be provided.

Due to the unique nature of the service to be delivered it is hereby requested that the commission be allowed to dispense with public advertising in awarding this contract.

Administrative delays within the department are responsible for this award letter being submitted late.

Sincerely,
Michael Taylor,
Commissioner.

**ASSESSING DEPARTMENT
Consultant Services**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a

contract to Judith Franklin, 114 the Fenway, for professional services as a consultant to the Assessing Department.

Under the terms of the contract, the contractor will assist the staff in administering the processing of FY '86 personal property assessments (a) implementation, control, and verification procedures; also (b) training assistant assessors; and (c) developing estimation techniques and bill procedures for personal property assessments.

The contractor is uniquely qualified to perform this work because of her extensive training and background. She has developed and implemented personal property assessment systems.

Compensation under this contract shall not exceed \$8,400, which I have determined to be reasonable for the work to be performed. The contractor shall be paid at the rate of \$20 per hour.

The term of this contract shall be from January 1, 1986, through June 30, 1986.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
William B. Coughlin,
Commissioner.

Real Property Appraiser Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Thomas E. Brown, Brockton, for professional services as a real property appraiser to the Assessing Department.

Under the terms of the contract, the contractor will review computer-generated and field-reviewed values for consistency and accuracy, identify and resolve problem properties, provide data corrections and maintenance, and value recommendations.

Mr. Brown is uniquely qualified to perform this work because of his previous appraisal work and training.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$250 per diem.

The term of this contract shall be from January 1, 1986, through June 30, 1986.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
William B. Coughlin,
Commissioner.

PUBLIC WORKS DEPARTMENT

REQUEST FOR PROPOSALS

The City of Boston's Public Works and Auditing Department jointly invite your proposal to perform audit of the Public Works Department's Street Opening Account (Special), for the period July 1, 1983, to June 30, 1986.

The objectives of the audit will include, but not be limited to, the following:

- Review the adequacy of the internal controls over the Street Opening Account's Transaction Cycles (permits, issuance, cash receipts, billings, receivables and cash disbursements).
- Compliance with the city's policies and procedures.
- Adequacy of the controls over the funds held on deposit for later return to the various contractors.
- Express an opinion on the Street Opening Account, as a whole.

In addition to your audit report, you should also be prepared to provide with a detailed report on weaknesses within the internal controls and your recommendations for improvement. Also a detailed list of adjustments to be made to the current balance of the Account.

Three (3) copies of your proposal and supporting documents should be submitted to the City Auditor's Office, Room M-4, Boston City Hall, One City Hall Plaza, Boston, MA 02201, by 12 p.m. April 3, 1987. Your proposal should include at a minimum:

- a. A detailed description of your firm's approach in similar engagements.
- b. A list of the personnel to be assigned to the engagement and a resume of their pertinent qualifications.
- c. A list of references for whom your firm has performed similar engagements.
- d. A detailed timetable, schedule of deliverables, and cost proposal. For planning purposes you should assume your engagement will start May 4, 1987.

The paramount consideration in the review of the proposals and the award of the contract will be the technical quality exhibited by your firm. Cost, however, may be used as a determining factor in the award of a contract if two or more proposals are of equal technical quality.

For your planning purposes the total cash receipts for the audit period are \$18,600,000.00.

The City of Boston reserves the right to reject any and all proposals, and to negotiate with any and all persons submitting proposals concerning modifications to the proposals.

A bidders conference will be held on March 25, 1987, at 10 a.m., in Room 714, Boston City Hall, in order to answer any questions pertaining to this request for proposal.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informality in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, March 2, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within ten days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identifi-

cation Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 10, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. P1CN27, GREEN LINE POWER UPGRADE, COMMONWEALTH AVENUE BRANCH, PHASE I, Metropolitan Boston, Massachusetts (Class 5 — Electrical, Project Value 45.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 24, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work in this contract consists of installation of cables from the Reservoir Substation 37 to Commonwealth Avenue Branch; addition of dc feeder circuit breaker units at Reservoir Substation 37; feeder cables from Kenmore Substation 46 to power section 93; replacement of existing 500 kcmil distribution cables with 2000 kcmil cables between Harvard and Chestnut Hill Avenues; replacement of certain poles; hardware installation; installation of supplementary cables with taps to trolley wire; feeder cables from Kenmore Substation 46 to power sections S-5A and S-5B.

This contract is subject to a financial assistance contract between the MBTA and the UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 24, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with

their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

The Authority will conduct an inspection tour of the proposed work areas including the Reservoir Substation 37 and in the subway tunnel on March 5, 1987, at 1 a.m. The tour will commence from the Reservoir Substation 37. The bidders are advised that they should have representation at this inspection tour as no extra visits are planned.

A prebid conference will be held on March 6, 1987, at 10 a.m., at the Office of the Project Manager, Mr. Richard F. Conley, Power System Improvements Project Office, 21 Arlington Avenue, Charlestown, MA 02129 (Telephone Number (617) 722-5014). Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to Federal Wage and Hour Laws and State Minimum Wage Rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

Fire Fighter Robert P. Rull, Engine Company 3.

Fire Fighter Francis G. Jones, Ladder Company 26.

IV. FIRE ALARM BOXES INSTALLED

The following-numbered fire alarm box has been installed. Company commanders shall add it to their respective circuit cards:

12-298 — Cheriton Grove Apartments, 20 Cheriton Road, Circuit Card 13.

V. FIRE ALARM BOX ESTABLISHED

The following-numbered fire alarm box will be installed in the near future. Company commanders shall add it to UAAB assignment cards. The circuit number will be announced when the box is installed.

21-2883 — Office Building, 1208A V.F.W. Parkway.

VI. COMMENDATIONS

On January 11, 1987, at 2213 hours, Box 6177 was struck for a fire at 702 Border Street, District 1.

Fire Fighter Louis P. Grifone, aide to District One, responded while off duty.

Upon arrival, he was notified by a citizen that two children were trapped in the building. He immediately entered and searched the first floor and then proceeded to the second floor where heavy smoke and fire were encountered. Fire Fighter Grifone completed a search of the bedroom area and reported conditions to Engine Company 5 upon their arrival. A secondary search by Fire Fighter Grifone revealed the absence of occupants.

He was administered oxygen at the scene and transferred to the East Boston Health Station.

The Fire Commissioner is pleased to commend Fire Fighter Grifone, aide to District One, for his quick action and dedication to duty and makes this commendation a part of his personnel folder.

The Fire Commissioner is pleased to commend: Fire Fighter John F. Heaney, Engine Company 7, Fire Fighter Stephen A. Holmes, Engine Company 7, Fire Fighter John S. Varner, Engine Company 7, for working at Box 1511, five alarms, on February 22, 1987, after having been relieved from duty, and makes this commendation a part of their personnel folders.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ASSESSING DEPARTMENT

Utility Appraisal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to R.W. Beck and Associates, Wellesley, for professional services as consultant engineers to the Assessing Department.

Under the terms of the contract, the contractor will provide valuation services, as required, relating to the telephone utility personal property located in the City of Boston. The contractor is a generally recognized expert in the field of utility appraisal who has assisted the Assessing Department in the past and ongoing litigation before the Appellate Tax Board.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be from July 1, 1985, through June 30, 1986. This contract is being processed late because a reasonable estimate of the length, complexity and duration of the litigation could not be determined until this time.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

William B. Coughlin,
Commissioner.

Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the law firm of Gilman, McLaughlin, and Hanrahan, 10 Post Office Square, for legal services

CITY RECORD USPS 114-640

Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue.

in representing the City of Boston and its Assessing Department, with respect to proceedings at the Appellate Tax Board, and in the courts of the Commonwealth, relating to matters of taxation and tax abatement litigation.

This contract is for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$55,000. The rate of compensation shall range from \$50 to \$175 per hour depending upon attorney involved.

Due to the complex and technical nature of the litigation in the tax field and the recognized expertise of Gilman, McLaughlin and Hanrahan in this area, I have determined the cost to be reasonable.

This contract is being processed late because reasonable estimates of the scope of services for length, complexity and duration of current and anticipated taxation cases could not be determined.

Because of the professional nature of the services to be performed and the need for the continued services of representation by special counsel, who have great expertise in this area of law, advertising for public bids would serve no useful purpose.

Sincerely,

William B. Coughlin,
Commissioner.

FIRE DEPARTMENT

Engine 8 Repairs

Dear Sir:

I respectfully request your Honor's permission to award to Greenwood Fire Apparatus, Inc., North Attleboro, the task of performing certain emergency repairs to Engine 8. On November 18, 1985, these emergency repairs were necessary in the interest of public safety, given that this piece of apparatus is necessary to the fire fighting operations of the department.

Greenwood Fire Apparatus, Inc., performed the following work on Engine 8: rebuild and repair pump; remove gear box and lower half of pump; remove impella; check pump for damage.

The cost of the work described above is \$2,329.40, which will be paid pursuant to the city's existing contract with this firm, Contract No. 2068-86 for repetitive services for the fiscal year 1986. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after the work has been completed because the part needed for the pump were not immediately available, therefore causing a delay. The bill for the work done was not received for almost a month after completion of the work and a firm estimate was not established immediately.

In my opinion, the contractor is qualified to do the work herein-described, inasmuch as Greenwood Fire Apparatus is thoroughly familiar with all type of work on said equipment. This price quoted for the work is reasonable and it does not appear that a lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo D. Stapleton,
Fire Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

Boarding and Securing

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. These buildings or structures are a menace to the neighborhood. The locations are 17A Greenville Street, Ward 12;

Maywood Street, Ward 12; and 95-95A Moreland Street, Ward 12.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972 as amended, particularly section 123.1 thereof I have asked and have received your Honor's permission to enter these various premises and to board and secure them.

Bidders were requested to submit and aggregate bid for the boarding and securing of these buildings or structures.

We have solicited bids, award to be made to the lowest qualified bidder and have received the following: United Cleaning, \$20,450; and Donald Clancy and Sons, \$13,560.

Donald R. Clancy and Sons, 339 Dorchester Street, South Boston, has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter of a contract in the sum of \$13,560.

Donald Clancy and Sons, 339 Dorchester Street, South Boston, Mass

Very truly yours,
William Commers,
Commissioner.

JOBS AND COMMUNITY SERVICES Business-Government Partnership

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Boston Private Industry Council (BPIC), a nonprofit organization, located at 40 Tremont Street. Under the terms of the contract, the contractor will strengthen the partnership between business and government in the areas of employment and training, education, and economic development for Boston's unemployed and disadvantaged. In addition, BPIC activities will include supervisory support to perform industry-focused job development and placement services through the BPIC/Job Exchange for JTPA-eligible clientele who are determined job-ready. The contractor was selected based on a requirement under federal regulations 20 CFR 628.2 to establish a Private Industry Council.

Compensation under the terms of this contract shall not exceed \$671,273, payment being provided to the City of Boston through a grant under the Job Training Partnership Act. The period of performance shall be from July 1, 1985, through June 30, 1986. This request was delayed due to the time involved in contract and budget negotiations.

As this is a negotiated contract at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose could be served by formal advertisement. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT Processing of Claims, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Christine Moore, 15 Bay State Road.

Under the terms of the contract, Ms. Moore will provide services to the Workers' Compensation Division of the Law Department, including but not limited to the processing of section 37 claims, scheduling of depositions, analysis of files, declaration of city's lien in third-party actions and other miscellaneous duties. Ms. Moore is exceptionally well qualified to perform these services because of her prior experience and background in the Law Department.

The period of this contract shall be from December 17, 1985, through June 1, 1986. Compensation will not exceed \$3,000, and the payments will be made at the rate of \$3.50 per hour. This contract is necessary because Ms. Moore will exceed the \$2,000 service order limit.

This letter is late due to administrative and budgetary delays in negotiating the contract.

In view of the nature of the services to be performed and Ms. Moore's special qualifications, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

POLICE DEPARTMENT Student Intern Services

Dear Sir:

I respectfully request your permission to dispense with public advertising and to award a contract to Bette Jean Voke, of 60 Garland Street, Chelsea, for services as a student intern in the Boston Police Department.

Under the terms of the contract, Ms. Voke will work in conjunction with the Office of Contracts and Development and her duties will include, but not limited to, conducting surveys with various police departments throughout the country, keeping files, compiling data and maintaining accurate records concerning this operation. Ms. Voke is currently an undergraduate student at Suffolk University majoring in Criminal Deviance. Ms. Voke will use her expertise and knowledge in this field to assist the Boston Police Department in conducting these surveys and collecting data.

Compensation under this contract shall not exceed \$4,000, which I have determined to be reasonable for the part-time services in conjunction with this operation. Her salary will be at a rate of \$4.50 per hour. The terms of this contract shall be from September 18, 1985, through June 30, 1986.

Because of this part-time service and the reasonable cost of same, I believe that public advertising would serve no useful purpose. This letter was not forwarded earlier due to an administrative oversight.

Respectfully,
Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT Operation of the Strand Theatre

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on October 10, 1985, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to the M. Harriet McCormack Center for the Arts, a nonprofit corporation, with offices at 543 Columbia Road, Dorchester, for providing services for the operation of the Strand Theatre, including staff salaries, fringe benefits, office operations, travel, furnishings, equipment, and other miscellaneous expenses.

The M. Harriet McCormack Center for the Arts,

Inc. has administered the Strand Theatre since the Public Facilities Department acquired the building and the center opened in 1979. The center acts as a community resource for cultural development for the residents of the city and promotes an atmosphere that encourages all communities in the city to feel welcome at the theatre. During 1984, over 10,000 children and senior citizens used the theatre for special daytime performances of theatre and dance, and on many occasions the theatre provided performance space to nonprofit groups, first-time users and small community groups at little or no cost.

The reason the McCormack Center is able to adopt such community supportive policies is because it is a nonprofit agency with many of the Board of Directors being the same people who had been instrumental in saving and restoring the theatre.

This letter is being submitted subsequent to the commencement of the contract term due to budgetary uncertainties being experienced by this department which have only recently been resolved. Also, the Public Facilities Commission determined that it was necessary to secure extensive detailed information concerning the exact nature of the services to be provided by the M. Harriet McCormack Center, resulting in a further but unavoidable delay.

Compensation under this contract shall not exceed \$50,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from September 1, 1985, through June 30, 1986.

In view of the particular history of the donations of countless hours of time and energy to the operation of the theatre by the McCormack Center, and due to the unique ability of the center to provide a beneficial program for residents of all communities within the city, it is my judgment that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Design of Renovations

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on November 7, 1985, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Rothman and Rothman, Inc., a Massachusetts corporation, with offices at 15 East Street. Under the terms of this contract, the architect will provide professional services for the design of the renovations which entail completion of the shell space for the Oral Surgery Unit at Boston City Hospital. Scope of work includes design, preparation of bid documents and supervision of architectural, electrical and mechanical services for the project, including the installation of six dental chairs and support functions. Compensation under this contract shall not exceed \$74,750 (including \$6,000 for supplementary services) which is a fixed fee of 13.75 percent based on an estimated cost of construction of \$500,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for seventeen weeks from date of execution.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 30B et seq. I believe this contractor is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is

my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Design of Fire-Damaged Area

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on November 7, 1985, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Rothman and Rothman, Inc., a Massachusetts corporation, with offices at 15 East Street. Under the terms of this contract, the architect will provide professional services for the design of repairs to the fire damaged Ambulatory Care Center and fifth floor renovations at Boston City Hospital. Repairs include new partitions, electrical, mechanical and grill work. The renovated areas will house Pediatric Outpatient Services for Boston City Hospital.

Compensation under this contract shall not exceed \$65,875 (including \$4,000 for supplementary services) which is a fixed fee of 13.75 percent based on an estimated cost of construction of \$450,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for fourteen weeks from date of execution.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 30B et seq. I believe this contractor is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Water Booster Pump Replacement

Dear Mr. Mayor:

During the past week, an inspection conducted by the Public Facilities Department Engineers, has concluded that the malfunctions to the domestic water booster pump, located at the Suffolk County Court House, can no longer be corrected, and the pump must be replaced immediately. At the present moment, without the services of domestic hot and cold water, the Court House buildings cannot maintain the strict sanitary and health protection standards needed to ensure the safety of all Court House officials and employees, and the general public that utilizes this facility. Therefore, it is imperative that prompt action be taken to replace the existing domestic water booster pump in order to prevent any further breakdowns which could render these buildings without domestic water service, and could force the Court House to shut down all operations.

Because of the exigency of the present situation and the potential threat to life and property of the City of Boston, I requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning and Operations to dispense with meeting the requirements of Massachusetts General Laws chapter 149, section 44A, as it pertains to public advertising, providing we obtained bids from at least three reputable contractors normally engaged in this type of work. The results were as follows:

P. J. Kennedy & Sons, Inc., \$10,420; J. McCusker, Inc., \$19,870; and D & F Plumbing & Heating, \$20,500.

Your Honor's written approval, therefore, is respectfully requested in recognition of the fact that an emergency situation does exist, to authorize dispensing with public advertising for bids and to award a contract to P. J. Kennedy & Sons, Inc., 486 Albany Street, for a total amount not to exceed \$10,420. Upon execution, the work of this contract shall be accomplished within twenty-one calendar days.

Sincerely,
Lisa G. Chapnick,
Director.

Exterior Electrical Repairs

Dear Mr. Mayor:

At the Deer Island House of Correction, on Friday, September 27, 1985, the high velocity winds of Hurricane Gloria severely damaged the exterior lighting system, fire alarm cables and communication cables at various locations of this penal institution. At the present moment, these damages have seriously jeopardized and restricted the security of this penal institution, and have diminished the effectiveness of the existing fire alarm system. The hurricane damages have created a hazardous condition to life and property at the Deer Island House of Correction. Therefore, it is essential, under emergency procedure, to perform various electrical repairs to all damaged areas to insure the continuation of all communication services, to insure the fire protection of all inmates and correction officers, and to insure that this penal institution can maintain its strict security standards.

Because of the exigency of the present situation and the potential threat to life and property of the City of Boston, I requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning and Operations to dispense with meeting the requirements of Massachusetts General Laws chapter 30, section 39M, as it pertains to public advertising, providing we obtained bids from at least three reputable contractors normally engaged in this type of work. The results were as follows:

J. J. Finn Electrical Service, Inc., \$25,600; J. McKeen, Inc., \$29,985; and Griffin Electric Corp., \$31,000.

Your Honor's written approval, therefore, is respectfully requested in recognition of the fact that an emergency situation does exist, to authorize dispensing with public advertising for bids and to award to J. J. Finn Electrical Services, Inc., 357 Neponset Avenue, Dorchester, for a total amount not to exceed \$25,600. Upon execution, the work of this contract shall be accomplished within twenty-one days.

Sincerely,
Lisa G. Chapnick,
Director.

Disposal of P.C.B.-Containing Materials

Dear Mr. Mayor:

On Monday, October 21, 1985, a leakage of P.C.B.-containing materials, originating from the existing overhead fixtures, was discovered at the Boston Fire Department Fire Alarm Headquarters building, located on the Fenway. This P.C.B. spill constitutes a serious threat to the surrounding environment and to the health of all individuals that are exposed to P.C.B. materials.

Due to the numerous deleterious dangers posed to persons and property, the Public Facilities Department has ordered the services of Clean Harbors, Inc., to begin the containment, cleanup and

disposal operations. The release of hazardous materials into the environment is governed by Massachusetts General Laws chapter 21E, the Massachusetts Oil and Hazardous Materials Release Prevention and Response Act. Under Massachusetts General Laws chapter 21E, section 5(a), the City of Boston is responsible for the occurrence of any such hazardous materials release. Therefore, since immediate steps must be taken to preserve the health and safety of persons and property, there is not time to solicit bids for this particular project. Because this project is necessitated by the emergency conditions now existing at the Fire Alarm Headquarters, this contract meets all requirements of Massachusetts General Laws chapter 30, section 39M and chapter 43, section 28, as it pertains to the dispensing of public advertising in cases of extreme emergency to restore any public service that shall preserve the health and safety of persons or property.

Your Honor's written approval, therefore, is respectfully requested, in recognition of the fact that an emergency situation does exist, to authorize dispensing with public advertising for bids and to award a contract for Clean Harbors, Inc., Kingston, a proven contractor with expertise in the correction of hazardous materials spills, for a total amount not to exceed \$2,310.

Due to the exigency of the present situation, our favorable past experiences with this contractor and the reasonable costs of these services, I believe that public advertising would serve no useful purpose in this particular case. Upon execution, the work of this contract shall be accomplished within fifteen days.

Sincerely,
Lisa G. Chapnick,
Director.

Emergency Roof Repairs

Dear Mr. Mayor:

On Friday, September 27, 1985, the roofing of various buildings, including dormitory buildings, at the Deer Island House of Correction, and the roof of the Administration Building, located at the Long Island Chronic Disease Hospital, received extensive damages caused by strong hurricane winds. At the present moment, the existing damages have exposed various sections of these roofs to the outside elements and to the possibilities of further damages being inflicted upon the structure and interior of these buildings. At the Deer Island House of Correction, the damaged buildings are the living quarters of inmates, and there is no available space to temporarily relocate these inmates. At the Long Island Chronic Disease Hospital, the Administration Building houses several patients, and various departments that control the hospital operations. These roofing damages have created a most hazardous condition to the life and property of these institutions. Therefore, it is necessary, under emergency procedure, to perform all required roof repairs to these damaged buildings in order to prevent further damages to these buildings, to provide suitable living conditions for patients and inmates, and to insure the continuation of the appointed tasks of the Long Island Chronic Disease Hospital's administrative operations.

Because of the exigency of the present situation and the potential threat to life and property of the City of Boston, I requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning and Operations to dispense with meeting the requirements of Massachusetts General Laws chapter 149, section 44A, as it pertains to public advertising, providing

obtained bids from at least three reputable contractors normally engaged in this type of work. The results were as follows:

John Palumbo Co., \$46,500; R & L Construction Co., Inc., \$49,500; J. E. Morin, \$50,000; and Dancy & Sons Co., \$50,640

Your Honor's written approval, therefore, is respectfully requested in recognition of the fact that an emergency situation does exist, to authorize discontinuing with public advertising for bids and to award a contract to the John Palumbo Co., 321 West Second Street, South Boston, for a total amount not to exceed \$46,500. Upon execution, the work of this contract shall be accomplished within twenty-one days.

Sincerely,

Lisa G. Chapnick,
Director

REQUEST FOR DESIGNERS

Under Massachusetts General Laws c. 7, s. 30, the Senior Structural Engineer of the Department of Planning and Engineering is requesting proposals for development of plans and specifications with cost estimates for surveying kitchen facilities.

Proposals will be received by the Senior Structural Engineer of the Department of Planning and Engineering for a review of various food service equipment in several schools. Cooking equipment will be reviewed in 47 schools listed in Appendix A, and milk coolers will be reviewed in 117 schools listed in Appendix B. The review shall include, but not be limited to:

A. Where cooking equipment and/or milk coolers should be replaced, recommend type of equipment and budget figures;

B. Recommendations for additional or substitute types of cooking equipment such as convection ovens, steam kettles, or steamers, with budget figures shall be included;

C. The recommendations shall clearly note the impact that the changes/replacement will have on existing hood exhaust systems, and changes

which must be made to bring the exhaust system up to State building and fire codes along with budget figures;

D. The impact of changes/replacement on existing fire protection systems, and budget costs on bringing these up to code;

E. The impact of plumbing and electrical changes, with net changes power and supply requirements;

F. Recommendations, if any, in physically removing replaced or replacement equipment.

Recommendations, with specifications for all recommended changes, shall be received 60 days after the award of the contract by the City of Boston. Schools to be reviewed shall include those on Appendix A and B, although additional schools may be added by the Director of School Food Services. Proposals shall include a "per school" figure to allow for additions or deletions to the lists.

Designer Proposal Forms, Designer Qualification Statements and Program Sheets may be obtained from the Department of Planning and Engineering, second floor, 26 Court Street, Boston, MA 02108, and will be mailed if necessary. If interested, please call 726-6400 and refer to this advertisement. Proposals are available now and must be returned no later than 4 p.m. on April 2, 1987.

DEPARTMENT OF HEALTH AND HOSPITALS

Invitation for Bids for Rubbish Removal Services at Boston City Hospital and Long Island Hospital.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, March 16, 1987.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Thursday, April 2, 1987, at twelve noon, Boston time, at the Office of Contract Management at the address shown above. The successful bidder(s) must furnish a performance bond, in an amount equal to 50 percent of the contract price.

Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to

the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter.Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

NOTICE TO CONTRACTORS

**Invitation for Bids for the Rehabilitation of Pier
10 at Boston's Marine Industrial Park, South
Boston, Mass.**

The Economic Development and Industrial Corporation of Boston, acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30 of the Massachusetts General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Rehabilitation of Pier 10 at Boston's Marine Industrial Park."

SCOPE OF WORK includes: The partial demolition and structural rehabilitation of Pier 10; the addition of eight (8) floating berths; and the undertaking of all other required site improvements as designated in the contract documents, plans and specifications.

CONTRACT DOCUMENTS and specifications will be available at the offices of the Public Facilities Department, on or about March 18, 1987, to all interested parties who present a \$25 deposit in the form of certified check, payable to the Economic Development and Industrial Corporation of Boston for each set. The contract documents and specifications must be returned in good condition within thirty (30) days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, certified check, or cashier's check or treasurer's check, and shall be made payable to the Economic Development and Industrial Corporation of Boston.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bids shall be filed with the Public Facilities Department, at the above address before twelve o'clock noon on April 10, 1987, at which time and place respective bids will be opened forthwith and read aloud.

A BIDDERS' CONFERENCE will be held at the Boston Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m., on April 1, 1987.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions.

The attention of all bidders is specifically directed to the Equal Employment Opportunity, Affirmative Action and Boston Minority Participation requirements of the general conditions and the obligation of the contractor to take affirmative action in connection with employment practices in the perform-

ance of this contract. Additionally, the contractor is notified of the requirement to pay not less than the prevailing minimum wages stated in the contract documents.

The Economic Development and Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so. Attention is directed to the instructions to the bidders, information for bidders and the prohibition of abnormally high or low price for any item of work. Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

LIBRARY DEPARTMENT

**Invitation for Proposals for Repairs
to Shipping Room Overhead Door.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for repairs to the Shipping Room overhead door during the period April 6, 1987, through June 30, 1987.

Proposals will be received until 12 o'clock noon, Boston time, Monday, April 6, 1987, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Monday, March 16, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and

written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

NO. 12

MAYOR FLYNN SUPPORTS HOUSE BILL 2352

*Testimony Delivered to the Committee on Human Services and Elder Affairs
on the Need for Nutrition Outreach to Poor Families.*

Last month, we saw alarming data indicating a dramatic rise for 1985 in the rate of infant mortality in the Commonwealth of Massachusetts. This evidence served to tragically underscore the need for the increased nutrition programs that we had been urging on the Congress, with national support from groups and individuals such as my colleague Dr. Brown, Marian Wright Delman of the Children's Defense Fund, the U.S. Conference of Mayors, and the National League of Cities. Together, we had struggled hard to make our leaders see that infant mortality rates are functions of poverty rates.

If an expectant mother does not have access to food and health care, there is at much greater risk of delivering a low, birth weight infant. In turn, this infant is in the greatest danger of dying in the first year of life.

The new figures gave us cause, at the national level and at the local level, to review our efforts and redouble our dedication. Over the past two months, I have convened several meetings of local, state, and national public health officials to assess the causes and the impact of programs implemented to date to deal with this serious national issue.

In addition to lack of prenatal care for pregnant women, these experts repeatedly cited that increasing poverty among women and children as well as dramatic cuts in federal nutrition programs were contributing to rising infant mortality. For example, the Food Stamp program suffered \$7 billion in cuts between 1982 and 1985 and now only reaches just over half of 33.4 million Americans living in poverty. This is also true in the Commonwealth where only one-half of those eligible for Food Stamps receive them and those who are receiving them may not be getting enough to adequately feed themselves.

The Supplemental Food Program for Women, Infants and Children (WIC) only served 40 percent of all eligible women and children in 1986. This exists at a time when a U.S. Department of Agriculture study has questioned the effectiveness of WIC at reducing low birth weights and increasing birth outcomes.

This lack of participation in food programs is due to several factors. The most significant is that the number of families living in poverty is increasing at a time when programs established to assist them are facing

reduced funding and eligibility levels. As a result eligible households face a number of barriers to their participation in these programs including language, cumbersome application processes, and a general lack of information being disseminated regarding the availability of food programs.

Each year for the past five years, the U.S. Conference of Mayors Task Force on Homelessness and Hunger, of which I am chair, has reported on the impact of these cuts in cities such as Boston.

That report notes that the demand for emergency food assistance increased by one-fourth in 88 percent of the cities surveyed. In Boston, we saw an 18 percent increase in demand last year. In fact, the demand for emergency food assistance is so overwhelming that we estimate that 10 to 15 percent of the requests for emergency food assistance went unfilled during 1986 in Boston. The number of families with children requesting emergency food assistance increased in 80 percent of the cities surveyed, including Boston.

The bill which you are considering is a responsible and important measure which would reach out and enroll eligible households in federally

funded food programs such as WIC, food stamps, elderly nutrition, and child care food programs.

Past outreach efforts have been effective. In 1984, a food stamp outreach project in the Commonwealth increased food stamp applications in targeted welfare service offices by 16 percent. A seven-month project was successful in adding 12,000 people to the WIC program. A similar outreach effort utilizing bilingual, bicultural staffing increased the number of Southeast Asian participants in WIC by 20 percent.

I believe that enactment of this legislation will result in fuller utilization of federal programs for those individuals and households who need it most. We need outreach workers and effective outreach campaigns in those Boston neighborhoods which have alarmingly high infant mortality rates. Pregnant women in those neighborhoods not only need the health care that we are offering through programs such as Healthy Baby and Healthy Start, but an adequate diet for them and their children. The availability of WIC nutrition supplements and counseling, Food Stamps, and various nutrition programs offer relief to families burdened by high shelter costs and relying on public assistance programs which have not kept pace with the rising cost of living.

DEPARTMENT OF HEALTH AND HOSPITALS

Invitation for Bids to Provide Cleaning, Maintaining and Repairing of Wheelchairs for Mattapan Hospital.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, March 23, 1987.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Thursday, April 9, 1987, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter.Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of the contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarded Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on April 1, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Invitation for General Bids for Furnishing, Delivering and Setting in Place New Cafeteria Tables in the Cafeteria of Various Schools.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering and setting in place new cafeteria tables in the cafeteria of various schools.

General bids will be received up until two o'clock noon, Boston time, Monday, April 13, 1987, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the office designated above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditions upon the faithful performance by the principal of agreements contained in the subbid or general bid in the sum of \$100 minimum or 5 percent of the amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Mondays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, a general bid filed by the three lowest responsive and eligible bidders may be withdrawn prior to the execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in work to be performed shall not be less than the rates of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provision of the General Laws (Ter. Ed.), chapter 149, section 26B, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide insurance for the payment of compensation for the furnishing of other benefits under the Women's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required by the Awarding Authority for commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Chain Link Fence Installation at Various Locations, City of Boston.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 901, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project set below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Chain Link Fence Installation at Various Locations, City of Boston."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to install chain link fence and gates in parks and playgrounds. Estimated cost of construction \$125,000. BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 7, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available for about Monday, March 23, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form." Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Parks and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 901, Boston, MA 02108, on Tuesday, March 31, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. T4CN10, SUBWAY VENTILATION IMPROVEMENTS, AC POWER SUPPLY SHAFTS G-11/G-17/G18, BOSTON, MASSACHUSETTS (Class 1 General Transit Construction, Project Value 41.00), will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on April 10, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of the construction of new A.C. power supply duct banks and associated 13.8 kv cable lines to power supply in the Green Line Central Subway for Ventilation Shafts G-11, G-17, and G-18 in the City of Boston, Mass., as shown on the drawings.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after March 16, 1987, Monday through Friday, at a charge of \$100 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent and WBE 2 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the offices of the Project Manager, Mr. Donald J. Burns, 275 Dorchester Avenue, Trailer No. 2, South Boston, MA 02127, Tel. (617) 722-5593. A prebid conference will be held on March 26, 1987, at 10 a.m., at the above office. Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

NO. 13

MAYOR FLYNN'S "TREE OF LIFE" PROJECT

Boston Mayor Raymond L. Flynn, joined by concerned South End residents, homeless advocates, and social service providers, announced his decision on the Tree of Life transitional housing project. Last August, the city unveiled a proposal for a 101-unit transitional housing development for homeless women with children to be built on a vacant BRA-owned parcel on Washington Street in the South End. The proposal was developed in response to the growing need for shelter and services for homeless women with children. Transitional housing provides homeless women and children with a stable living environment for between six months and two years, during which time they participate in a coordinated set of services, such as peer counseling, job training, and daycare, that prepares them to make the transition from dependency to independent living.

The announced plan is the product of over six months of meetings between Commissioner of Elderly Affairs Michael Taylor, the Mayor's community liaison for this project, residents of the South End, and social service providers. The BRA also commissioned a study by the Women's Institute for Housing and Economic Development, Inc., which analyzed the social service needs of the target population.

After careful review of the neighborhood's comments, the recommendations in the social service report, and the BRA's financial feasibility analysis, the project has been redesigned to include thirty-six transitional units, twenty-four moderate-income condominiums, and thirty market-rate condominiums. By reducing the overall density from one hundred-one units to ninety and by redesigning it to include both transitional and private housing, this plan responds to both the needs of homeless women with children and the concerns of South End residents. There has been a great deal of community participation in the development of this proposal, as well as the recently approved SENHI plan. The Tree of Life plan has received broad support from neighborhood residents, homeless advocates, and social service providers.

Estah Yens, a South End homeowner, said, "As a longtime South End resident who lives adjacent to this proposed development, I say 'hats off' to Mayor Flynn for working with neighborhood residents to construct a workable proposal. We've had an opportunity to voice our concerns and we are pleased that the Mayor's plan reflects many of our shared goals for the neighborhood."

Kathy Mainzer, executive director of the Massachusetts Coalition for the Homeless, said, "Mayor Flynn has obviously heard and responded to the concerns of advocates who work with and for homeless families. We're pleased to see a mix of transitional and permanent housing. The transitional housing will fill a real gap for homeless families seeking services. We appreciate the Mayor's leadership in recognizing the need and bringing together the resources to make it happen."

Frank Benoit, longtime South End resident, said, "Mayor Flynn's plan addresses a critical need in our society. I

believe this plan shows compassion, concern, and a genuine desire to help those people in need. The plan is a realistic balance of available resources and the desires of the community. It's time for everyone to realize that we cannot wait any longer to resolve this crisis. We're dealing with human lives. In one sentence, the Mayor's plan combines compassion and respect for human dignity."

Ellen Gallagher, author of "No Place Like Home," a study of homeless families, said, "The Tree of Life presents a realistic response to the needs of homeless families. Our study noted that a significant percentage of families living in shelters and hotel/motels for extended periods of time will benefit from programs such as supported housing and job training to break the cycle of homelessness and reliance on emergency, stop-gap programs."

Dave Whitty, executive director of Shelter, Inc., said, "The final proposal reflects the responsiveness of the city to the concerns of the neighborhood.

The Tree of Life project provides needed housing for people in the South End. Mayor Flynn is to be congratulated for an initiative that both produces affordable housing and addresses the concerns of the community."

Jon Perry, South End resident, said, "I am now persuaded that the Mayor's modified plan calling for thirty-six units of transitional housing for homeless women and their children, among ninety total units on the RC-9 parcel, will work for the benefit of everyone — the people it is intended to serve, their neighbors, and the community as a whole. I am especially heartened by the administration's commitment to preserving and upgrading as much of the two existing community gardens as possible in the design and development of the housing."

Michael Kane, executive director of the Boston Affordable Housing Coalition, stated, "The Mayor has clearly been responsive to the recent South End community compromise recommendation which linked development on the various SENHI parcels to the development of Tree of Life. He is to be applauded for his courage and flexibility in responding to community concerns without abandoning basic principles."

Kip Tiernan, longtime advocate for poor women, said, "I think the Mayor, neighborhood residents, and advocates for the poor have been willing to listen to each other. I don't look at our combined effort to come up with a plan for the Tree of Life site as a compromise. I think of it as a collaboration. The thoughtful planning that went into this final product will result in needed housing for a fragile population."

Pat Cusick, executive director of the South End Neighborhood Action Program (SNAP) and longtime South End resident, said "Programs planned by bureaucrats are never as effective as programs designed at the grassroots level. Mayor Flynn is to be congratulated because the all-inclusive community review process, headed by Elderly Affairs Commissioner Michael Taylor, (Continued on next page)

Tree of Life . . .

(Continued from front page)

has yielded the best thinking of the diverse elements of the South End. This community process has resulted in the announced program which will benefit not only families to be serviced, but also the South End neighborhood."

David King, vice-president of City Mission Society and a South End resident, said, "Mayor Flynn is to be congratulated for his vision and compassion in proposing the creation of new units of housing throughout Boston for mothers and children who are presently without housing. The City Mission Society pledges to work with the city in seeking to offer services which will lead to a more stable future for these women and children. As a South End resident, I welcome them to our neighborhood and look forward to a speedy plan for the building of the new housing, selection of the residents, and provision of job training and other needed services."

Val Lanier, homeless advocate, said, "I strongly support the new design of the Tree of Life program. It appears to be both responsive to community wishes and meets the needs of families in the city. The number of units will have a positive impact on homeless families without negatively impacting the South End community as previously feared."

Mayor Flynn said, "I want to applaud the residents of the South End for their concern for, and willingness to help with, the plight of homeless women and children. The plan we unveiled reflects both their sensitivity to the problem of homelessness and my administration's attempt to be sensitive to the needs of the neighborhood."

The project's proposed design replicates a typical South End block, with brick Victorian townhouses. The plans call for an on-site daycare facility, on-site parking, and the preservation of adjacent open space. The project design insures that the transitional units are indistinguishable from the rest of the development and that the new development blends in with the surrounding South End neighborhood.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising based on the following communications:

PUBLIC FACILITIES DEPARTMENT

SCHOOL DEPARTMENT

Auditory Equipment Maintenance

Dear Mr. Mayor:

Your authorization is requested for the awarding of a contract, without public advertising to Phonic E Inc., California, for furnishing maintenance service for all auditory training equipment at the Hor Mann Evaluation Unit at the Jackson-Mann School Service for 128 units will commence December 1985, through June 30, 1986, as stated in the attached renewal.

Compensation under this contract including service for the periods stated will not exceed \$3,721, a price I deem to be reasonable.

The auditory training equipment was purchased

Phonic Ear, Inc. and the company has successfully provided maintenance service for more than five years. They are the only company who has applied this service effectively and immediately with trained technicians and has an inventory of parts on hand for the machines.

Because of the satisfactory services and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo J. Burke,
Business Manager.

Instructional Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Thompson Island Education Center, Inc., Boston. The contract shall be in effect during the period of September 9, 1985, to June 28, 1986, and shall occur at a cost not to exceed \$27,572, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Thompson's island portion as is related to that amount is \$7,572.

The contractor will provide instructional services in two districts in the Boston Public Schools as follows:

Section I: District V, High Schools and Middle Schools, Student Leadership Training for \$4,394. Student Leadership Training sessions for up to thirty students and accompanying adults and a one-day training workshop for up to ten (students and accompanying adults).

Section II: District IX High Schools and Middle Schools, Student Leadership Training for \$6,575. Student Leadership Training involving team projects for up to thirty (students and accompanying adults) and a one-day training workshop for up to ten (students and accompanying adults).

Section III: District IX: McKay Elementary School, Science Program for \$12,042. Teacher training will be provided for third and sixth grade teachers to adopt field science curriculum. Also provided will be nineteen Science Discovery field trips to Thompson Island for a class of up to thirty-five (students and accompanying adults) and use of special outdoor science curriculum and kit.

Section IV: District IX: Madison Park High School, Environmental Science for \$4,561. Three environmental science field trips will be provided for up to eighteen (students and accompanying adults) and three days of teacher training workshops.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General

Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Music and Art Development, Inc. The contract shall be in effect during the period of February 15, 1986, to June 27, 1986, and shall occur at a cost not to exceed \$3,400, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Music and Art Development, Inc.'s portion as is related to that amount is \$3,400.

The contractor will provide the instructional services as follows:

The Tribal Rhythms at the John Marshall School, District C, will provide a series of participatory workshop/performance in music, movement, drama and visual art focussing on multi-cultural themes. Each student and teacher will participate in two and three workshop/performance lasting one to one and one-half hours. There will be a total of fourteen sessions.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 District C.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Dorchester Youth Collaborative, Inc., 1514A Dorchester Avenue, Dorchester. The contract shall be in effect during the period of January 6, 1986, to June 30, 1986 and shall occur at a cost not to exceed \$5,000 which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY '86 chapter 636 proposals for the sum of \$5,023,273. Dorchester Youth Collaborative's portion as is related to that amount is \$5,000.

The contractor will provide the instructional services as follows: Direct outreach services to identified students, including assessment, counseling, referral and advocacy, group work, home school networking, and crisis intervention; consultation to

teachers and school staff surrounding behavior management, student/teacher communications, parental involvement and community support systems; development of institutional links through case management networking with local services in the community, as well as appropriate DYC programs (counseling, meditation, prevention clubs educational/job development services.)

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,

Laval S. Wilson,
Superintendent.

Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the American School for the Deaf, 139 North Main Street, West Hartford, Connecticut, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$143,900, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially is \$21,950.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to Our Lady of Providence Children's Center, Inc., 2112 Riverdale Street, West Springfield, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$114,989, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially is \$14,989.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Workshops for Teachers, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Robert Gower an individual residing at Lexington.

The contract shall be in effect during the period December 1, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$15,000, which I deemed to be reasonable. Mr. Gower will be compensated at the rate of \$146 per day.

Under the terms of the contract, the contractor will provide supervisory training for department heads and workshops and conferences for teachers at English High School for training in precepts of the skillful teacher. The contractor will produce a video tape of model instructional practices and a documented training program for purposes of dissemination within the Boston Public Schools.

The contractor is specially qualified to provide the above services because he is an expert in this type of training, and this project is a continuation of work he began in 1984-1985 under a Carnegie Foundation grant to the School Department for work at English High School.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Merger Process Management

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Eberhard Thieme, an individual residing at Rochester.

The contract shall be in effect during the period November 5, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$30,000, which I have deemed to be reasonable. Compensation under this agreement shall be at the rate of \$225 per day.

Under the terms of the contract, Eberhard Thieme will serve as project manager for the merger of Madison Park High School and the Humphrey Occupational Resource Center. Dr. Thieme will coordinate the involvement of business, industry, and higher education into the merger process and the operation of the new facility and program.

The project manager will report directly to the superintendent of schools and will be responsible for planning, organizing, leading, and controlling the merger of the two schools into a comprehensive vocational and technical high school. The project manager will have access to resources in all divisions of central management to facilitate this merger.

Eberhard Thieme is specially qualified to provide the above services because he supervised all secondary school activities in Rochester, from 1971 through 1977. In addition, he was responsible for the planning of the instructional program, assignment of staff, and the articulation of the vocational curriculum with the instructional thrust of all secondary school students when the new Edison Vocational and Technical School was being designed and built. After the acceptance of all his preplanning, Dr. Thieme served from 1980 through 1985 as the first principal of this enormous educational facility.

During the past two months, I have reviewed the availability of other individuals who could provide such a unique service to the Boston School Department. Contact has been made with the Association for the Supervision of Curriculum, the Rockefeller Foundation, as well as superintendents in the Rochester area for potential candidates. Eberhard Thieme, in my judgment, is the best qualified individual to ensure a successful merger.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Recruitment Program, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Jeanne M. Lewis, 85 Woodley Avenue, West Roxbury. The contract shall be in effect during the period of December 13, 1985, to June 30, 1986, and shall occur at a cost not to exceed \$20,000, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. Jeanne Lewis's portion as is related to that amount is \$20,000.00.

The contractor will provide the following services:

Coordinate and network a district-wide retention and recruitment program for twenty-eight District E schools and offer support services to 500 students; conduct five workshops to train three outreach coordinators; supervise three outreach coordinators and conduct monthly seminars; formulate documented procedures for retention use in each school; review and evaluate all completed reports and disseminate information to District E School Parent Councils; coordinate a recruitment program with the Department of Implementation and appropriate school personnel in District E schools; develop recruitment promotional materials and establish recruitment teams; will work twenty-five hours per week, for thirty-two weeks, at \$25 per hour; her invoices will be signed by the District E community superintendent; will utilize over eighteen years experience on developing and running workshops on a variety of subjects, such as health, education, public relations, parent involvement and outreach, etc., in this project; will utilize past functions in a supervisory capacity in both business and community relations and parent organizations, in this project.

The contractor is uniquely qualified to provide the above service because: the contractor is skilled in the purpose of chapter 636 and has worked since the inception of this enactment to enlighten parents

on its purpose and utilization; the contractor has been part of all functions of parent councils, including management of budget and chairing, and is presently a member of their advisory board; the contractor has been a member of many educational advisory panels including the functioning of chapter 636 programs, parent outreach and student concerns; the contractor has functioned for many years in positions requiring the development and management of programs to benefit the public and in the promotion of these programs.

Because of the professional nature of this service and the expertise of the contractor in providing services that follow in line with the purpose of the program, and the uniqueness of the requirement for strong outreach involvement along with strong management and public relations skills, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,

Laval S. Wilson,
Superintendent.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Repair and Installation of
Ornamental Barrier Fence in the Boston
Common and Public Garden.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 901, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Repair and Installation of Ornamental Barrier Fence in the Boston Common and Public Garden."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment for repairs to posts and chain and installation of new ornamental chain barrier fence where directed. Estimated cost, \$40,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 14, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, March 30, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 901, 294 Washington Street, Boston, on Tuesday, April 7, 1987, at 10 a.m., Boston time.

NOTICE TO CONTRACTORS

Invitation for Bids for Chain Link Fence Installation at Various Locations, City of Boston.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 901, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Chain Link Fence Installation at Various Locations, City of Boston."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to install chain link fence and gates in parks and playgrounds. Estimated cost of construction \$125,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 7, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, March 23, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 901, Boston, MA 02108, on Tuesday, March 31, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C1CN16, FRANKLIN BRANCH EXTENSION, TRACK IMPROVEMENTS, FRANKLIN, MASSACHUSETTS, Class 3 — Trackage, Project Value 40.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on April 16, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of furnishing labor, materials as specified, tools and equipment for the reconstruction of the commuter rail line including, but not limited to, tracks, special trackwork, layover facility, grade crossings, fencing and drainage.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority prior to the tenth (10th) day preceding the date set for opening of bids.

Each prospective bidder must also comply with additional prequalification requirements referred to in Article 1.12, Competency of Bidders, in the Instructions to Bidders.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after March 23, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding Manual, Contract Requirements and Division 1 — General Requirements dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifty dollars (\$15), payable by a separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

The Authority's "Railroad Operations — Book of Standard Plans — Track and Roadway" is available for viewing at MBTA Contract Administration, Room 5750, Transportation Building, 10 Park Plaza, Boston, MA 02116.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation provisions, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Kevin McRae, 500 Arborway, Jamaica Plain, MA 02130 (Telephone No. (617) 722-3465). A prebid conference will be held on April 2, 1987, at 10 a.m. at the above office. Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Excavating and Regrading
the Lagoon in the Public Garden**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 901, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Excavating and Regrading the Lagoon in the Public Garden."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment to excavate and remove excess material and regrade the lagoon base in the Public Garden. Estimated cost, \$140,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, April 16, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, March 30, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 901, 294 Washington Street, Boston, on Tuesday, April 7, 1987, at 10 a.m., Boston time.

MAYOR PROCLAIMS CHILDREN AND HOSPITALS WEEK

The unique health care needs of children, and the services Boston City Hospital's Pediatric Department provides were highlighted March 23-27, 1987. Boston City Hospital kicked off their observance of Children and Hospitals Week. The opening ceremony was held Monday morning at 9:30 in the ninth or conference room in the Children's Building. Mayor Flynn proclaimed the program and other dignitaries attended to formally observe "The Week."

Children and Hospitals Week was first introduced by the Association for the Care of Children's Health in 1981. It is observed nationally and this year's theme was "Commitment to Caring." Boston City Hospital extends this theme "Commitment of a Community to Caring."

Throughout the week, Boston City Hospital Pediatrics Department displayed children's artwork, conducted specialized medical play, introduced a new Pediatric newspaper, highlighted special music therapy, and provided special entertainment and lunches. There were also speakers and educational films which were viewed at various times for staff and parents.

The week's activities brought attention to the special needs of the Pediatric patient and how Boston City Hospital, in conjunction with the local community, meets those needs.

Funding for this program was provided by John Dellaria Hair Salons, The Friends of Boston City Hospital Charity Organization, fund raising within the hospital and donations from various hospital departments.

General Background Information

Children and Hospitals Week, a public education campaign first sponsored by the Association for the Care of Children's Health (ACCH) in March, 1981, strives to increase public, parental, and professional knowledge of the psychosocial needs of children and families in the health care system and to encourage the families, the community, and health care institutions to meet those needs.

In 1986, Children and Hospitals Week educational activities were held throughout the United States and Canada. Thousands of libraries in the United States and Canada hosted displays, distributed bibliographies and bookmarks, and hosted special programs.

ACCH members and regional affiliates sponsored hospital tours, health fairs, school visits, educational seminars for parents and health professionals, and other programs during the week which reached at least 50,000 people. In addition, the week's activities generated television,

radio, newspaper, and magazine coverage, which greatly expanded the educational outreach to the public.

Boston City Hospital sponsored Children and Hospitals Week March 23-27, 1987. The goals of the week were to focus attention on the special needs of children in hospitals and how Boston City Hospital functions in this community to meet these needs. The Child Life Department coordinated and implemented activities to meet these goals.

The national theme of the 1987 campaign was "Commitment to Caring." Boston City Hospital extended that focus to how the Hospital works with the local community sharing this commitment.

Brochures, posters, buttons and other materials were made available throughout the week. They are available for purchase at the ACCH Central Office, 3615 Wisconsin Avenue, N.W., Washington, D.C. 20016. For more information please contact Catherine Hulme, 424-4538.

MAYOR FLYNN PROCLAIMS JULIUS IRVING

On March 29, Mayor Raymond Flynn joined in the "Hail and Farewell" tribute to Dr. J as he came to the Boston Celtics' parquet-flooring court. To acclaim this great athlete Mayor Flynn issued the following Proclamation.

PROCLAMATION

Whereas: In the early 1970s, a young college student at the University of Massachusetts was performing feats on the basketball court that were redefining the very nature of the game; and

Whereas: This young superstar named Julius Erving, continued to amaze, captivate and delight audiences throughout his five-year career in the A.B.A.; and

Whereas: In 1976, the Philadelphia 76ers made the most important acquisition, for that City, since the Liberty Bell, when they signed Julius Erving to a multi-year contract; and

Whereas: Since that time eleven years ago, Dr. J has thrilled millions of basketball fans around the world with his gravity-defying moves, his court demeanor, and his strong desire to excel; and

Whereas: We in Boston have been fortunate to have witnessed some of the greatest basketball games in N.B.A. history between the Celtics and the 76ers, in which Dr. J played such a major part; and

Whereas: We weren't always cheering for the good Doctor during those memorable games, but we are today. For the Class, Dignity, and Character that Julius has always exhibited both on and off the court and the thrills he has given us over the years we fondly say Thank You; now

Therefore: I, RAYMOND L. FLYNN, Mayor of Boston, do hereby proclaim Sunday, March 29, 1987, to be

"JULIUS ERVING DAY"

in Boston.

FIRE DEPARTMENT ORDERS

March 20.

General Order No. 12

I. SUSPENSION

In accordance with the provisions of section 20.10 of the Rules and Regulations of the Boston Fire Department, Fire Fighter Frederick C. Foster, Engine Company 33, has been suspended from duty, without pay, for two days, effective 0800 hours, March 23, 1987, for violation of Rule 18.4.

II. FIRE ALARM BOXES INSTALLED

The following-numbered fire alarm boxes have been installed. Company commanders shall add them to their respective circuit cards:

Box 12-1761 — Cardinal Medeiros Manor, 11 Woodcliff Street, Circuit Card 67.

Box 12-4216 — Building 33, Charlestown Navy Yard, Circuit Card 44.

Box 12-5231 — Barrett Building, Rear 25 Travis Street, Circuit Card 14.

III. FIRE ALARM BOXES ESTABLISHED

The following-numbered fire alarm boxes will be installed in the near future. Company commanders shall add these boxes to UAAB assignment cards. The circuit number will be announced when the box is installed.

Box 12-7511 — J. Nagle Company, 306 Northern Avenue.

Box 16-1235 — Constitution Landing, 440-448 Commercial Street.

IV. CHANGE IN DESIGNATION OF FIRE ALARM BOX

The designation of the following-numbered fire alarm box has been changed to read as follows:

Box 12-1437 — Office Building, 695 Atlantic Avenue.

Company commanders shall make the above-mentioned change to UAAB assignment cards.

V. FIRE ALARM BOX DISCONTINUED

The following numbered fire alarm box has been removed from service. Company commanders shall remove it from their respective circuit cards and from the UAAB assignment card.

Box 13-7312 — South Boston Heights Academy, 486 East Third Street, Circuit 63.

VI. HIGH COMMENDATION

Upon arrival at a building fire, Box 7334, Incident 4293, at 0836 hours, on February 5, 1987, Fire Fighter James M. Hardy, Ladder Company 19, entered a three-story building, heavily charged with heat, smoke, and gases, on three separate occasions in repeated rescue attempts.

He first entered the second floor with Fire Fighter James B. Lavey, Ladder Company 19, and they both made a thorough search for occupants, without success.

He next ascended the aerial with Fire Fighter James E. Prokop, Ladder Company 19, and was informed by a woman and child on the adjoining roof that someone was still inside. Both members entered down through the roof in another unsuccessful attempt. Upon return to the roof, Fire Fighter Prokop assisted the woman and child to safety and Fire Fighter Hardy once again entered the top floor through the roof, even though he was suffering from exhaustion and his vibralert was sounding on his breathing apparatus.

With complete disregard for his own safety and at extreme personal risk, he searched until he located a young child and removed him to safety up to the roof, down the aerial to the street, performing mouth-to-mouth resuscitation until relieved by other members.

The Fire Commissioner is pleased to highly commend Fire Fighter Hardy for these exceptional

actions and his case is referred to the Board of Merit for further consideration.

VII. COMMENDATIONS

At this same fire, Fire Fighters James M. Sheehan, Engine Company 2, and Ralph J. Bruno, Engine Company 2, caught two children dropped from the second floor by a woman occupant, and Fire Lieutenant Richard J. O'Brien, Ladder Company 19, removed said woman from the window over a ground ladder.

Fire Lieutenant Ronald J. O'Brien, Fire Fighters James B. Lavey, James E. Prokop, James M. Sheehan, and Ralph J. Bruno are all commended for their actions at this fire which resulted in several rescues, and these commendations shall be made a part of their personnel files.

The Fire Commissioner is pleased to commend Fire Fighters James P. Connole and James P. McCusker, both of Engine Company 37, for their quick action in the extinguishment of an automobile fire, on March 13, 1987, at 1400 hours, in the town of Foxborough, prior to the arrival of the local fire department.

The above occurred while the members were returning with the apparatus from a service call at an apparatus distributor.

On February 14, 1987, Fire Fighter James Gallagher, Ladder Company 1, while off duty, came to the aid of a man who had collapsed at 75 West School Street, District 3. The man had no pulse and was not breathing. Fire Fighter Gallagher immediately began CPR and mouth-to-mouth resuscitation before the arrival of Engine 50.

Because of Fire Fighter Gallagher's swift action and life-saving knowledge, reflecting credit to himself and this department, the Fire Commissioner is pleased to commend him and makes this commendation a part of his personnel folder.

The City of Boston, acting by the Parks Commissioner, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "The Installation of Baseball Backstops and Tennis Court Accessories at Various Locations, City of Boston." SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to install copy type baseball backstops and chain link tennis nets, and posts in parks and playgrounds. Estimated cost of construction \$75,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 21, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available for about Monday, April 6, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department. All interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits shall be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must furnish satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, American Indian, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form." Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Form (MBU-IS-A) shall be submitted for each minority business enterprise listed on a bidders' form (MBU-F), and submitted at the time of bidding, that is not included in the Minority Business Directory published by the Office of Minority

Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, on Tuesday, April 14, 1987, at 10 a.m., Boston time.

TRANSPORTATION DEPARTMENT

Proposals for Installation of Traffic Signal Foundations, Handholes, Underground Conduits, Loop Detectors and Pedestrian Ramps.

The City of Boston, acting by the Commissioner of Transportation, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for installation of traffic signal foundations, handholes, underground conduits, loop detectors and pedestrian ramps.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contract. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Installation of Traffic Signal Foundations, Handholes, Underground Conduits, Loop Detectors, and Pedestrian Ramps," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Tuesday, April 21, 1987, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority — 25 percent; Boston resident — 50 percent; Female — 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the con-

tractor must give satisfactory assurance that at least 20 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 15, 1987, at 10 a.m., in Boston Transportation Department, City Hall, Room 721.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after March 31, 1987, Monday through Friday, at a charge of \$100 per set. The Authority's Standard Specifications, General and Contract Requirements and Division 1 General Requirements dated November, 1983, are available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of ten dollars (\$15), payable by a separate check. If requested, documents will be forwarded by air mail, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Bid and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation provisions, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 15 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to this contract entered into pursuant to this solicitation, no minority and female construction contractors shall be afforded full opportunity to submit bids and shall not be discriminated against on the grounds of

race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Donald J. Burns, 275 Dorchester Avenue, Trailer 2, South Boston, MA 02127, Telephone: (617) 722-5593. A prebid conference will be held on April 13, 1987, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement, or agreement which results from this solicitation.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

INSPECTIONAL SERVICES DEPARTMENT

Invitation for Bids for the Development of a Testing Program for Issuance of Boston Building Licenses from July 1, 1987, through June 30, 1988.

The City of Boston (the City), acting by its Inspectional Services Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Inspectional Services, 1010 Massachusetts Avenue, Boston, MA 02118, on or after March 30, 1987.

All proposals shall be filed no later than April 30, 1987, 12 p.m., Boston time, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official (I.S.D.) at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be 25 percent of the total bid.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Repairs to Steel Picket Fence, Commonwealth Avenue Mall.

The City of Boston, acting by the Parks Commissioner, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Repairs to Steel Picket Fence, Commonwealth Avenue Mall."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to repair and/or install new fence picket sections, straighten or add new posts and pickets. Estimated cost of construction \$19,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 21, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, April 6, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company

qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it is in the public interest so to do.

Prospective bidders are requested to attend prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston on Tuesday, April 14, 1987, at 10 a.m., Boston time.

The City of Boston, acting by the Parks Commissioner, 294 Washington Street, Room 901, Boston, 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly marked as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and conditions of the contract document entitled: "Installation of Trash Receptacles in the Boston Common."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment for construction of new trash receptacles as specified at various locations where indicated. Estimated cost, \$50,000.

Bids shall be submitted in duplicate before 2:00 p.m. Boston time, on Tuesday, April 14, 1987, and read forthwith and read aloud. One bid shall be submitted to the Awarding Authority at the office designated above accompanied by the bid deposit. The late copy of the bid shall be filed with the City Clerk, City Hall, Boston, Mass., previous to the opening of bid. The Awarding Authority reserves the right to waive any informalities to reject any and all bids, if it be in the public interest to do so.

Specifications will be available on or about Friday, March 30, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within five days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits shall be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must furnish satisfactory assurance that at least 10 percent of the bid price shall be expended for minority business enterprise. For the purpose of this paragraph, a minority business enterprise means a business organization in which at least 51 percent beneficial ownership is held by one or more persons who are Black, Hispanic, Asian, or American Indian.

Submitted with the contract documents is a copy of the "Minority Business Utilization Form."

The general contractor must complete, sign, and submit with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

The completed Minority Business Identification Form (MBU-IS-A) shall be submitted for each bid by a minority business enterprise listed on a bidders list (MBU-F), and submitted at the time of bidding, that is not included in the Minority Business Directory published by the Office of Minority Affairs. Copies of the Minority Business Identification Form are available at the City of Boston Office of Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 901, 294 Washington Street, Boston, on Tuesday, April 7, 1987, at 10 a.m., Boston time.

MAYOR FLYNN TO REDEDICATE SCOLLAY SQUARE

Memories will be rekindled and old friends reunited when Mayor Raymond L. Flynn and WRKO Radio host Jerry Williams lead the celebration and rededication of Scollay Square on Wednesday, April 29, 1987, starting at noon on City Hall Plaza.

At 2 p.m., Mayor Flynn will officially proclaim that Government Center be named Government Center at Scollay Square. Street signs and the MBTA station at Government Center will also reflect the change.

Many familiar faces from the Scollay Square era will be on hand, including former West End residents, entertainers, celebrities and politicians. Father John of St. Joseph's Parish, who will preside over the opening ceremonies, said, "The rededication of Scollay Square will mean the recovery of a lost identity to a city where millions of people came to during WWII and where thousands of residents lived."

Festivities starting at noon will feature live entertainment, including deville acts, big band music, and appearances by numerous performers from the era. Also in attendance will be many of the West Enders who have kept the memory of the neighborhood alive.

Mayor Flynn stated, "For those people who remember Scollay Square as the old West End, this celebration will bring back fond memories and help to rewrite an important part of Boston's history."

The Scollay Square celebration is sponsored by the Mayor's Office of Business and Cultural Development, in conjunction with WRKO Radio and Jerry Williams Show.

April 16, 10 a.m. to 2 p.m., Police Headquarters, 154 Berkeley St., 4th Floor.

April 17, 10 a.m. to 2 p.m., Health and Hospitals, 818 Harrison Ave.

Jeanne Strain resigned as Insurance Director last November to accept a position with the Economic Development and Industrial Commission. Acting Director Irene Carrington has been maintaining the operations of the Division with the support and assistance of her management team.

The Division recently published an Employee Benefit Handbook. This handbook provides information on the policies of the City's Health and Life Insurance Benefit Program; compares the kind of coverage provided by health maintenance organizations (HMOs) and traditional health insurance; and provides a brief description of all the health plans offered by the City. Copies are available at the Division in Room 267 of City Hall.

HEALTH BENEFIT AND INSURANCE DIVISION

Division Bulletin — April 1987

1987 Open Enrollment

The Division's annual open enrollment period for 1987 will be April 7th through May 8th. During this once-a-year period, employees may enroll in the Health and Life Insurance Benefit Program or change their health plans.

Employees who want to change from one health plan to another may do so during the open enrollment period by filling out an application for the new plan.

Eligible employees who did not enroll in the Benefit Program within the first 60 days of their employment may join at any time. If you are in this category you must submit an Evidence of Insurability form completed by a physician when

you apply for coverage. As this involves an appointment with a physician, we strongly recommend that you not wait until the last minute to apply.

Health plan brochures, applications and other forms are available at the Division in Room 267 of City Hall.

Coverage applied for during the open enrollment period will go into effect on July 1, 1987.

To assist interested employees in choosing coverage, representatives of the City's health plans will be available at the following times and places:

April 13, 10 a.m. to 2 p.m., School Department, 26 Court St., 1st Floor.

April 13, 4 to 5:30 p.m., Boston Teachers Union Hall.

DEPARTMENT OF HEALTH AND HOSPITALS

NOTICE TO CONTRACTORS

**Invitation for Bids for Energy — HVAC Retrofit
Work at Boston City Hospital.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, hereby invites sealed bids from HVAC contractors for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Energy — HVAC Retrofit Work at Boston City Hospital."

SCOPE OF WORK: The work to be done under this contract shall be performed only by recognized concerns who make a regular business of installing electrical and mechanical refrigeration equipment. The work will consist of the furnishing and installation of an electrically driven refrigeration compressor to be connected to existing chiller and condenser at Boston City Hospital, and related mechanical work.

SPECIFICATIONS: Will be available on Monday, April 13, 1987, at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

TIME AND PLACE FOR FILING BIDS: All general bids shall be filed with the Office of Contract Management at the above address on or before twelve noon, Boston time, on Wednesday, April 29, 1987, at which time and place they will be opened forthwith and read aloud. The proposals must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked, identifying the particular service to which it relates.

General bids will be valid only when accompanied by (1) a Certificate of Eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an update statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest to do so.

NOTICE TO BIDDERS

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing trucking services for the period May 15, 1987, to June 30, 1988. Forms of proposal may be obtained at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass. Each proposal must be signed by the bidder, placed in an envelope, properly sealed, and marked, "Proposal for Furnishing Trucking Services for the Period May 15, 1987, to June 30, 1988," and left at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass., before twelve o'clock noon, Boston time, Friday, May 1, 1987, accompanied by a certified check of a responsible bank or trust company, payable to the City of Boston, in the sum of \$5,000, to become and be the property of the City of Boston as liquidated damages, if after an award is made to him, the bidder shall fail to enter into a contract therefor within ten days after notice of said award has been mailed to him. Bid bonds will not be accepted. Said proposal will then and there be publicly opened and read. Proposals must be made in duplicate, one with a certified check to be left at the above address, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of the contract. Also the contractor shall comply with the applicable requirements of the Department of Public Utilities of the Commonwealth of Massachusetts.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the date of the public opening of bids.

Specifications may be obtained at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass.

A bond of an approved surety company in the sum of \$25,000, to secure the due performance of the contract and the full protection of the city will be required.

The Senior Structural Engineer reserves the right to reject any and all bids.

NOTICE TO CONTRACTORS

Invitation for Bids for Repairs to Steel Picket Fence, Commonwealth Avenue Mall.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Repairs to Steel Picket Fence, Commonwealth Avenue Mall."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to repair and/or install new fence picket sections, straighten or add new posts and pickets. Estimated cost of construction \$19,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 21, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, April 6, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company

qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, on Tuesday, April 14, 1987, at 10 a.m., Boston time.

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority

Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, on Tuesday, April 14, 1987, at 10 a.m., Boston time.

BOSTON REDEVELOPMENT AUTHORITY

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for the Installation of a Fire Alarm System at the Whittier Street Health Care Center, 20 Whittier Street, City of Boston, Massachusetts, until 12 noon, Boston time, on April 27, 1987, at One City Hall Square, ninth floor, Room 910, Boston, MA 02201. Attention: Engineering Department, at which time and place all bids will be publicly opened and read aloud.

The work consists of the installation of a complete fire alarm protection system, including smoke and thermal detection systems in the Whittier Street Health Care Center, located at 20 Whittier Street, Boston, Mass. The work will also include

the connections of the proposed fire alarm system to the City of Boston Fire Alarm System, located in an existing City of Boston Fire Alarm Manhole exterior to the building. All work shall be performed in accordance with the contract documents.

Copies of the contract documents may be obtained by paying twenty-five dollars (\$25), in cash or a check, payable to the Boston Redevelopment Authority. Documents may be obtained at Room 910, ninth floor, Boston City Hall, One City Hall Square, Boston, MA 02201. Refunds will be made to those returning the documents in satisfactory condition within ten (10) days after bid opening.

All bidders must submit with their bid a Certification of Eligibility inclusive of any update statements from the Division of Capital Planning and Operation (DCPO). Any bid submitted without the required Certificate and Update Statements from DCPO shall be invalid.

Every bidder must be capable of furnishing and installing all equipment necessary and capable of performing all work described in the contract documents and shown on the contract drawings, in order to be considered an eligible bidder.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for site preparation contract.

The Authority reserves the right to accept or reject any or all bids or any item(s) thereof, and to award the contract as it deems for its best interest.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, non-discrimination, affirmative action with respect to minority, female and resident employment, and minority business enterprise utilization.

The bidders are advised that the Minority Business Utilization Form must be completed and submitted as part of each bid submission if the amount of the bid is \$50,000 or more.

On Tuesday, April 21, 1987, at 10 a.m., a prebid conference will be held at the site, 20 Whittier Street, to discuss the project and to answer questions from the bidders concerning the work.

A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Compliance, on Tuesday, April 21, 1987, at 2 p.m., Room 901, Boston City Hall.

Bidders are advised to read all parts of the bid and contract documents in order to insure compliance with bid submission requirements.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

TRANSPORTATION DEPARTMENT

Proposals for Installation of Traffic Signal Foundations, Handholes, Underground Conduits, Loop Detectors and Pedestrian Ramps.

The City of Boston, acting by the Commissioner of Transportation, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for Installation of Traffic Signal Foundations, Handholes, Underground Conduits, Loop Detectors and Pedestrian Ramps.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful bidder. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposals for Installation of Traffic Signal Foundations, Handholes, Underground Conduits, Loop Detectors and Pedestrian Ramps," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Tuesday, April 21, 1987, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (The Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference section contract provisions of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade), for this contract are as follows: Minority — 25 percent; Boston resident — 50 percent; Female — 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the con-

tractor must give satisfactory assurance that at least 20 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 15, 1987, at 10 a.m., in the Boston Transportation Department, City Hall, Room 721.

CITY OF BOSTON,
RICHARD A. DIMINO,
Commissioner of Transportation.

The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, April 13, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, on Tuesday, April 21, 1987, at 10 a.m., Boston time.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, April 13, 1987. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, "REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS., WHICH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR APPROVAL. UPON APPROVAL AND WITH THE SUBMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE PROSPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, April 30, 1987, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on April 22, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE TO CONTRACTORS

Invitation for General Bids for Improvements to Cleary Square and Logan Square, Hyde Park.

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for Improvements to Cleary Square and Logan Square, Hyde Park.

Bids will be received up until twelve o'clock noon, Boston time, May 8, 1987, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices.

PLANS AND SPECIFICATIONS will be available on or about April 13, 1987, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest to do so.

NO. 16

PATRIOT'S DAY

From Bunker Hill to the decks of our historic USS Constitution;
Bay State citizens know we were the Cradle of Liberty
that gave birth to the democracy we cherish.

Our freedom is precious and worth defending.

MAYOR'S PROPOSED FY88 OPERATING BUDGET

Mayor Raymond L. Flynn has released his proposed FY88 Operating Budget for the City of Boston and Suffolk County. In the Mayor's Transmittal Letter to the City Council he noted that the budget "set forth a positive statement about Boston, its people and neighborhoods." He added that the budget proposed "important new activities in many areas, including parks and recreation, maintenance of city facilities and grounds, police protection, health care, youth activities, traffic-flow enhancement, minority business participation in city contracts, towing of abandoned vehicles, and community services.

Mayor Flynn went on to note that the FY88 Operating Budget "is both a plan to rebuild services, insure equity and demonstrate compassion," and that it would also serve "as a tool to measure progress and performance."

The recommended budget marks a major departure from past budget formats and budget process. The proposed budget is done as a Program Budget, and sets forth individual budgets for over 240 city and county programs. The budget also commences the city's efforts to systematize a city-wide Program Evaluation process, and each program budget contains a description of the program's mission, its objectives, and describes criteria and levels of service proposed for the upcoming fiscal year.

City departments will be required to track performance in meeting their promised levels of service, which will be monitored by the Office of Budget and Program Evaluation, the agency spearheading the effort.

In his Transmittal Letter to the Mayor, the Director of the Office of Budget and Program Evaluation, Robert J. Ciolek, noted that "a major effort was made in the budget process to directly link the need for improved progress in the operation of city programs and services with the idea of demonstrably improving performance." He added that "the full value of program criteria and levels of service will occur in succeeding years in that actual performance will be able to be compared to promised levels of service. As a means of measuring improvements in output, and as a basis for improved decision-making with regard to the allocation of dollars, the base of information gathered by the budget process will prove valuable to you as the chief executive officer of the City of Boston."

The proposed budget, if passed by the City Council, will increase appropriations to City Departments by 6.1 percent, for the Department of Health and Hospitals by 6.6 percent for County agencies by 7.0 percent, and for the Boston School Department by 9.0 percent. In dollars, city departments will be allowed to spend \$423.7 million, compared to the current year appropriation of \$399.2 million. The budget for the Department of Health and Hospitals will increase

to \$152.7 million, compared to the FY87 appropriation of \$143.3 million. County agencies will spend \$27.4 million, compared to a current spending authority of \$25.6 million. Finally, the School Department's budget is targeted at \$310.5 million for FY88, compared to \$282.5 million for the current year.

In his letter to Mayor Flynn, the Budget Director also noted that the budget was "very tight in terms of proposed spending increases, given my concern over the slowing of expected revenue increases."

The proposed budget will go to the City Council, where hearings on individual department budget requests are expected during April and May.

**Invitation for Bids for Pruning and
Trimming Trees in Franklin Park.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Pruning and Trimming Trees in Franklin Park."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to prune and trim trees at various locations in Franklin Park and to properly transport and legally dispose. Estimated Cost, \$100,000.

BIDS shall be submitted in duplicate between 2 p.m., Boston time, on Tuesday, April 28, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, April 13, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, April 21, 1987, at 10 a.m., Boston time.

**Invitation for Proposals for Inspection, Testing,
and Treatment of HVAC Water Systems.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for inspection, testing, and treatment of HVAC water systems at the Central Library Building and at other library locations during the period of July 1, 1987, through June 30, 1988.

Proposals will be received until 12 o'clock noon, Boston time, Wednesday, May 13, 1987, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the

bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, April 22, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

NOTICE TO CONTRACTORS

Invitation for Bids for Installation of Steel Pipe Service Gates and Steel Bollards at Various Locations, City of Boston.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Steel Pipe Service Gates and Steel Bollards at Various Locations, City of Boston."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to install steel pipe swing gates and to install steel pipe bollards in parks and playgrounds. Estimated cost of construction \$60,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, April 28, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, April 13, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

NOTICE TO CONTRACTORS

Invitation for Bids for the Rehabilitation of Pier 10 at Boston's Marine Industrial Park, South Boston, Mass.

The Economic Development and Industrial Corporation of Boston, acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F

and 39K through 39P of chapter 30 of the Massachusetts General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Rehabilitation of Pier 10 at Boston's Marine Industrial Park."

SCOPE OF WORK includes: The partial demolition and removal of certain designated, outboard sections of the pier; the structural rehabilitation of the remaining pier areas; the installation of wood piles, floats and a fendering system; the addition of eight (8) floating berths; the installation of certain utility services including electrical power, lighting and water service and the undertaking of all other required site improvements as designated in the contract documents.

CONTRACT DOCUMENTS and specifications will be available at the offices of the Public Facilities Department, on or about April 1, 1987, to all interested parties who present a \$25 deposit in the form of certified check, cashier's check, or treasurer's check payable to the Economic Development and Industrial Corporation of Boston for each set. The contract documents and specifications must be returned in good condition within thirty (30) days of the bid opening in order for the bidder to have the \$25 deposit check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, certified check, or cashier's check or treasurer's check, and shall be made payable to the Economic Development and Industrial Corporation of Boston.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bids shall be filed with the Public Facilities Department, at the above address before twelve o'clock noon on April 28, 1987, at which time and place respective bids will be opened forthwith and read aloud.

A BIDDERS' CONFERENCE will be held at the Boston Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m., Boston time, on April 10, 1987.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, and the requirement set forth in the specifications.

The attention of all bidders is specifically directed to the Equal Employment Opportunity, Affirmative Action and Boston Minority Participation requirements of the General Conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female, 25 percent Minority, and 50 percent Boston Resident. Additionally, the contractor is notified of the requirement to pay not less than the prevailing minimum wages stated in the contract documents.

Attention is directed to the Notice to the Bidders, the Form for General Bid and the prohibition of abnormally high or low price for any item of work. Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract. The Economic Development and Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

**Proposal for Boarding and Securing,
Project No. 26-CI-ABU, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following building:

51 Lawn Street, Ward 10.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, April 30, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the

contract documents entitled: "Project No. 26-CI-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours

to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

TRANSPORTATION DEPARTMENT

Proposals for Repair to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston.

The City of Boston, acting by the Commissioner of the Transportation Department, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful bidder. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Monday, May 4, 1987, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade), for this contract are as follows: Minority — 25 percent; Boston resident — 50 percent; Female — 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization

Pursuant to the supplemental minority participa-

tion section of the City of Boston contract, the contractor must give satisfactory assurance that at least 0 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 29, 1987, at 10 a.m., in the Transportation Department, City Hall, Room 721.

The Economic Development and Industrial Corporation of Boston, (EDIC/Boston) acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30 of the Massachusetts General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Black Falcon Avenue, Reconstruction of Roadway and Site Utilities at Boston's Marine Industrial Park."

SCOPE OF WORK includes: Construction of full-depth bituminous pavements for roadway and

parking areas; removal of certain existing railroad tracks; installation of 12-inch and 16-inch water main; construction of concrete sidewalks with granite edgestone; furnish and install new granite curbs; streetlighting system; construction of an electrical duct bank; reconstruction and additions to the storm drainage systems; installation of gas services, chain link fencing and landscaping and all other site improvements as designated in the contract documents.

CONTRACT DOCUMENTS (Plans and specifications) will be available at the offices of the Public Facilities Department, on or about April 21, 1987, to all interested parties who present a \$25 certified check, payable to the Economic Development and Industrial Corporation of Boston for each set. Bidders are hereby notified that bid deposits accompanying a proposal must be 5 percent of his/her bid, and shall be in the form of a bid bond, certified check, or cashier's check or treasurer's check, and shall be made payable to the Economic Development and Industrial Corporation of Boston (EDIC). The contract documents and specifications must be returned in good condition within thirty (30) days of the bid opening in order for the bidder to have the \$25 check returned. After thirty (30) days of the bid opening all deposits for contract documents, not refunded, shall become the property of EDIC/Boston.

A BIDDER'S CONFERENCE will be held at the Boston Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m., Boston time, on May 6, 1987.

TIME AND PLACE FOR FILING BID: All general bids shall be filed with the Public Facilities Department, at the above address before twelve o'clock noon, Boston time, on May 15, 1987, at which time and place respective bids will be opened forthwith and read aloud.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders, and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, and the requirements for the performance of the contract as set forth in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity and affirmative action requirements of the General Conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female, 25 percent Minority, and 50 percent Boston Resident. Additionally, the contractor is notified of the requirement to expend not less than 10 percent of his total bid price with minority business enterprises and to pay all workers not less than the prevailing minimum wages stated in the contract documents.

Attention is directed to the Notice to the Bidders, the Form for General Bid and the prohibition of abnormally high or low price for any item of work. Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

The Economic Development and Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

EDIC/BOSTON,
MARILYN SWARTZ-LLOYD,
Director.

NO. 17

MAYOR FLYNN ANNOUNCES IMPROVEMENT PROJECTS

*Mayor Announces Cleanups, Summer Jobs for Youths,
and Good News on the Artery Project*

Neighborhood Spring Cleanup

Boston's annual spring cleanup is now under way, thanks largely to the volunteer efforts of Boston residents, neighborhood groups, and other organizations who work hard to improve the quality and cleanliness of the city's streets. Sponsored by the Mayor's Office of Neighborhood Services and the Department of Public Works, the program has targeted 100 areas throughout the city to be cleaned with the help of volunteers. If you would like to participate in this program, call the Office of Neighborhood Services at 725-3485.

In addition to the volunteer Saturday clean-up program, the city is improving its appearance in other ways, including the purchase of new equipment like mechanical sweepers and front end loaders, and additional crews on street-cleaning and pothole details.

Boston Summer Jobs Program

This summer, the Boston Summer Jobs Program will place over 2,800 students from the seventeen Boston Public High Schools in employment positions in hospitals, retail outlets, government, manufacturing, and neighborhood businesses.

Established by Boston's Private Industry Council, the program expects participation from over 600 companies. The jobs, according to a national survey, pay the highest hourly wage to youth employees, and are primarily office/clerical positions.

The Boston Summer Jobs program is a fine example of public-private partnership in action. For more information about the program, call the Private Industry Council at 423-3755.

Federal Highway Bill means less congestion for Boston.

On April 3, 1987, the U.S. Congress passed the Federal Highway Bill, effectively allowing the Third Harbor Tunnel and Central Artery projects to go forward. This bill will help ensure that Boston remains a dynamic economic force and continues to provide economic opportunity and jobs for Boston's residents.

The major task ahead of us now is to draft a strong long-range working agreement with the Commonwealth

to guarantee that impacts on neighborhood residents and businesses are kept to an absolute minimum. I have appointed an interdepartmental coordinating committee to pursue the following objectives:

- To establish plans that will protect the city's residential neighborhoods and ensure continuous access throughout the construction period, especially access for Police, Fire, and Health and Hospital vehicles.

- To develop a mechanism to actively involve neighborhood residents and businesses in all phases of the project, including public meetings in the North End, and other affected communities.

- To ensure that Boston residents benefit from construction jobs created from the project.

North End residents and businesses in particular are understandably concerned about the impact of the project on their neighborhood. We have a primary responsibility to protect these and other neighbor-

hoods from any undue aggravation. At the same time, all of us recognize that in order for Boston to continue to develop, we must improve access and relieve traffic problems. We are optimistic that the proposed Artery and Third Tunnel projects are the best solution for the City of Boston.

FIRE DEPARTMENT ORDERS

April 10.

General Order No. 22

I. COMMUNICATIONS UNIT

The provisions of General Order No. 19, dated April 1, 1983, are hereby rescinded.

At 0800 hours, April 15, 1987, the Command Post Vehicle, currently operated by the Safety Unit, will be transferred to the Fire Alarm Office and its designation will become Communications Unit (Comm. Unit).

It will be brought to the scene of the incidents listed below by a fire alarm operator who shall man it throughout such responses:

1. Working fires and multiple alarms.
2. Major haz-mat incidents where Safety Chief is dispatched.
3. High-rise responses where Safety Chief is dispatched.
4. Subway and ship fires.
5. Boxes 612, 912, and 945.
6. Any incident that the officer in charge requires the presence of the unit.

On arrival at the scene, the operator shall report his location and presence to Fire Alarm for the information of the officer in charge of the incident.

He shall be under the overall command of the officer in charge and the direct command of the Safety Chief.

The vehicle shall continue to carry its current equipment and information and shall be supplied with spare radios, batteries and such other related equipment as becomes necessary.

The new procedure has two primary objectives:

- A. To permit the Safety Chief to more effectively utilize his aide for safety and fire fighting related duties.
- B. To enable the fire alarm operator to monitor and improve communications where possible and assist in relaying information and interpreting messages when necessary.

The unit is not intended to require the automatic relaying of messages, but to assist communications where it is advantageous.

(Continued from front page)

II. SUSPENSION

In accordance with the provisions of section 20.10 of the Rules and Regulations of the Boston Fire Department, Fire Fighter Donald L. Mathes, Engine Company 5, has been suspended from duty, without pay, for five days, effective 0800 hours, April 8, 1987, for violation of Rules 18.44 (f) and 18.44 (g).

III. TRANSFERS

The following-named members will be transferred to Personnel/Medical, effective 0800 hours, Saturday, April 11, 1987:

Fire Lieutenant Arthur E. Page, Engine Company 32.

Fire Fighter John S. Glennon, Ladder Company 23.

IV. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to their respective circuit cards:

Box 12-2644 — Housing for the Elderly, 120 Poplar Street, Circuit Card 83.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Health Benefit and Insurance Division
Insurance Cost Estimating, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Greenfield Associates of 37 Lawrence Street, for professional services to be rendered to the Health Benefit and Insurance Division of the Administrative Services Department.

Under the terms of the contract, Greenfield Associates will be responsible for providing consulting services related to the restructuring of the city's self-funded health insurance program including developing bid specifications for the contract which expires June 30, 1985, and providing a variety of cost estimates related to the program.

Greenfield Associates is a respected firm in the area of health care cost containment. Because they do not sell or broker insurance, the possibility of conflict of interest is precluded.

Compensation under this contract shall not exceed \$35,000 at the rate of \$100 per hour, with the available funds from appropriation code 1-10-48-290. The period of this contract shall be January 1, 1986 to June 30, 1986.

Because of the professional nature of the work performed I believe that public advertising would serve no useful purpose.

Sincerely,

Jeanne Strain,
Insurance Coordinator.

Purchasing Division

Communications Equipment

Dear Mr. Mayor:

Under General Laws, chapter 7, section 22B, two or more political subdivisions may join together for the purpose of obtaining and accepting competitive bids on similar items of materials, supplies, equipment, or services which they intend to purchase.

Pursuant to this law, the City of Newton, on behalf of the Greater Boston Police Council (GBPC), publicly advertised for bids to provide communications equipment to the police departments of the member cities and towns. The lowest bidder meet-

ing specifications was Motorola, Inc., and a contract was awarded to Motorola for a five-year period, from November 1981, to November 1986.

The Purchasing Division has received requisitions from the Police and Fire Departments, for the furnishing of two UHF base station B84RC3106T, at a unit cost of \$11,259, and ten mobile radios, with talk around dual P.L. 2b and 3b channel selected, at a unit cost of \$1,813.80, which are the bid prices in the contract between Motorola and GBPC.

Whereas Motorola's contract has already been publicly advertised and because Motorola's past five-year contract with GBPC has been beneficial to several city departments, it is my opinion that no useful purpose would be served by further public advertising, and that the best interest of the city would be served by purchasing the items requested by the Police and Fire Departments from Motorola under the GBPC contract.

Accordingly, your Honor's permission is respectfully requested to award a contract, without public advertising, to Motorola Communications and Electronic Inc., Illinois, having local offices at Waltham, in the amount not to exceed \$40,656, net, a cost I consider reasonable.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

Vehicles, Lease-Purchase

Dear Mr. Mayor:

Your Honor's permission is requested by the Treasury Department to award a contract without public advertising, to Gelco Corporation/Gelco Municipal Services Division, MN, for the lease/purchase of a minimum of thirty-six motor vehicles for delivery as required, up to June 30, 1986, for use by various city departments.

In July, 1983, the Treasury Department advertised for requests for proposals from twenty-seven financial organizations for the financing of City of Boston motor vehicles. Proposals were accepted up to, and opened on, August 1, 1983. Five financial organizations responded to the request for proposals.

Negotiations were conducted with all five respondents, and Gelco Corporation was chosen as having proposed the most advantageous financing arrangement for the city.

In December, 1983, a request was submitted to the City Council for an ordinance to allow a multi-year financing agreement to take effect between Gelco Corporation and the City of Boston. Docket No. 84-0117 was approved on April 25, 1984, and subsequently, the first lease with option to purchase agreement was signed and approved by the Collector-Treasurer and the Corporation to become effective on May 14, 1984.

This first year lease/purchase agreement was in effect for the FY85 period of July 1, 1984, to June 30, 1985.

Based on the favorable relationship established, and the positive results of this first year's experience, a subsequent lease with option to purchase agreement was negotiated between the Treasury Department and Gelco Corporation, and with the approvals by your Honor, the Collector-Treasurer and the Corporation Counsel, became effective on October 9, 1985.

This second lease/purchase agreement has an interest rate that is most favorable to the City of Boston under existing interest rate market conditions.

Accordingly, your Honor's permission is respectfully requested to award a contract for FY 86, without public advertising, and for delivery as required to June 30, 1986, to Gelco Corporation/Gelco Municipal Services Division, MN, in the amount of

\$750,000, net, subject to the terms and conditions contained in the lease with option to purchase agreement dated October 9, 1985, which is a cost I consider reasonable, and that further public advertising would serve no useful purpose.

This award letter is submitted late because of ongoing negotiation with the vendor and because certain terms and conditions of the contract award could not be determined until this date.

Respectfully yours,
John F. Scalcione,
Purchasing Agent.

**FIRE DEPARTMENT
X-ray Services**

Dear Sir:

I respectfully request your Honor's approval to dispense with public advertising in the award of a contract to Assoc. Radiology of Boston, Inc., a division of Boston City Hospital not to exceed \$8,000, for a period of time commencing January 1, 1986, through June 30, 1986. The cost of this contract is fair and reasonable considering the type of expertise required.

The purpose of this contract is to provide for Interpret X-rays for candidates for approximately 240 fire fighter candidates. The rate of compensation will be \$30 per examination per candidate tested.

The Interpret X-ray program performed by this unit is specialized with a particular emphasis on public safety and stress-related employment. Therefore, because of the unique service required to perform this contract and in light of qualifications and prior services and the fact that they are a sister department and close to Fire Headquarters, it is believed that public advertising would serve no useful purpose.

The reason for late submittal is due to administrative delays regarding the final number of candidates to be tested.

Respectfully submitted,
Robert J. Hamilton,
Acting Fire Commissioner.

**HEALTH AND HOSPITALS DEPARTMENT
Thermometers**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising to Chesebrough-Pond's, Inc., Hospital Products Division, for the period January 1, 1986, through June 30, 1987, at a cost not to exceed \$13,000.

Under this contract the department will lease fifty-nine Filac 1010 electronic thermometers at a rate of \$9.50 per month. Probe covers can be purchased for \$25 per thousand, firm over the two-year period. Chesebrough-Pond's, Inc. will service and maintain the thermometers and accessories and the units would become hospital property at the end of the contract period.

On September 11, 1985, a contract for the above services and supplies was awarded by the Mayor to Medical Electronics Group, 335 Newbury Street, an authorized distributor for Chesebrough-Pond's, Inc. This contract was executed on October 2, 1985, and the contract period was July 1, 1985, through June 30, 1987.

The department was notified in November, 1985, by Medical Electronics Group that they could no longer provide these supplies and services due to a change in their relationship with Chesebrough-Pond's, Inc.

Therefore, in view of the above, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The above contract amount is an approximate figure based on estimated volumes. This contract encompasses more than one fiscal year, therefore, the city's financial obligations are subject to the availability of an appropriation in accordance with the provisions of City of Boston Code, St. 4, ss. 4 and 8.

This letter of award is being submitted late because the Department was not notified until December 27, 1985, that Chesebrough-Pond's, Inc., would be supplying the goods and services.

Very truly yours,
Lewis W. Pollack,
Commissioner.

**INSPECTIONAL SERVICES DEPARTMENT
Boarding and Securing**

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. These buildings or structures are a menace to the neighborhood. The locations are 17 Stafford Street, Ward 8; 19 Stafford Street, Ward 8; 435-441 Blue Hill Avenue, Ward 14, (7 Sunderland Street); 562-570 Washington Street, Ward 17. Emergency bid held Monday, January 13, 1986, at 11 a.m.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 123.1 thereof I have asked and have received your Honor's permission to enter these various premises and to board and secure them.

Bidders were requested to submit an aggregate bid for the boarding and securing of these buildings or structures.

We have solicited bids, award to be made to the lowest qualified bidder and have received the following:

United Cleaning, \$12,500; Donald Clancy, \$10,720; T. C. Murphy, \$8,180; Hegarty Const., \$6,030.

Hegarty Const., has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$6,030, to the Hegarty Const., 19 Houghton Street, Dorchester.

Very truly yours,
William Sommers,
Inspectional Services Commissioner.

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. These buildings or structures are a menace to the neighborhood. The locations are 19 Moreland Street, Ward 12; 10 Hartford Street, Ward 13; 282-284 Washington Street, Ward 14. Emergency bid held Monday, January 13, 1986, at 11 a.m.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 123.1 thereof I have asked and have received your Honor's permission to enter these various premises and to board and secure them.

Bidders were requested to submit an aggregate bid for the boarding and securing of these buildings or structures.

We have solicited bids, award to be made to the lowest qualified bidder and have received the following:

United Cleaning, \$13,340; Donald Clancy, \$11,020; T. C. Murphy, \$6,365; Hegarty Const., \$11,060.

T. C. Murphy has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$6,365, to T. C. Murphy, 6 St. Marks Road, Dorchester.

Very truly yours,
William Sommers,
Inspectional Services Commissioner.

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. This building or structure is a menace to the neighborhood. The location is 318A Blue Hill Avenue, Ward 14. Emergency bid held Monday, January 13, 1986, at 11 a.m.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 123.1 thereof I have asked and have received your Honor's permission to enter this premises and to board and secure it.

Bidders were requested to submit an aggregate bid for the boarding and securing of this building or structure.

We have solicited invitation bids, award to be made to the lowest qualified bidder and have received the following:

United Cleaning, \$2,700; Donald Clancy, \$3,440; T. C. Murphy, \$2,775; Hegarty Const., \$3,285.

United Cleaning has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$2,700, to the United Cleaning, South Boston.

Very truly yours,
William Sommers,
Inspectional Services Commissioner.

**JOBS AND COMMUNITY SERVICES
Youth Counseling, etc.**

Dear Mayor Flynn:

I respectfully request your Honor's permission to contract with the Massachusetts Halfway Houses, Inc./Boston Employment Resource Center, a non-profit organization with offices at 80 Broadway, Boston. Under the terms of the contract, the contractor will provide education, counseling and employment services to fifty high-risk, court-involved youths between the ages of fifteen and seventeen.

The contractor will work in collaboration with a number of human service providers with demonstrated effectiveness in servicing this targeted population.

The contractor was selected based on its ability to provide the services needed, a review of its past performance during the prior contract period and the satisfactory completion of a program proposal in the areas of curriculum design and cost effectiveness.

Funds for the operation of this contract will be provided to the City of Boston through a grant provided by the State Department of Education. The contract will be effective for the period July 1, 1985, through June 30, 1986, at a total cost not to exceed \$70,840. This request was delayed due to the time involved in negotiations with the state and the subsequent receipt of the grant agreement for this contract.

As this is a negotiated contract at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Harrison & Maguire, P.C., 24 School Street.

Under the terms of the contract, Steven P. Perlmutter will provide legal services to Walter Robinson, Jr., in the case of *Eloise N. Pate v. John Crowley, et al.*, Civil Action No. 67186 (Suffolk Superior Court); Raymond L. Flynn, in his capacity as Mayor of the City of Boston, and the Public Facilities Commission of the City of Boston in the case of *Morgan, et al. v. Nucci, et al.*, C.A. 72-911-G (United States District Court) and; the City of Boston, Joseph Jordan, Kevin H. White and Richard W. Bourque, Jr., in the case of *Hart, Admx. v. Bourque, et al.*, No. 85-1629 (First Circuit Court of Appeals). Mr. Perlmutter has provided legal services in the *Pate*, *Morgan* and *Hart* cases in the past and it is in the best interest of the city and city employees who are defendants in these cases that he continue as their legal counsel in these cases.

Mr. Perlmutter shall also provide consulting services to the City of Boston Law Department. These services are necessary in order to facilitate an orderly and efficient transition in the department after Mr. Perlmutter's departure as an assistant corporation counsel. In that position, Mr. Perlmutter served as the department's supervisor of litigation. The consulting services which Mr. Perlmutter will provide will help ensure that the city's litigation will be properly supervised during the period that a new supervisor of litigation is being selected.

Compensation under this contract shall not exceed \$32,500. It is understood that \$15,000 shall be allocated to the *Pate* case, \$10,000 shall be allocated to the *Morgan* case, \$5,000 shall be allocated to the *Hart* case and \$2,500 shall be allocated for consulting services. Payments will be made at the rate of \$100 per hour for Mr. Perlmutter's time. If Mr. Perlmutter determines that it is necessary for additional attorneys at Harrison & Maguire, P.C. to work on the *Pate*, *Morgan* or *Hart* cases, those attorneys shall be compensated at the following hourly rates within the same total amount of compensation:

Alex H. MacDonald, \$100 per hour; Lawrence P. Heffernan, \$90 per hour; and Clive Martin, \$75 per hour. Paralegal time shall be compensated at the rate of \$25 per hour. I have determined these rates to be reasonable.

The period of this contract shall be December 9, 1985, through June 30, 1986.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Albert W. Wallis,
Acting Corporation Counsel.

Investigative Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Allied Adjustment Service, located at Needham, for investigative services.

Under the terms of the contract, Allied Adjustment Service will provide investigative services to the Workers' Compensation Division of the Law Department, including but not limited to activities checks, surveillance, reviewing records, documenting evidence, submitting investigative reports and testifying at the Industrial Accident Board regarding City of Boston employees who have filed Workers' Compensation claims. Allied Adjustment Service is uniquely qualified to do this work, because of their resources and expert personnel who perform similar services for major insurance companies in New England.

Compensation under this contract shall not exceed \$19,800, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be from September 4, 1985, to June 30, 1986.

This letter is late, due to administrative and budgetary delays in negotiating the contract.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

MANAGEMENT INFORMATION SYSTEMS Computer Services

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and award a contract to Mr. Thomas J. Burke, 67 Chickatawbut Street, Dorchester. The purpose of this contract is to provide computer services to this division at a weekly rate of \$442 per week, based on a thirty-five-hour work week.

This contract will provide professional computer system design and analysis services for various computer projects throughout city departments and agencies. This contract shall be charged to appropriation code 1-01-49-29-0 and shall not exceed \$11,500, and shall be for the period of January 6, 1986, through June 30, 1986.

Mr. Burke possesses much expertise in this area as well as a strong technical background. I have determined the cost of these services is reasonable, and therefore no useful purpose would be served by public advertising.

Sincerely,
Allan K. Stern,
Director.

MAYOR'S OFFICE

Drug Abuse Prevention Program, etc.

Dear Mr. Mayor:

I respectfully request authorization to dispense with public advertising in the award of a contract to Derek Sanderson of 247 Proctor Avenue, Revere, in an amount not to exceed \$28,000, at the hourly rate of \$17 for the period of October 10, 1985, through June 30, 1986.

Under the terms of the contract, Mr. Sanderson will develop and implement a program on drug and alcohol abuse prevention for young people and adults in Boston. Mr. Sanderson will work with the Mayor's Education Advisor, Robert Consalvo, to accomplish the following objectives:

Visiting Community School programs — meet with staff and participants, re alcohol and drug abuse issues; assist with planning, setting up, and participating in special events, program related to youth, and alcohol and drug abuse; meet with neighborhood groups about drug and alcohol abuse issues; work with the City of Boston and School Department EAP programs; contact and arrange for sports figures to participate in city-sponsored youth and drug and alcohol abuse programs; schedule a series of personal appearance programs for youth in public and private schools related to drug and alcohol abuse; assist the Coordinating Council on Drug and Alcohol Abuse with programming; develop PSAs about drug and alcohol abuse; and prepare a video tape of his accomplishments for use in his program.

Mr. Sanderson is an exceptionally talented individual with the unique background and experience which qualifies him to perform these services.

This letter of award is being submitted late due to administrative and budgetary delays and the renegotiation of Mr. Sanderson's responsibilities.

In view of the professional nature of the service to be performed, and the unique background and training required, I believe that public advertising would serve no useful purpose.

Sincerely,
Daniel M. Hart,
Supervisor.

PENAL INSTITUTIONS DEPARTMENT

Exterminating Services

Dear Mr. Mayor:

Your Honor's permission is respectfully requested to award a contract for exterminating services at the Suffolk County House of Correction, Deer Island, to Systems Exterminating Contractors, 208 Washington Street, Dorchester. The term of this contract shall be from July 1, 1985, through June 30, 1986, and shall not exceed \$8,340.

An invitation to submit proposals for this contract was published in the June 3, 1985, edition of the *City Record* and was opened in accordance with that invitation on June 18, 1985, with the following results:

W. H. Clancy Cleaning Services, \$6,968 per year; Systems Exterminating Company, \$8,340 per year; and Jay's Exterminator Company, \$62,400 per year.

Because the lowest bidder, W. H. Clancy Cleaning Service, provided unsatisfactory services while contracting with the department during Fiscal Year 1985. I have determined that the exterminating service contract should be awarded to the next lowest bidder, Systems Exterminating Contractors, their cost being reasonable.

Therefore, I request that all bids be rejected and the contract be awarded to Systems Exterminating Contractors without advertising. This contract is being submitted late because of administrative delays.

Sincerely,
Albert G. Walsh,
Commissioner.

POLICE DEPARTMENT

Medical Examinations

Dear Mr. Mayor:

I respectfully request authorization to dispense with public bidding in the award of a contract to William Wigglesworth, M.D. Ipswich, for an amount not to exceed \$18,000, at a rate of \$40 per hour for a period of time commencing August 1, 1985, through June 30, 1986. I have determined that the contract cost is reasonable in view of the professional nature of the services.

The purpose of this contract is to provide for medical examination of present and prospective police officers to aid in department decision relating to: determination of fitness of injured or ill officers for returning to light or full duty; distinguishing between on-and off-duty injuries and illness of officers; selection of officers from applicants using physical standards established by the Department of Personnel Administration; determining physical fitness of potential employees; advising the department on applications for disability retirement.

Doctor William Wigglesworth was recruited for this position in 1978 from a advertisement placed in the Massachusetts Medical Society Newsletter, at that time, Doctor Wigglesworth was the most qualified medical professional and possessed the necessary orthopedic specialty for which the department is in need. Dr. Wigglesworth is a graduate of Harvard Medical School, a lifelong practitioner in the Boston area and is highly experienced in the orthopedic and trauma related injuries that compose the bulk of our problems.

Doctor Wigglesworth has worked for the Boston Police Department under contract since July 1, 1978, and his capacity as departmental physician has proved very effective. His experience in examining sworn, injured personnel and his diagnostic skills have been extremely useful for the department.

The late submission of this award letter is due to the fact that the original award letter was misplaced and through an administrative oversight was not noticed until recently.

Therefore, because of the advertising already undertaken by the department, and in light of the qualifications and past experience of Dr. Wigglesworth, I believe that public advertising would serve no useful purpose.

Sincerely,
Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Emergency Plumbing Repairs

Dear Mr. Mayor:

As a result of the serious problems concerning the homeless people in the City of Boston and compounding this issue is an outbreak of tuberculosis within the population of these homeless persons, it is urgent to expand the existing shelters for the homeless, located at the Tobin Building and into the

Morris Building, Long Island Chronic Disease Hospital, from the present population of 200 persons to accommodate 225 additional persons. This proposed expansion would mean that the third floor of the Tobin Building and the first floor of the Morris Building would have to be occupied. At the present time, the existing heating and plumbing systems of the third floor of the Tobin Building has been disconnected and additional showers will have to be installed at the Tobin and Morris buildings, to accommodate this increase of population. Under the terms of this contract, the contractor shall expeditiously repair the heating and plumbing systems of these two buildings, in order to make them operational. These immediate repairs would provide a safe, sanitary, and healthy environment for its newly arrived occupants; and would also be a direct step to help alleviate serious community and health problems facing the City of Boston.

Because of the exigency of the present situation and the potential threat to life and property of the City of Boston, I requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning and Operations to dispense with meeting the requirements of Massachusetts General Laws chapter 149, section 44A, as it pertains to public advertising, provided we obtain bids from at least three reputable contractors normally engaged in this type of work. The results were as follows: D & F Plumbing & Heating Co., Inc. \$25,800; P. J. Kennedy & Sons, Inc., \$27,000; and P. J. Janis Co., Inc., \$28,500

Your Honor's written approval, therefore, is respectfully requested in recognition of the fact that an emergency situation does exist, to authorize dispensing with public advertising for bids and to award a contract to D & F Plumbing & Heating Co., Inc., 375 Centre Street, for a total amount not to exceed \$25,800. Up in execution, the work of this contract shall be accomplished within twenty-one days.

Sincerely,

Lisa G. Chapnick,
Director.

Emergency Asbestos Removal

Dear Mr. Mayor:

As a result of the serious problems concerning the homeless people in the City of Boston and compounding this issue is an outbreak of tuberculosis within the population of these homeless persons, it is urgent to expand the existing shelter for the homeless, located at the Tobin Building and into the Morris Building, Long Island Chronic Disease Hospital, from the present population of 200 hundred persons to accommodate 225 additional persons. This proposed expansion would mean that the third floor of the Tobin Building and the first floor of the Morris Building would have to be occupied. At the present time, there is exposed asbestos pipe-covering that will have to be removed, repaired and protected, including the replacement of broken glass lites in windows; the installation of new exit door and other minor building repairs, to accommodate this increase of population. Under the terms of this contract, the contractor shall expeditiously remove, repair and protect asbestos pipe-covering and perform other necessary building repairs to the Tobin Building, in order to make it operational. These immediate repairs would provide a safe and healthy environment for its newly arrived occupants; and would also be a direct step to help alleviate community and health problems facing the City of Boston.

Because of the exigency of the present situation and the potential threat to life and property of the

City of Boston, I requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning and Operations to dispense with meeting the requirements of Massachusetts General Laws chapter 149, section 44A, as it pertains to public advertising, providing we obtained bids from at least three reputable contractors normally engaged in this type of work. The results were as follows: D. Clancy & Sons Co., \$31,700; John Palumbo Co., \$36,400; T. C. Murphy, \$37,500; Napoli Wrecking Co., Inc., \$38,500; Lee Kennedy Co., Inc., \$38,560; and Dartmouth Construction Co., Inc., \$40,000.

Your Honor's written approval, therefore, is respectfully requested in recognition of the fact that an emergency situation does exist, to authorize dispensing with public advertising for bids and to award a contract to D. Clancy & Sons Co., 339 Dorchester St., South Boston, for a total amount not to exceed \$31,700. Upon execution, the work of this contract shall be accomplished within twenty-one days.

Sincerely,
Lisa G. Chapnick,
Director.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. 097-309 — DEMOLITION OF EXISTING ORANGE LINE — SOUTHWEST CORRIDOR — Boston, Massachusetts, (Class 8 — Demolition, Project Value 47.83) will be received by the Director of Construction at the Contract Administration Office, fifth floor, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on May 14, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

This work consists of demolishing the existing Orange Line elevated structure, including transit stations, between the Essex Portal to a point adjacent to the Arborway Yards, exclusive of Dudley Station (which is to remain in place); salvaging and storing selected items; maintenance and protection of pedestrian, vehicular and railroad traffic; removal of rails, ties, switches and other railroad appurtenances; repair of pavements, sidewalks and other incidentals; temporary security fencing; rodent control; street sweeping; demolition/construction noise abatement; and traffic management.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the U.S. Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the above address from 8:30 a.m. to 4 p.m., after April 20, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, as amended, is available from the Contract Administration Office at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, are available from the Contract Administration Office at a charge of \$15 per copy. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable

efforts to meet the stated goals of DBE 13 percent and WBE 2 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the offices of the Project Manager, Mr. Joseph Clougherty, Project Manager, MBTA, 500 Arborway, Jamaica Plain, MA 02130, Telephone Number (617) 722-3423. A prebid conference will be held on April 30, 1987, at 10 a.m., at the MBTA, 500 Arborway, Jamaica Plain, MA 02130. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Proposal for Repairs to Existing Mechanical
Equipment at Various Drawbridges in the
City of Boston.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, April 27, 1987. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston

time, Thursday, May 21, 1987, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS
I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been

certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on Tuesday, May 12, 1987, at 10 a.m. in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on

Tuesday, May 12, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Pruning and Trimming Trees in the Back Bay Fens."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to prune and trim trees at various locations in the Back Bay Fens and to properly transport and legally dispose. Estimated cost, \$75,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 12, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, April 27, 1987, after 9 a.m., Boston time, at

the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of the bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, on Tuesday, May 5, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. S3CN07
DEMOLITION — JFK/UMASS STATION, Boston,
Massachusetts, (Class 8 — Demolition, Project
Value 17.30) will be received by the Director of Con-
struction at the Contract Administration Office, fifth
floor, 10 Park Plaza, Boston, MA 02116-3933, until
two o'clock (2 p.m.) on May 13, 1987. Immediately
thereafter, in a designated room, the bids will be
opened and read publicly.

This work consists of the complete demolition,
removal and disposal of certain existing buildings,
structures, and appurtenances, and treatment, re-
moval and disposal of all hazardous waste, all lo-
cated in Boston, Mass., bounded on the north by
Mount Vernon Street, the west by the JFK/UMASS
Station, the south by the UMASS parking lot, and
the east by Commonwealth of Massachusetts prop-
erty. The contractor's attention is directed to the
time of completion stipulated in the form for bid,
which may require the contractor to work more than
one shift per day in order to meet the October 15,
1987, completion.

Funds for final design, construction phase serv-
ices, and the construction effort are provided from
chapter 811 bond money. Local wage rates prevail.

Each prospective bidder proposing to bid on this
project must be prequalified in accordance with the
Authority's "Procedures Governing Classification
and Rating of Prospective Bidders." Copies may be
obtained from the Contract Administration Office at
the above address. Requests for prequalification
for this project will not be accepted by the Authority
after the tenth (10th) day preceding the date set for
the opening of bids.

Each prospective bidder must also comply with
additional prequalification requirements referred to
in Article 1.12, Competency of Bidders, in the In-
structions to Bidders.

Prequalified bidders may obtain from the Con-
tract Administration Office a "Request for Bid

Form" which must be properly filled out and submit-
ted for approval.

Bidding documents may be obtained from the
Contract Administration Office at the address
above from 8:30 a.m. to 4 p.m., after April 13, 1987,
Monday through Friday, at a charge of \$50. The Au-
thority's Standard Specifications, Bidding and Con-
tract Requirements and Division I — General
Requirements, dated November, 1983, as
amended, is available at a charge of \$5 per copy.
The Authority's Standard Specifications, Construc-
tion, dated January, 1980, is available at a charge of
\$15 per copy. Bidding documents will be mailed by
parcel post upon request and receipt of an addi-
tional fee of fifteen dollars (\$15) payable by sepa-
rate check. If requested, document will be
forwarded by air freight, where such service is
available, at the expense of the plan holder. None of
these charges are refundable.

Bidders' attention is directed to Appendix 1,
Goals and Timetables for Female and Minority Par-
ticipation in the Construction Industry; and to Ap-
pendix 2, Supplemental Equal Employment
Opportunity, Anti-Discrimination and Affirmative
Action Program in the specifications. In addition,
pursuant to the requirements of Appendix 3, Disad-
vantaged Business Enterprise (DBE) and Women-
owned Business Enterprise (WBE) participation
provision, bidders must submit an assurance with
their bids that they will make sufficient reasonable
efforts to meet the stated goals of DBE 13 percent
and WBE 0 percent.

Bidders will affirmatively insure that in regard to
any contract entered into pursuant to this solici-
tation, minority and female construction contractors
will be afforded full opportunity to submit bids and
will not be discriminated against on the grounds of
race, color, religion, sex, or national origin in con-
sideration for an award.

Bidders will be required to comply with federal
equal employment opportunity regulations and the
President's Executive Order No. 11246 and any
amendments or supplements thereof.

Authorization for the bidders to view the site of
demolition work shall be obtained from the offices
of the Project Manager, Mr. George H. Smith, Jr.,
South Station Project Office, 720 Atlantic Avenue,
Boston, MA 02110, Telephone Number (617) 722-
5233. A prebid conference will be held on April 29,
1987, at 10 a.m., at the above office. Any request for
interpretation of plans and specifications should be
submitted in writing at the same time.

Bidders will be required to certify as part of their
bids that they are able to furnish labor that can work
in harmony with all other elements of labor em-
ployed or to be employed on the work.

This contract is subject to minimum state wage
rates, as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the
amount of 5 percent of the value of the bid, in the
form of a bid bond, cash, certified check, treas-
urer's or cashier's check.

The successful bidder shall be required to fur-
nish a performance bond and a labor and materials
payment bond, each for the full amount of the con-
tract price.

The Authority reserves the right to reject any
or all bids, to waive informalities, to advertise for
new bids, or proceed to do the work otherwise, as
may be deemed to be for the best interests of the
Authority.

The City of Boston, acting by its Commissioner,
invites sealed proposals for the performance of the
work generally described above and in the contract
documents.

Every proposal shall be submitted in duplicate on
and in accordance with the contract documents
which may be obtained at Room 714 (Contract Of-
fice), City Hall, Boston, Mass., on and after Monday,
April 27, 1987.

All proposals shall be filed no later than 2 p.m.,
Boston time, Thursday, May 28, 1987, at Room 714,
and at the office of the City Auditor, Room M4, City
Hall, Boston, at which time and place they shall be
publicly opened and read aloud. There will be a
charge of five dollars (\$5), not refundable, for each
set of contract documents taken out.

Proposal guaranty shall consist of a bid deposit
of 5 percent of the total bid, in the form of a bid bond,
certified check, treasurer's or cashier's check is-
sued to the City of Boston.

The Commissioner of Public Works has deter-
mined that there is little or no risk of default or unsat-
isfactory performance by the vendor/contractor,
therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed
to the City of Boston Supplemental Minority Partici-
pation and Resident Section contract provision of
the specifications and the obligation of the contrac-
tor and subcontractors to take affirmative action in
connection with employment practices in the per-
formance of this contract.

During the performance of this contract, the gen-
eral contractor shall agree and shall require that his
subcontractors agree to the following Workforce
Requirements (labor).

1. *Minority Workforce:* The contractor and its sub-
contractors shall maintain a not less than 25 per-
cent ratio of minority manhours to total employee
manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor
and its subcontractors shall maintain a not less
than 50 percent ratio of Boston resident employee
manhours to total employee manhours in each
trade worked on this contract.

3. *Female Workforce:* The contractor and its sub-
contractors shall maintain a not less than 10 per-
cent ratio of female employee manhours to total
employee manhours in each trade worked on this
contract.

4. The workforce requirements of paragraphs (1),
(2), and (3) above shall apply to each trade that ap-
pears on the list of "Classification and Minimum
Wage Rates," as determined by the Commissioner
of Labor and Industries under the provisions of
chapter 149, sections 26 through 27G, of the Gen-
eral Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF
THE ACTS OF 1963, WHICH MUST BE STRICTLY
COMPLIED WITH. The commissioner reserves the
right to reject any and all proposals or any item or
items of the proposal should he deem it to be for the
best interest of the city so to do.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, May 21, 1987, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor

complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on Tuesday, May 12, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

The School Committee of the City of Boston invites bids for insurance for school vehicles for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street, on Monday, April 27, 1987.

A maximum of five companies will be assigned to each participating bidder. The assignment will be conducted in accordance with the procedure set forth in the Notice to Bidders section of the proposal

forms available at the Office of the Business Manager.

Company assignments will be made by the J. H. Albert International Insurance Advisors, at a meeting to take place at the office of the Business Manager on Wednesday, May 6, 1987, at 10 a.m. Bidders shall not contract companies until assignments have been allocated. Individual companies requested must be identified; affiliated companies may not be reserved by group, such as "A.I.G."

Envelopes containing proposals must be sealed and plainly marked "Proposal for Insurance for School Vehicles." The bid must be in triplicate. Two copies signed by the bidder and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon on Thursday, June 11, 1987. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Tuesday, May 12, 1987, at twelve noon, Boston time, at the Office of Contract Management at the address shown above. The successful bidder(s) must furnish a performance bond, in an amount equal to 50 percent of the contract price.

Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, MAY 4, 1987

NO. 18

BOSTON CONTINUES ITS SPRING CLEANING

The spring street-cleaning program, sponsored by the Mayor's Office of Neighborhood Services and the Department of Public Works, continues to be successful. Each Saturday through the end of spring, the city will coordinate neighborhood cleanups across the city. These cleanups will be performed by Boston residents, neighborhood groups, and other organizations concerned with the quality and cleanliness of the city's streets. Now in its fourth year, the program has increased its number of clean-up events from twenty-six in 1984, to a high of one hundred proposed this year.

"Through the hard-working efforts of many city departments, community groups and neighborhood merchants, Boston is a city that visitors admire for its beauty and vitality," said Mayor Flynn. "Neighborhood groups throughout the city have joined with the Parks and Recreation Department, Public Works Department, and Water and Sewer Departments in cleaning up our parks, streets, and vacant lots. Merchant's associations and business groups have worked with the Office of Neighborhood Services in coordinating clean-up efforts in the commercial districts in our neighborhoods.

On Saturday, April 25, Boston's Back Bay was the sight of two major cleanups: The St. Botolph Street Neighborhood Cleanup and the N.A.B.B. (Neighborhood Association of the Back Bay) Alley Neighborhood Cleanup. These cleanups were extremely successful in improving the appearance of these neighborhoods.

The St. Botolph Street Cleanup began at 9 a.m., and continued until 1 p.m. Mayor Flynn pitched in and did his share. The volunteers began their cleaning at 123 St. Botolph Street and made their way through the area picking up anything that did not belong there. The City of Boston provided a street sweeper and personnel to remove graffiti. This cleanup was organized with the assistance of the St. Botolph Citizens Association.

The N.A.B.B. Alley Neighborhood Cleanup began at 8:30 a.m., and was over at approximately 12 noon. The participants assembled at the Clarendon Street Playground on the corner of Clarendon Street and Commonwealth Avenue. The city provided the necessary tools, and Mayor Flynn did his share at this site as well. The N.A.B.B. assisted with the organization of this cleanup. Several local college students helped to make this cleanup a success.

In addition to the ongoing, all-volunteer, Saturday clean-up program, the city is improving its appearance

in other ways. The Traffic Department is planning to spend over \$100,000 to improve Boston's street signs. The city's sweeper contract budget has been increased by \$700,000 for fiscal year 1988, which begins this summer. Three new mechanical sweepers have recently been purchased, bringing the total number of sweepers operating in the city this summer to thirty-three. Also, six new front end loaders have recently been purchased, and the city's dump truck force is now at fifty strong.

There should be no shortage of manpower to keep Boston clean this summer either. The city will be hiring 125 "hokey" sweeping men and women to sweep clean the neighborhoods and the commercial districts. The Department of Public Works has recently hired thirty crews (one hundred workers), to continue its battle against potholes; a pothole hot line (725-3050), has been established to help target the most serious problems.

The D.P.W. is planning to spend a

total of \$21,664,462 on reconstruction of Boston's streets and other related projects. Among them are:

- Over \$13 million for 20 miles of highway repair
- Over \$2.6 million for 5 miles of sidewalk construction
- Over \$1.2 million for resurfacing of 24 miles of roadways
- Over \$1.6 million for 23 miles of above-ground street lighting
- Over \$2.5 million for additional projects

The possibility of adding \$1 million to the resurfacing and sidewalk repair budgets, and another \$850,000 for repair of sidewalks that have been damaged by cable T.V. installation is also being discussed.

History of Neighborhood Cleanups

- 1984 — 26 cleanups were conducted
- 1985 — 45 cleanups were conducted
- 1986 — 76 cleanups were conducted, at which 425 tons of garbage were removed, and between 2,000 and 2,500 people participated.
- 1987 — 100 cleanups have been planned.

These cleanups have been made successful through a combination of efforts by neighborhood groups, local businesses, and city D.P.W./Neighborhood Services Departments working together to clean streets, alleys, and vacant lots.

DEPARTMENT OF HEALTH AND HOSPITALS

Invitation for Bids to Provide Maintenance and Repair of Various Laboratory Equipment at Boston City Hospital for the Period July 1, 1987, through June 30, 1988.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, May 4, 1987.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Monday, May 18, 1987, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

PUBLIC FACILITIES DEPARTMENT

Washington Hill Community Association, herein after referred to as the Awarding Authority, through funding from the Public Facilities Department, under support from the Community Development Block Grant, invites contractors to bid the following project:

Site: Washington Hill Community Association, 4640 Washington Street, Roslindale, MA 02131.

Scope of Work: Renovation of office space and storefronts, including but not limited to carpentry, plumbing, electrical, ceiling, floors, windows, doors, and storefront renovations.

Remarks: General Contractors.

Time and Place for Filing Bids: ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before 10 a.m., on May 27, 1987, at which time and place respective bids will be opened forthwith and read aloud. Contractors planning to submit bids should plan to attend a prebid meeting specifying the extent of the renovations. The prebid meeting is scheduled as follows: Washington Hill Community Association, 4640 Washington Street, Roslindale, MA 02131, May 13, 1987, 10 a.m.

PLANS AND SPECIFICATIONS will be available on May 6, 1987, at the Washington Hill Community Association, 4640 Washington Street, Roslindale, MA 02131, through Donna Remolette at 327-0850.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements.

This is a federally assisted project and, therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker in this project.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent (or 30 percent if in the impacted area; see contract documents) of his bid shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provisions of the contract documents requiring at least 50 percent of all work hours on this project be performed by Boston residents; 25 percent by minorities; and 10 percent by women, in each trade.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Invitation for Bids for Egress Alterations at Madison Park High School, 55 New Dudley Street, Roxbury, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Egress Alterations at Madison Park High School, 55 New Dudley Street, Roxbury, Mass.," at an estimated cost of \$75,000.

SCOPE OF WORK: In general includes: cut masonry walls, prepare for new egress doors and fire partition walls and related work.

PLANS AND SPECIFICATIONS will be available on or about Thursday, May 7, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, May 21, 1987, at which time and place respective bids will be opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in general contracting, up to a project dollar amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

NOTICE TO CONTRACTORS

**Invitation for Bids for Pruning and Trimming
Trees in Olmsted Park.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Pruning and Trimming Trees in Olmsted Park."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to prune and trim trees at various locations in Olmsted Park and to properly transport and legally dispose. Estimated cost, \$45,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 19, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, May 4, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and

the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, May 12, 1987, at 10 a.m., Boston time.

TRAFFIC AND PARKING DEPARTMENT

Invitation for Bids for the Furnishing, Installation, Removal and Replacement of Parking Meter Posts in Various Locations.

The City of Boston, acting by its Traffic and Parking Department, through its Commissioner of Traffic and Parking (the Awarding Authority), invites sealed general bids for the above-entitled project, subject to all provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, May 27, 1987, at the office of the Awarding Authority, Room 721, City Hall, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the amount of 10 percent of the contract proposal price. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday May 4, 1987, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance and liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award of this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No proposal may be withdrawn after the time limit for filing proposals for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. Proposals filed by the three lowest responsible and eligible bidders may not be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.

PURSUANT TO THE SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT PREFERENCE SECTION OF THIS CONTRACT, THE GENERAL CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST 10 PERCENT OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR THE PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS ORGANIZATION IN WHICH 51 PERCENT OF THE BENEFICIAL OWNERSHIP AND CONTROL IS HELD BY ONE OR MORE MINORITY PERSONS (BLACK, HISPANIC, ASIAN-AMERICAN, OR AMERICAN INDIAN).

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "MINORITY BUSINESS UTILIZATION FORM," "MINORITY BUSINESS IDENTIFICATION STATEMENT," "MINORITY BUSINESS UTILIZATION PROGRESS REPORT," AND THE "MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT."

EACH GENERAL CONTRACTOR MUST COMPLETE, SIGN AND FILE WITH HIS BID THE MINORITY BUSINESS UTILIZATION FORM. FAILURE TO DO SO WILL RESULT IN THE REJECTION OF THE BID PROPOSAL. THE LOWEST RESPONSIBLE AND ELIGIBLE BIDDER IS REQUIRED TO SUBMIT A MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT. THE LETTER OF INTENT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE AND THE GENERAL CONTRACTOR NO LATER THAN TEN (10) WORKING DAYS AFTER THE GENERAL BID OPENING. THE LOWEST BIDDER MUST ALSO SUBMIT A MINORITY BUSINESS IDENTIFICATION STATEMENT FOR EACH MINORITY BUSINESS NOT INCLUDED IN THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY.

ALL CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY PUBLISHED BY THE CITY THROUGH THE OFFICE OF MINORITY BUSINESS TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

THE MINORITY BUSINESS OFFICE IS LOCATED AT 15 BEACON STREET, FIFTH FLOOR, BOSTON, MA 02108, TELEPHONE NUMBER 720-4300.

Bidders seeking information pertaining to the affirmative action in connection with City of Boston contracts should attend scheduled meetings at 15 Beacon Street. These meetings will be held on the first and third Wednesdays of each month.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

NO. 19

MAYOR FLYNN ANNOUNCES IMPROVED BOND RATING

Mayor Raymond L. Flynn, joined by members of the City Council and the chief financial officers of his Administration, on April 30, announced that Moody's Investor Service has upgraded the City of Boston's bond rating to 3aa1.

This rating represents the third increase in the past two years from Wall Street rating agencies and the second increase from Moody's during that same period of time.

The improved investment rating indicates a continued growth in confidence in the City of Boston and its financial management. The higher rating will result in significant interest savings for the city and its taxpayers in the costs of both short- and long-term borrowing.

Mayor Flynn stated that, "The improved rating reflects the progress we have made in putting the city's financial house in order. Having ended years of deficit spending and having closed an inherited \$40 million shortfall, we can continue our efforts to rebuild city services and to make capital improvements throughout every neighborhood of the city. Moreover, the upgrading will allow us to deliver city services more cost-effectively and to allocate more of our resources to direct services and less to interest payments. This is excellent news for the taxpayers of Boston."

Mayor Flynn expressed his appreciation to those whose efforts and cooperation have helped make this possible, including the City Council, Sam Tyler of the Municipal Research Bureau, and the Administration's financial officers, Raymond Dooley, George Russell, Mary Nee, Bob Ciolek, Leon Stamps, and Thaddeus Jankowski.

disposing of city-owned, abandoned housing through community development corporations and commercial developers. Permits which are applied for, excepting those for high-rise developments, can often be processed within two weeks. With this overall increase in construction in the City of Boston, Commissioner Sommers feels that the S.T.O.P. Program is needed now more than ever.

The S.T.O.P. Program consists of inspectors from the building, housing and health industries who will systematically cover target areas, checking ongoing construction for building permits, housing violations, and violations of the sanitary code. The team will report directly to Commissioner Sommers daily on the number of violations found, work-stoppage orders issued, corrections implemented, and summonses issued.

INSPECTIONAL SERVICES DEPARTMENT S.T.O.P. PROGRAM IN EFFECT

Commissioner Bill Sommers, of the Inspectional Services Department of Boston, announced the renewal of last year's successful program, S.T.O.P. (Special Teams on Permits). Beginning April 5, the special S.T.O.P. inspectors have been out visiting construction sites all over the city in order to enforce compliance of city and state building codes. The program, created in July of 1985, has increased recorded violations such as under-valued permits, excesses of permit terms, and rehabilitation violations.

"The increase in construction that occurs with the spring season unfortunately, triggers an increase in unsafe and illegal building practices which are outside of the terms of the permits that

are issued," said Commissioner Sommers. "The S.T.O.P. Program will help to support and strengthen Mayor Flynn's commitment to the safety and legality of the development of Boston," he said.

In addition to the downtown construction, the newly created Fast Track Housing Permit Program has also created increased residential building in Boston. Since its inception last February, the program has led to an increase of house-building permit applications. The Fast Track Housing Permit Program is processing permit applications faster for developers and individuals, resulting in a shorter turnaround period. Mayor Flynn's initiative to provide affordable housing for Boston residents also includes a schedule for full occupancy of BRA housing developments, an ongoing search for state financial support, and implementing new procedures for

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding the awarding of contracts without advertising, based on the following communications:

PUBLIC FACILITIES DEPARTMENT Rehabilitation of Facility

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with inviting sealed bids and to award a contract to the Kingston House of the Merrimac Mission, Inc., a nonprofit corporation, located at 39 Kingston Street, for the rehabilitation of its existing facility.

Under the terms of this contract, the contractor shall rehabilitate its existing facility to create a sixty-bed shelter for the homeless. The contractor was chosen based on the evaluation of a proposal submitted to the Housing Division. After an extensive review and evaluation of the proposal, based on cost effectiveness and community need, the contractor was invited to enter into a contract with the City of Boston.

Compensation under the terms of this contract shall not exceed \$75,000. Funds for this contract, the total amount of which I have determined to be

(Continued on next page)

reasonable for the services to be provided, shall come from those received under the Community Development Block Grant program. The period of performance of this contract shall be from November 1, 1985, through October 31, 1986. This request is retroactive due to delays in the internal approval process and difficulties associated with the merger of PFD and NDEA.

As this is a negotiated contract and in view of the reasonable cost of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Various Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on April 11, 1985, I hereby request your Honor's authority to dispense with inviting proposals by advertisement in the *City Record*, and award, *nunc pro tunc*, a contract to Anderson-Nichols & Company, Inc., a Massachusetts corporation, located at 150 Causeway Street. The contract is to pay for design of alterations and repairs at various locations on an as-needed basis which were provided during the period July 1, 1983, through June 30, 1984, under a planned multi-vendor contract which failed to be executed during fiscal year 1984. Compensation under this contract shall not exceed \$38,732 (payable at \$70 per hour), which I have determined to be a reasonable cost.

The principal reason for the unusual circumstances of this contract is that through a mutual misunderstanding, the vendor was ordered to perform engineering services of significant value and did deliver those services in an extremely short period of time to the great benefit of the city. The work involved a proposal to the Navy to homeport the battleship "Iowa" with its support squadron at the Boston Marine Industrial Park. The proposal had to be submitted within thirty days of notification and it had to contain a mountain of engineering information. EDIC did not have any engineers available on such short notice but the Public Facilities Department did, or rather believed they did. The terms of an engineering contract with Anderson-Nichols had been agreed to months before, the Public Facilities Commission had voted to award the contract to Anderson-Nichols, and the letter of award has been approved by the Mayor months before. The contract documents had been drafted months before and both the Public Facilities Department and Anderson-Nichols believed the contract had been executed. Therefore, when asked by PFD to prepare the Navy application in a thirty-day period, Anderson-Nichols did by working full time and overtime, nights and weekends. In addition, Anderson-Nichols was ordered to deliver engineering services for design of alterations and repairs at several other locations during that fiscal year under the same misunderstanding, which they undertook to the further benefit of the city.

By the time it was discovered that the contract had in fact never been finally executed, the fiscal year had passed and the money allocated for it was no longer available. Since the city received the benefit of the work, and due to the fact that it was ordered and performed under a mutual misunderstanding of the parties, it is my view that this contract should be executed. Also, in view of the fact that the work was performed some time ago

and was of a technical and professional nature, I believe that public advertisement would serve no useful purpose in this particular instance.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on December 19, 1985, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Bayside Engineering Associates, Inc., a Massachusetts corporation, with offices at 286 Summer Street, providing professional services for the design of the restoration of the fire damages at the John P. Holland School, 85 Olney Street, Dorchester. Design of the repairs includes roof, skylights, windows, exterior wall surfaces, interior walls, ceilings, structural members, divider partitions, light fixtures, carpeting and electrical work.

Compensation under this contract shall not exceed \$128,000 (including \$8,000 for supplementary services) which is a fixed fee of 12 percent based on an estimated cost of construction of \$1,000,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for ten weeks from date of execution.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 30B et seq. I believe this contractor is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

External Security Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on October 24, 1985, I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Thomas Scott, an individual of 79 Blake Street, Hyde Park, for external security services at eighteen municipal parking lots.

These eighteen municipal parking lots are unique in that said lots are no fee lots and they remain open twenty-four hours per day, with no attendants. Security duties include follow-up on complaints and incidents of vandalism at these unattended lots, investigating incidents involving stolen and abandoned automobiles, illegal dumping and various other illegal activities. In addition, upon request, Mr. Scott shall monitor the twenty city leased parking lots located in the Downtown District of the City of Boston to ensure compliance with the lease terms.

Mr. Scott is specially qualified to do this work because of his thirty-nine years of experience as a police officer in the City of Boston. He is a trained investigator, promoted to the grade of detective in 1968. Mr. Scott is particularly familiar with procedures to deal with the problem and expedite the solutions associated with car theft and abandonment. He is quite knowledgeable about all areas of the city as a result of his police work as a detective and patrol officer in the South End, Brighton and Roxbury Crossing.

Compensation under this contract shall not exceed \$11,592 (payable at \$9 per hour), which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 18, 1985, through June 30, 1986. This request is being submitted at this late date due to budgetary uncertainties and administrative delays in processing this letter which have only recently been resolved.

Because of Mr. Scott's past experience as a Boston police officer, his particular expertise in the field of security, his familiarity with said lots, and the reasonable cost of the services to be provided, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Housing Construction

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with inviting sealed bids and to award contract to the Elizabeth Stone House, a nonprofit organization, located at Jamaica Plain, for the purpose of undertaking housing development activities.

Under the terms of this contract, the contract will construct fourteen units of transitional housing in Roxbury. The contractor was selected based on the review of a proposal by the Housing Division. The proposal was evaluated in the basis of community need, qualifications of the contractor and the overall cost effectiveness of the project. Based upon this evaluation, the contractor was invited to enter into a contract with the City of Boston.

The cost of this contract, which I have determined to be reasonable for the services to be provided, shall not exceed \$170,000. Funds for the contract shall come from those received under Year XI of the Community Development Block Grant Program. The period of performance of this contract shall be from January 1, 1986, through December 31, 1987. This request has been delayed due to lengthy internal review and evaluation process.

As this is a negotiated contract and in view of the reasonable cost of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT
Snow Removal

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Metro Boston Contr. Co., Inc., a Corporation, located at Cambridge, for removing snow and furnishing labor and equipment for the purpose of supplementing the department forces and equipment in connection with the work of keeping the highways and streets open following snowstorms in District 10B, Roxbury.

Under the terms of the contract, Metro Boston Contr. Co., Inc., will plow and/or remove snow from the streets of Roxbury when directed by the Commissioner of Public Works or his representative to do so.

This work was publicly advertised for bid, but there were no bidders for this district. Therefore, negotiations were initiated with Metro Boston Contracting Co., Inc., inasmuch as they performed the work in this district during last year's snow season and the contractors that bid on other districts this year did not want to be considered for this additional work. This resulted in a negotiated unit contract price of \$1,661.

Compensation under this contract shall not exceed \$100,000. The period of performance shall be from November 15, 1985, to April 30, 1986.

This letter is being prepared at this late date due to the negotiations concerning prices and the availability of equipment.

Very truly yours,

Joseph F. Casazza,
Commissioner.

SCHOOL DEPARTMENT

Workshops, Seminars, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Harvard Graduate School of Education Principals' Center, a corporation located at Cambridge.

This contract shall be in effect during the period from February 3, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$7,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will underwrite the membership of Boston Public Schools staff in the Principals' Center. This membership entitles staff to attend workshops and seminars on a variety of instructional and school administrative issues. The seventy employees participating in this program will pay 50 percent of their membership fee and the School Department will pay the balance through this agreement.

The contractor will also provide a training series designed specifically for middle school directors of instruction; it will focus on clinical supervision and evaluation techniques. The university will coordinate and staff the series in cooperation with the Office of Curriculum and Instruction.

The contractor is specially qualified to provide the above services because this agreement is part

of an ongoing relationship between the Boston School Department and Harvard University. The contractor provides a unique opportunity for the Boston Public School staff to join staffs from other school systems to exchange ideas, share resources, and attend workshops conducted by consultants and experts on a variety of educational issues.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Legal Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authority to dispense with inviting proposals by advertisement and to award to Goodwin, Procter & Hoar, attorneys at law, 28 State Street, a contract for legal representation in matters relating to civil proceedings involving racial imbalance and desegregation, at a cost not to exceed \$35,000, during the period July 1, 1985, to June 30, 1986. The hourly rate of compensation for Marshall Simonds is \$125 and \$100 for Henry Dinger and \$90 for associates.

The School Committee has selected this law firm because the cost is reasonable and because it is well-qualified to represent the Committee in court. Furthermore, a bench order was issued by Judge Garrity bringing to light the conflict of interest stemming from the naming of both the city and School Department as defendants.

Since the services to be provided under the proposed contract are professional in nature, it is the view of the School Committee that publicly inviting proposals would serve no useful purpose.

This contract is being submitted at this time due to the fact that during the transition period within the office of the General Counsel, the processing of this contract was inadvertently overlooked. Furthermore, after it was discovered that services would still be necessary, a determination had to be made as to the number of hours and rate of compensation in light of the ongoing disengagement procedures.

Very truly yours,

Edward J. Winter,
Secretary.

Leasing Certain Premises

Dear Mr. Mayor:

I request your approval of my action in leasing, without advertising, space for two, chapter I classrooms at the Boys and Girls Clubs of Boston, South Boston Clubhouse, 230 West Sixth Street, South Boston. One room will be used to provide chapter I services to students from St. Augustine's School. The second room will be used by students from Cardinal Cushing High School.

The Boston Public Schools are required to provide Chapter I services to eligible students enrolled in religiously affiliated schools. The Supreme Court ruling of July 1, 1985 (*Anguilar v. Felton*) stated that such instruction may not be provided on the premises of church affiliated schools.

The chapter I office has consulted with parochial and other private school officials to develop an effective means of compliance. Leasing space at a neutral site is one such method. The selected building meets all health and safety standards.

The term of the lease will be from December 1, 1985, through June 30, 1986.

The rental for the term is \$3,500, payable

monthly in the amount of \$500. Funding will be provided by the Department of chapter I Programs. The contract is, in my opinion. The facilities of the South Boston Clubhouse have been used by the Boston Public Schools in the past satisfactorily. Since the space is suitable for chapter I needs, I believe that public advertising would serve no useful purpose.

Very truly yours,

Paul W. Mooney,
Senior Structural Engineer.

Travel-Study Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Freedom House, a corporation located at 14 Crawford Street, Roxbury.

This contract shall be in effect during the period from January 20, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$2,475, which I have deemed to be reasonable.

Under the terms of this contract, the contract will assist in developing guidelines for awarding travel study scholarships to students at Copley Square High School. The contractor will assist in the identification and selection of students to participate in the school's travel-study program. Freedom House will then assist in the orientation of students and their parents familiarizing them with the program.

The contractor is specially qualified to provide the above services because the International Studies Program at Copley Square High is an outgrowth of Freedom House and the school and the contractor have worked closely on similar projects in the past.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Clinical Services

Dear Mr. Mayor:

As superintendent of the Boston Public School, I respectfully request your authorization for the award of a contract to Parents' and Children's Services, 654 Beacon Street.

The contract shall be in effect during the period from January 15, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. On June 25, 1985, the School Committee approved all of the FY'86 636 proposals for the sum of \$5,023,273. Parents' and Children's Services' portion as is related to that amount is \$5,000.

The contractor will provide compensation for one-fifth of the work time of a professional social worker, who as project coordinator of a High-Risk Screening and Counseling Program for teenagers will provide the following services at Boston Technical High School:

Collaborate with the senior psychologist to provide clinical supervision of team members; provide direct clinical services to students and their families; act as liaison with student advisors from graduate schools of social work and psychology; report to the school development officer on all administrative matters; report to the director of Clinical Services at Parents' and Children's Services on all professional matters; make arrangements for adequate space, furnishings, and soundproofing so as to create physical conditions conducive to quality

clinical work and the safeguarding of confidentiality; design and implement in-service training for faculty so as to create a climate which welcomes, assists, and utilizes the clinical team; relate to the headmaster on administrative matters, and create administrative linkages with different in-school programs including guidance counseling, peer counseling, the student leadership program, and various school clubs; identify and relate to health and social agencies presently providing backup services or having the potential for doing so, including Freedom House, Roxbury Comprehensive Health Center, Roxbury Children's Service, St. Margaret's Hospital, Crittendon House, the Chinese-American Association, and other resources throughout the city serving specific ethnic populations; furnish an evaluation report.

The contractor is uniquely qualified to provide the above services because: the contractor has implemented a pilot program during FY'85; the social worker played an essential role in the development and implementation of the pilot program in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); the social worker provided successful direct services to students at Boston Technical High School.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 86-9D.

Very truly yours,

Laval S. Wilson,
Superintendent.

Special Education Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to Community Treatment Complex, Inc., Worcester, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$100,000, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially is \$10,237.

The facility will provide thereunder educational services to Boston Public Schools pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Museums Educational Programs

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to the Museum of Fine Arts, 465 Huntington Avenue. The contract shall be in effect during the period from January 15, 1986, to June

30, 1986, and shall occur at a cost not to exceed \$5,742, which I have deemed to be reasonable.

On June 25, 1985, the School Committee approved all of the FY'86 Chapter 636 proposals for the sum of \$5,023,273. The Museum of Fine Arts' portion as is related to that amount is \$5,742.

The contract will provide for the planning, execution, and evaluation of a multi-visit, cross-cultural, educational program for students at the King Middle School and English High School. The program will take place within the classroom, at the Museum of Fine Arts and the Museum of the National Center for Afro-American Artists and will include:

Orientation meetings at schools with art teachers and museum instructors to plan collaborative, multi-cultural curriculum and program schedules; classroom slide orientations of museum's galleries of art of various cultures by museum instructor; visits to Museum of Fine Arts and Museum of the National Center of Afro-American Artists; classroom demonstrations by multi-cultural resource artists; development of classroom units in art, social studies, and language arts by classroom teachers; production of multi-cultural slide tapes of the students museum experience for presentation to parents at a year-end exhibition; teacher training workshops at the museums; purchase of multi-cultural curriculum material on ancient civilizations for curriculum center at schools; year-end exhibition of students' work and slide tape at school; encouragement of parental visits to museum through distribution of free passes; evaluation of student responses to program.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act), in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,

Laval S. Wilson,
Superintendent.

Tutoring

Dear Mr. Mayor:

As superintendent of the Boston Public School, I respectfully request your authorization for the award of a contract to Boston Tutoring Center, 208 Ashmont Street.

This contract shall be in effect during the period from January 24, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$10,000, which I have deemed to be reasonable. On June 25, 1986, the School Committee approved all of the FY'86 chapter 636 proposals for the sum of \$5,023,273. Boston Tutoring Center's portion as is related to that amount is \$10,000.

The contractor will provide for fifty minority and bilingual students from Boston Latin School, Boston Latin Academy, and Boston Technical High

School to receive direct language tutoring two hours a week for twenty-five weeks. Students will be provided with appropriate study skills materials.

The contractor is uniquely qualified to provide the above services because: the contractor has implemented a pilot program during FY'85; the social worker played an essential role in the development and implementation of the pilot program in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); contractor provided successful direct services to students at Boston Technical High School.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636 86-9D.

Very truly yours,

Laval S. Wilson,
Superintendent.

Staff Development, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Cambridge College, a corporation located at Cambridge.

This contract shall be in effect during the period from February 3, 1986, to September 30, 1986, and shall occur at a cost not to exceed \$12,600, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will assist the Title VII office in implementing Title VII Project A.C.H.I.E.V.E. Cambridge College will provide the services of an on-site coordinator/trainer, conduct specified courses, an on-site technical assistance in the areas of staff development/teacher training, and/or development. The contractor has agreed to offer courses specifically designed to meet project needs at the low cost of \$75 per student for each three-credit graduate course.

The contractor is specially qualified to provide the above services because Cambridge College was the sole institution identified by the funding source as having adequate facilities and properly trained staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Swimming Pool Rental

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boys and Girls Club of Boston, a corporation located at 230 West Sixth Street, South Boston.

This contract shall be in effect during the period from January 23, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$4,050, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide rental of their swimming pool for swimming practice and swimming meets for Boston Latin Academy and South Boston High School.

The contractor is specially qualified to provide the above services because it is the only facility in the immediate vicinity of the schools able to provide these services at the times required by the schools.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Repairs of Gas Leak

Dear Mr. Mayor:

On Thursday, December 13, 1985, a severe gas leak developed in the mechanical room of the Madison Park/O. R. C. Complex.

This emergency condition required immediate action in order to have gas reopened to the building, since the Boston Gas Company was required to shut down the service to the building.

The boilers supplying heat to this complex are gas, so it was necessary to have a contractor respond immediately in order to prevent a freeze-up in the severely cold weather.

I obtained the services of Edward H. Marchant Co., Inc., Quincy, who had the necessary equipment, men, expertise and who agreed to work immediately until the service was restored to the building. The work was continually supervised by staff employees.

I, therefore, request your approval of my action in awarding a contract to Edward H. Marchant Co., Inc. in an amount not to exceed \$4,980.

Respectfully yours,
Paul W. Mooney,
Senior Structural Engineer.

Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to CAPS Collaborative, Gardner, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$100,550, which is deemed to be reasonable by the committee, during the period of July 1, 1985, to June 30, 1986.

The amount to be encumbered initially is \$10,550.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On July 30, 1985, your Honor approved the award of a contract, without public advertising of bids, to Wediko Children's Services, located at 25 Huntington Avenue.

This contract is established for the provision of special education services to Boston Public Schools students in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated

thereunder, at a cost not to exceed \$225,000, for the period July 1, 1985, through June 30, 1986.

Your approval is requested to amend this contract to provide for psychotherapeutic treatment and case consultation for students enrolled at the McKinley School. The funding of these additional services was not anticipated at the outset of this fiscal year. These services previously were funded through federal projects. This chapter 766 approved provider will continue to provide services at the equivalent rate billable to Medicaid for public aided individuals, and in accordance with each child's individual educational plan devised by School Department staff. The cost of this amendment, which is in effect upon your approval, shall not exceed \$190,000, which I have determined to be reasonable. The cost of this contract, as amended, shall not exceed \$415,000.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is my belief that the public interest would not be served by the public advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Private Joseph Amatuelli Playground, Hyde Park.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Private Joseph Amatuelli Playground, Hyde Park."

SCOPE OF WORK consists of furnishing of all labor, materials, equipment for totlot, benches, asphalt pavement, colorcoating, planting and chain link fencing. Estimated cost of Construction, \$130,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 19, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, May 4, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, May 12, 1987, at 10 a.m., Boston time.

CITY OF BOSTON,
PARKS AND RECREATION DEPARTMENT,

TRAFFIC AND PARKING DEPARTMENT

Invitation for Bids for the Furnishing, Installation, Removal and Replacement of Parking Meter Posts in Various Locations.

The City of Boston, acting by its Traffic and Parking Department, through its Commissioner of Traffic and Parking (the Awarding Authority), invites sealed general bids for the above-entitled project, subject to all provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, May 27, 1987, at the office of the Awarding Authority, Room 721, City Hall, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the amount of 10 percent of the contract proposal price. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday May 4, 1987, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance and liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award of this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No proposal may be withdrawn after the time limit for filing proposals for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. Proposals filed by the three lowest responsible and eligible bidders may not be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.

PURSUANT TO THE SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT PREFERENCE SECTION OF THIS CONTRACT, THE GENERAL CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST 10 PERCENT OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR THE PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS ORGANIZATION IN WHICH 51 PERCENT OF THE BENEFICIAL OWNERSHIP AND CONTROL IS HELD BY ONE OR MORE MINORITY PERSONS (BLACK, HISPANIC, ASIAN-AMERICAN, OR AMERICAN INDIAN).

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "MINORITY BUSINESS UTILIZATION FORM," "MINORITY BUSINESS IDENTIFICATION STATEMENT," "MINORITY BUSINESS UTILIZATION PROGRESS REPORT," AND THE "MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT."

EACH GENERAL CONTRACTOR MUST COMPLETE, SIGN AND FILE WITH HIS BID THE MINORITY BUSINESS UTILIZATION FORM. FAILURE TO DO SO WILL RESULT IN THE REJECTION OF THE BID PROPOSAL. THE LOWEST RESPONSIBLE AND ELIGIBLE BIDDER IS REQUIRED TO SUBMIT A MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT. THE LETTER OF INTENT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE AND THE GENERAL CONTRACTOR NO LATER THAN TEN (10) WORKING DAYS AFTER THE GENERAL BID OPENING. THE LOWEST BIDDER MUST ALSO SUBMIT A MINORITY BUSINESS IDENTIFICATION STATEMENT FOR EACH MINORITY BUSINESS NOT INCLUDED IN THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY.

ALL CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY PUBLISHED BY THE CITY THROUGH THE OFFICE OF MINORITY BUSINESS TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

THE MINORITY BUSINESS OFFICE IS LOCATED AT 15 BEACON STREET, FIFTH FLOOR, BOSTON, MA 02108, TELEPHONE NUMBER 720-4300.

Bidders seeking information pertaining to the affirmative action in connection with City of Boston contracts should attend scheduled meetings at 15 Beacon Street. These meetings will be held on the first and third Wednesdays of each month.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Faneuil Hall

Built by Peter Faneuil for the city in 1742, this hall has been a meeting and marketplace ever since. Town meetings here were so active that John Adams named it "the Cradle of Liberty." Enlarged by Bulfinch in 1806, the hall now houses the Ancient and Honorable Artillery Company on the third floor. From here to Paul Revere's House you will pass Samuel Adams' statue, the Boston Stone (for measuring distance, it's the heart of Boston) and the Ebenezer Hancock House at 10 Marshall Street.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Pruning and Trimming
Trees in Olmsted Park.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Pruning and Trimming Trees in Olmsted Park."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to prune and trim trees at various locations in Olmsted Park and to properly transport and legally dispose. Estimated cost, \$45,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 19, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, May 4, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and

the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, May 12, 1987, at 10 a.m., Boston time.

NOTICE TO CONTRACTORS

**Invitation for Bids for Spraying Trees
for Control of the Elm Leaf Beetle.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Spraying Trees for the Control of the Elm Leaf Beetle."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment necessary to apply One (1) Follar Spray of Carbaryl for control of the Elm Leaf Beetle to existing elm trees on Commonwealth Avenue, between Arlington and Kenmore Square, and limited trees in the Boston Common, Public Gardens, Worcester Square, and Union Park.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 26, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, May 11, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority

Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, May 19, 1987, at 10 a.m., Boston time.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Replacement of Intrusion Alarm Control Panels in Various School Buildings," at an estimated cost of \$25,000.

SCOPE OF WORK: In general includes: replacing existing intrusion alarm control panels and other related electrical work.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, May 13, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, May 28, 1987, at which time and place respective bids will be opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in electrical, up to a project dollar amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. P1CN25, GREEN LINE POWER UPGRADE, BEACON STREET BRANCH, METROPOLITAN BOSTON, MASSACHUSETTS (Class 5 — Electrical, Project Value 27.00), will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on June 2, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work in this contract consists of installation of positive traction feeder cables and negative return cables from Kenmore Substation 46 and other associated track work to the power sections 90 and 94 of Green Line referred to as the Beacon Street Branch, including construction of duct banks and manholes; installation of distribution cables, poles and installation of manual and motor-operated switches.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification of this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after May 3, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by a separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holders. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to

any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

A prebid conference will be held on May 14, 1987, at 10 a.m. at the Office of the Project Manager, Mr. Richard F. Conley, Power System Improvements Project Office, 21 Arlington Avenue, Charlestown, MA 02129 (Telephone Number (617) 722-5014). Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement, or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Gardner Street Landfill
Tree Stump and Brush Pile Disposal.**

INVITATION TO BID

Sealed bids for tree stump and brush pile disposal at the Gardner Street Landfill will be received by a representative of the Public Works Department of the City of Boston, Mass., at the office of Camp, Dresser & McKee, Inc., One Center Plaza, Boston, MA 02108, until 2 p.m., May 21, 1987, and at that time and place will be publicly opened and read aloud.

The work of this contract consists of one of the following three alternatives for tree stump and brush pile disposal from the Gardner Street Landfill, located in West Roxbury, Mass.

1. All brush materials under 20 inches in diameter shall be chipped. Ninety-five percent of the chipped material shall be less than 4 inches in the largest dimension. The remaining stump material greater than 20 inches in diameter shall be sawed to create stumps not greater than 4 feet in length and disposed of on site in an area located in the existing brush and stump area and then compacted. The chip material is placed on the compacted stump pile and compacted. The chip and stump pile shall be covered with 6 inches of common fill and then 6 inches of topsoil and seeded. Disturbed areas or areas which are currently covered with the stump and brush pile and which are not used for final disposal of the stump and chip material shall be covered with 6 inches of topsoil and seeded.
2. All brush material under 20 inches in diameter shall be chipped and placed on site near the existing stump and brush pile at a location determined by the ENGINEER. The remaining stump material will be disposed on site in an area located in the existing brush and stump area and compacted and covered with a minimum of 6 inches of common fill above the final compacted stump pile. Then place 6 inches of topsoil and seed. All disturbed areas or areas which are currently covered with the stump and brush pile and which are not used for final disposal of the stumps shall be covered with 6 inches of topsoil and seeded.
3. The entire stump and brush pile shall be removed from the site. Disposal off site shall be the responsibility of the contractor. All disturbed areas shall be covered with 6 inches of topsoil and seeded.

The work of this contract is under a Massachusetts Department of Environmental Quality Engineering (DEQE) Consent Administrative Order which is included in the Appendices of the contract documents.

Contract documents may be examined and/or obtained at the office of Camp Dresser & McKee, Inc., One Center Plaza, Boston, Mass. Contract documents are available for examination at F. W. Dodge Division, McGraw-Hill Information Systems Co., Boston, Mass. A prebid conference is scheduled at the Gardner Street Landfill, located in West Roxbury, Mass., on May 13, 1987, at 10 a.m.

A deposit of \$50 in cash or check, payable to the City of Boston, Mass., will be required for each set of the contract documents. A refund of the deposit

will be made for documents returned in good condition within 30 days after the bids are received.

Bidders will be furnished up to two sets of contract documents for the deposit specified. Additional sets may be purchased for the cost of printing same.

Each bid shall be submitted in accordance with the Instructions to Bidders and be accompanied by a bid security in the amount of 5 percent of the bid.

Bids must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All bids must be from bidders on file at the office of Camp Dresser & McKee, Inc., One Center Plaza, Boston, MA 02108.

Anti-Discrimination Affirmative Action: During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following:

In connection with the performance of work under this contract, the contractor shall not discriminate against any employee or applicant for employment because of race, color, religious creed, national origin, age, or sex. The aforesaid section shall include, but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment advertising; recruitment lay-off; termination, rates of pay or other forms of compensation; conditions or privileges of employment; and selection for apprenticeship.

No bidder may withdraw his bid for a period of thirty days, excluding Saturdays, Sundays, and legal holidays, after the actual date of the opening of the bids.

The successful bidder must furnish a 100 percent construction performance bond and a 100 percent construction payment bond with a surety company acceptable to the owner.

Complete instructions for filing bids are included in the Instructions to Bidders.

Wage rates are subject to the minimum wage rates as per M.G.L. chapter 149, section 26 to 27G, inclusive, as contained in the Project Manual.

The owner reserves the right to waive any informality in or to reject any or all bids if deemed to be in their best interest.

Proposal for Capital Improvement Project No. 19 for Reconstruction in Johnswood Road, Johnswood Footway, and Johnswood Path in West Roxbury.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 11, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, May 21, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 hundred percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 19, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

A prebid conference will be held at 10:30 a.m., on May 12, 1987, at One City Hall Square, ninth floor,

Board Room, Boston, Mass., to discuss scheduling of the work and other matters.

The work will consist of construction to the degree of completeness as shown on plans: removal and disposal of existing sidewalk pavement; removal and resetting of existing granite edgestone; milling and overlay of existing bituminous concrete roadway pavements; new street lighting system; roadway drainage system improvements; installing sidewalk pavements; and planting street trees, all in Brinton Street (Washington Street to end), Codman Park (Townsend Street to Brinton Street), Munroe Street (Walnut Avenue to Humboldt Avenue) and Martin Luther King Boulevard (Washington Street to Walnut Avenue).

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying one hundred dollars (\$100), non-refundable, in cash or a certified check, payable to the Boston Redevelopment Authority for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, on or a treasurer's or cashier's check, issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for site preparation contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws, c. 30, sect. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 305 of the general conditions of the contract.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, nondiscrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance on May 12, 1987, at 11 a.m. in Room 901.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, MAY 18, 1987

NO. 20

MAYOR FLYNN TO REOPEN POLICE STATIONS

On Sunday, May 10, 1987, Mayor Flynn Announced Reopenings of Neighborhood Police Stations.

Reopening neighborhood police stations has been one of the highest priorities of my administration. In order to achieve this goal, Boston first had to get its financial house in order. When I became Mayor, just over three years ago, the city was faced with a \$40 million operating budget deficit, a poor credit rating, and an enormous backlog of deteriorated buildings, parks, and roadways.

By instituting a program of strict financial controls within city government, and receiving the strong support of the Governor and the State Legislature in securing new revenue sources, Boston has been able to restore financial stability. We have balanced the budget, launched a major \$799 million capital improvement program, and in the past two years alone, have received three upgrades on our credit rating, saving Boston millions of dollars when it borrows money for capital projects such as the Hyde Park Police Station, Station 5.

Our capital program for police stations has worked in tandem with our efforts to recruit and train new police officers. We have moved forward with a phased approach in which our construction timetables are paired with the speed to which the city can hire and train new police officers. In the first phase of this program, neighborhoods which were geographically isolated such as East Boston and Brighton, or neighborhoods such as Mattapan whose police presence consisted of a two-man trailer, were addressed first. We have reopened Brighton, we will be reopening East Boston this June, and this November, a new Mattapan station will come on line. As we enter the next stage of this program, this station, Station 5 in Hyde Park, will undergo major capital construction and the assignment of new police officers.

Next month, construction will begin at Hyde Park and this \$1 million project will make major improvements to the structure and mechanical systems within this facility. Now in design is a second phase of improvements which will restore the cell-blocks and the administrative offices of the building. When this work is completed in late 1988, Hyde Park will once again have a restored and

fully staffed neighborhood police station of which it can be proud.

In the intervening months, my administration will work with the community to ensure that both construction and public safety issues are addressed. During the construction period, the eighty officers now assigned to the city-wide units of motorcycle patrols, special operations, and emergency services will not be displaced, and will continue to operate from this building.

Public safety — police and fire protection — is the most essential service that the city can provide for our residents. The strength of these two departments has a direct effect on the health of neighborhoods, the quality of life for our people, and the physical safety we all desire. I am committed to continuing the direction of my administration's energies to giving these basic services the highest priority.

IMPORTANT NOTICE OF UPCOMING ELECTION AND PROCEDURES

May 11, 1987.

To: ALL DEPARTMENT HEADS.

On August 31, 1987, the BOSTON RETIREMENT BOARD will hold an

election to fill the position of elected member of the City of Boston Retirement Board for a term of (3) three years beginning on October 1, 1987.

According to the provisions of Massachusetts General Laws, Chapter 32, Section 20(4), retired and active members are both eligible to vote and also to be placed in nomination for the upcoming election.

Beneficiaries of deceased members are not eligible to vote.

Any retired or active member may become a candidate by filing with this Board the official nomination papers signed by twenty or more members in service and/or retired members of the State-Boston Retirement System. No member in service or retiree shall be permitted to sign nomination papers for more than one individual.

Nomination papers may be obtained on or after May 29, 1987, at the office of the City of Boston Retirement Board, Room 806, City Hall, Boston. Nomination paper or papers containing the necessary number of qualified signatures and addresses shall be filed with the Board by July 16, 1987, at 4:00 p.m. No nomination papers shall be accepted after the deadline. The last date for filing withdrawals and/or objections to nominations of a candidate for election shall be July 21, 1987, at 4:00 p.m.

The election shall take place on August 31, 1987, and will be conducted by the Election Department, Room 241, at Boston City Hall.

Ballots will be placed in the mail in August, 1987, to each eligible voter and shall be returned to the Election Department no later than Monday, August 31, 1987, at 5:00 p.m.

General Orders No. 24

I. FIRE FIGHTER GERALD M. WALSH, ENGINE COMPANY 32

It is with deep regret that the Fire Commissioner announces the death on April 28, 1987, of Fire Fighter Gerald M. Walsh, Engine Company 32. Fire Fighter Walsh was appointed to the department February 7, 1968.

The funeral was held from the John H. Sawyer Funeral Home, 329 Bunker Hill Street, Charlestown, at 0900 hours, Saturday, May 2, 1987, followed by a Funeral Mass in St. Francis de Sales Church, 313 Bunker Hill Street, Charlestown, at 1000 hours.

The Fire Commissioner made the customary detail to act as funeral escort and members from Headquarters, Training and Maintenance and Fire Prevention Divisions, Engine Company 32 and the Rifle Honor Guard were excused to attend the services.

II. RESIGNATION

The resignation of the following-named member became effective 0800 hours, April 30, 1987:

Fire Lieutenant Daniel A. Ennis, Engine Company 20.

III. PROVISIONAL PROMOTION TO FIRE LIEUTENANT

The following-named member has been promoted provisionally to Fire Lieutenant and transferred, effective 0800 hours, May 6, 1987:

Fire Fighter Charles W. Bellew, Engine Company 16, to Headquarters.

IV. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to their respective circuit cards:

21-2883 — Office Building, 1208A VFW Parkway, Circuit Card 23.

V. FIRE ALARM BOX REMOVED FROM SERVICE

The following-numbered fire alarm box has been removed from service and company commanders shall remove it from UAAB assignment cards and circuit card 16:

13-4141 — Charlestown High School, Spencer Annex, 30 Cedar Street.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding the awarding of contracts without advertising, based on the following communications:

SCHOOL DEPARTMENT

Staff Training

Dear Mr. Mayor:

As superintendent of the Boston Public School, I respectfully request your authorization for the award of a contract to Simmons College, 300 The Fenway.

The contract shall be in effect during the period from February 3, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$11,000, which I have deemed to be reasonable.

Under the terms of this contract, Simmons College will provide training and materials for up to 125 high school teachers and administrators. Participants will be trained to identify various learning and

teaching styles and will learn to develop an adaptive instructional strategy for each. Ten fully developed lesson plans will be produced by each participant. Headmasters and staff members from the following schools will participate in this program: Boston Latin School, English High School, Madison Park High School, Jamaica Plain High School, Copley Square High School, and South Boston High School.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Financial Statement Preparation, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public School, I respectfully request your authorization for the award of a contract to Lucio Taranco, an individual residing at 172 No. Beacon Street, Brighton.

This contract shall be in effect during the period from January 27, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$8,000, which I have deemed to be reasonable. The rate of compensation under this agreement will be \$100 per day.

Under the terms of this contract, Mr. Taranco will reconcile School Department grant accounts for FY66 to FY84 with the accounts of the fund-granting agencies. He will process adjusting entries and facilitate return of all unexpended funds so these accounts may be closed.

The contractor will assist fund managers in the reconciliation of School Department and city accounts with special emphasis placed on special education accounts and block grants. Mr. Taranco will also prepare the final financial statements for FY83 and FY84 for Chapter II, E.C.I.A.

The contractor is specially qualified to provide the above services because during the past year, Mr. Taranco, in his capacity as senior research ana-

lyst in the City of Boston Auditor's Office worked on the reconciliation of similar School Department accounts. This experience gives Mr. Taranco a unique familiarity with the work to be performed.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Music System

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Bose Corporation, located at Northboro, for providing the Acoustic Wave Music System for the Boston Public Schools for the period January 15, 1986, to June 30, 1986. The machines will be utilized as a portable auditory system by the Department of Physical Education and various schools.

Under the terms of the contract, the contractor, a sole vendor, will provide the Acoustic Wave Music System. The equipment is a complete high fidelity stereo music system in a single compact enclosure. There are no companies which offer the same product or one comparable.

Compensation under this contract shall not exceed \$5,000. The initial amount to be encumbered is \$3,500.

Because the contractor is a sole vendor and the cost is reasonable, I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Children's Hospital, Communication Enhancement Clinic, a corporation located at Brookline, Massachusetts.

This contract shall be in effect during the period from January 27, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$4,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide inservice and ongoing consultation to teams of School Department Special Education staff working with speech, writing, vision impaired and other handicapped students who can benefit from technology-related intervention.

The contractor will provide a series of inservice sessions to be conducted by the director and five clinical staff specialists of the clinic to School Department staff. Consultation and technical assistance will also be provided by the clinical director to the technology resource specialist and staff.

School Department staff will be invited to observe hospital-based clinical teams develop communication for handicapped students, at no additional cost, as part of their ongoing training. Students with unusual or complex communication problems will be referred to the clinic and evaluated at no additional cost to the Boston schools.

The contractor is specially qualified to provide the above services because the Children's Hospital Communication Enhancement Clinic is the only medical facility in this area with the capability for the assessment of the communication needs of handicapped children as well as the expertise for designing augmentative and alternative communication systems.

The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful candidate.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.
